

Fairfield Central High School's

Redo Policy

Students at Fairfield Central High School will have the opportunity to to redo **ANY** major assessment (tests, quizzes, and projects) with the following stipulations:

- The redo will occur **ONE** (1) time.
- The student must attend a tutorial session with a certified teacher.
- The tutorial and retest/redo must occur within a week's time frame.
 - **Ex. If a test, quiz, or project is returned on Tuesday, the student will have until the following Tuesday to receive tutoring and retest.**
- The retest/redo will occur during the time decided by the teacher.
- The retest/redo or tutoring will not interfere with class instruction.
- The retest/redo should not be the same assessment but will cover the same content.

Students who retest will receive the higher of the two grades. This policy is **NOT** optional; however, teachers do have the option to allow students to redo other assignments.

Goal of Redo Policy: To promote mastery of content as well as a growth mindset for our students and faculty.
