4. Old Business:

Policy 6320 PURCHASING

The finance and operations department is in the process of reviewing this policy. The policy committee decided to put this policy on hold until it's ready to be brought back for further discussion.

Policy 6325 - PROCUREMENT - FEDERAL GRANTS/FUNDS

The committee is waiting to hear back from Neola regarding this policy. It will be discussed at a future meeting.

5. New Business:

Policy 6550 - TRAVEL PAYMENT & REIMBURSEMENT

Grammatical corrections and language changes have been suggested for this policy. The committee discussed temporary dependent care costs. This would primarily be to accommodate staff members who are primary care givers for dependents. This is an

option that is new to this policy. The committee feels that more information is needed such as the financial impact to the district, before making a decision to include this in the policy. The committee will revisit this after more information is gathered. This policy will go to the Board for a first read.

Policy 7310 - DISPOSITION OF SURPLUS PROPERTY

The discussion on this policy centered around items, such as sheds, that have been provided by parent groups and who is responsible for the maintenance. The current language gives the district the ability to make decisions whether or not to approve the items before they are provided and who will maintain the items.

Policy 9700 - RELATIONS WITH SPECIAL INTEREST GROUPS

The discussion revolved around accepting sponsorship funds. The policy is expanding sponsorships outside of athletics to include various sports and clubs. A concern was brought up regarding funds that are only given to a certain group such as boys football and how that aligns with Title IX. The committee suggests including language to ensure this policy is respecting Title IX and also providing clarity on how money will be accepted by the district.. Legal Counsel will bring back information on what other districts have in their policy and we will have further discussion in a future meeting.

The committee suggested discussing the following policies/topics at the August,2025 meeting

Policy 2410 - PROHIBITIONS OF REFERRAL OR ASSISTANCE

This policy was previously rescinded. The committee, along with legal counsel will discuss whether this policy should be brought back.

Policy 7230 - GIFTS,GRANTS AND BEQUESTS

Policy 5111 - ELIGIBILITY OF RESIDENT/NONRESIDENT STUDENTS and
