Our Mission

The mission of the Merced County Office of Education, as the educational leader of the Central Valley and trusted community partner, is to transform education and inspire personal, social, and academic achievement of students through collaborative partnerships, accountable leadership and innovative, high quality programs and services.

The Merced County Office of Education is the lead education agency for Merced County. It is our job to nurture children and families, serve students, parents and educators at every level and provide leadership for schools and districts throughout the County and State. By acting on our key principles of nurturing, serving and leading, we are helping build a strong community, state and country.

Steve M. Tietjen, Ed.D.
Merced County Superintendent of Schools

Nurture. Serve. Lead.

An MCOE Overview

The Merced County Office of Education (MCOE) serves as an intermediate unit between the California Department of Education and the 20 local school districts. MCOE staff promotes student success by helping Merced County's 20 school districts serve more than 60,000 TK-12 students of all abilities through assistance with curriculum and instruction, career and alternative education, business services, technology, special education, and teacher credentialing. MCOE will continue to focus on improving its work with school districts on behalf of students.
