

REGION 19 BEHAVIOR CONFERENCE "Connection Before Content"

RELATIONSHIPS ARE THE BRIDGE TO LEARNING!

Join educators for a powerful day of learning, reflection, and connection at Behavior Conference 2026: *"Connection is the Intervention"*. This full-day event is designed for K-12 teachers, administrators, counselors, and campus staff who are committed to building safe, supportive classrooms through trauma-informed practices and restorative approaches. With inspiring sessions and keynote speaker, participants will walk away with strategies that center student dignity, emotional safety, and the transformative power of everyday educator presence.
