School Hours

- School Office Hours 8:00 am to 4:00 pm
- Student School Hours: line up bell rings at 9:10 am, exterior doors to school will close at 9:15 am
- Playground supervision begins at 8:55am. Please do not drop off your students prior to that, as the gates will not be unlocked.
- Dismissal bell rings at 3:15 pm, Wednesday, early release is 2:30 pm

Electronic Devices

- Use of Personal Electronic Device by Students: https://wcsdpolicy.net/pdf_files/administrative_regulations/5810%20Reg%20-%20Cell%20Phones%20v2.pdf
- All Electronic devices are advised to be left at home! They disrupt the educational environment. The school is not responsible for personal devices that are lost on campus. The best place to keep these devices is at home. If they must be brought to school, please keep them off and in backpacks.
- If a student must bring a cell phone or watch — it is not to be carried into classrooms during assessments, semester exams, or other testing situations. Phones and all such devices shall be in the “off” position at all times and should be stored in the student’s locker or backpack while on school grounds, inside the school and during the school day. If a cell phone is visible, or a watch is being used during school hours, it will be confiscated, and a student/parent will have to claim it at the office. Ear buds are not allowed nor should be visible.
- We do understand the need for parents to be connected to their children throughout the day. If a student or parent wants to communicate during the school day, parents must call the office and students may use the school phone during non-instructional time with a staff member’s permission and support.

Below is the Progressive Discipline for Electronic Devices:

- **1st Offense:** Device is taken from the student and recorded; student can pick up phone after school.
- **2nd Offense:** Device is taken from the student and recorded, and parents are called and must pick up the device from the office.
- **3rd Offense:** Device is taken from the student and recorded, and parents are called and must pick up the phone and the phone is no longer allowed on campus.

Personal Belongings/Toys

- The WCSD is not responsible for any loss, theft, or damage to any items when in the student’s possession or stored/left on campus.
- Any toys or personal belongings of any value should stay at home to be safe.
- If a teacher needs students to bring an item for academic purposes, he/she will send home a written request with the specific date and purpose for when your child may bring that item in for classroom use only. The requested item should not be seen or used on the bus, playground, before, or after school.
- These items could be confiscated by the teacher/staff member and Items will be returned to a parent/guardian.
- Continued offenses may result in student discipline and/or loss of privileges.

Lost and Found

- A Lost and Found is in the lunchroom in the storage area.
- Please label all personal belongings such as backpacks, lunch boxes, sweatshirts, jackets, etc. so items can be returned to students.
- If items are found with no name, the item will be placed in Lost and Found. Please check the Lost and Found shelves at any time before and after school.
- Un-claimed items will be donated to a local charity at the end of each quarter, as unfortunately these shelves pile up quickly.
- Please remind your child to keep track of all personal items and build habits of placing them in backpacks after they are no longer needed.

Dress Code

We want students to feel comfortable, confident, and safe while being ready to learn. Here's what to keep in mind when getting dressed for school:

- **Clothing should be safe and school-ready**—nothing too loose or too tight that could cause a tripping hazard or other safety issue.
- **Keep it kind and respectful**—clothes should not have inappropriate language, images, or anything promoting drugs, violence, or unsafe behavior.
- **Cover the essentials**—shirts should cover the chest and midsection, and bottoms should extend to at least mid-thigh.
- **Tank tops are okay, but spaghetti straps are not**—everything must be appropriately covered.
- **Undergarments should stay underneath** clothing and not be visible.
- **No ripped jeans**, they need to meet coverage expectations and are not safe.
- **Leggings and yoga pants are welcome!** Just make sure tops follow the rest of the dress guidelines.
- **No hats or hoods indoors**, unless for religious or medical reasons.
- **Sunglasses stay off inside**, unless medically required.
- **Footwear should be safe**—no slippers or shoes without backs. Closed-toe shoes are best for recess and PE.
- **No pajamas, blankets, or lounge wear** unless it's a special spirit day.
- **Jewelry should be safe**—nothing sharp, heavy, or dangerous.
- **Gang-related clothing or accessories are not allowed**, as per district policy.

Dress Code Violation

- **First Offense** – A parent/guardian will be notified, and the student will be asked to change clothes.
- **Second Offense** – Parent/guardian will again be notified, the student must change, and they lose a school privilege.
- **Third Offense** – Parent/guardian will be notified, the student must change, and will receive a loss of privilege and progressive consequence.

Health Policies and Procedures

Preventing the Spread of Communicable Diseases

- Frequent hand-washing with soap and water by students and staff is the most effective way to prevent the spread of communicable diseases like Noro virus, COVID 19, Flu the common cold and sore throat.
- Always wash your hands after using the bathroom and before eating.
- It is important to cover a cough or sneeze with tissue or sleeve.
- Avoid touching your face with unwashed hands.

Here are a few tips for ensuring your child is healthy and learning-ready for school.

- A good night's sleep is essential for keeping the mind learning ready for school.
- Make sure your child has a nutritious breakfast every morning and breakfast will be served at school.
- Encourage outdoor time for physical activity.
- Vaccines prevent serious diseases and help keep our entire community healthy. Take a moment to review your child's shot record and make sure he or she has all the required immunizations before school starts. The best way to prevent the flu is by getting a flu vaccine every year.
- If you have questions about the district's policies for managing the health of students, call the school and ask for the school nurse.

School Policies

- To help our school and our community stay as healthy as possible, please use the updated Self-Screening Tool on the website <https://www.washoeschools.net/Page/14290>
- Your child should stay home from school if she/he:
 - has signs and symptoms of COVID-19 as listed on the CDC COVID Website
 - has an undiagnosed fever of 100.4 degrees or higher, vomiting, and/or diarrhea
 - has an undiagnosed skin rash
 - has purulent drainage from eyes, nose, or ears
 - appears mildly ill and is unable to participate in normal school activities

For more specific information about the Washoe County School District's health procedures, contact Spanish Springs's School Nurse at 1-775-677-5460 or call Student Health Services at 1-775-353-5966.

Attendance

The complete Attendance Policy can be found at https://www.wcsdpolicy.net/pdf_files/board_policy/5400_Policy-Student_Attendance_v5_Final.pdf

Absences

- If your child will be absent for any reason, please call the office at **775-425-7710** before 9:00 am to report the absence for documentation in Infinite Campus. You can also send communication through the Infinite Campus Parent Portal.
- Please bring in any doctor's notes from absences to the front office.
- Students must make up any missed work from their absence. Please communicate and work with your child's teacher to get the work and due date of assignments.

Tardies/Leaving School Early

- If your child is tardy (late for school), please walk in to sign in your student with the front office. Bring in any doctor's notes if possible.
- When possible, please notify the front office and classroom teacher if you will be picking up your child early. **NO STUDENTS WILL BE RELEASED WITHIN 15 MINUTES OF THE DISMISSAL BELL.**
- *Please bring in your Photo ID to pick up your child from school early.* Students will only be released to authorized parents/legal guardians according to Infinite Campus.
- If someone other than the parent/legal guardian registered on Infinite Campus will be picking up your child, the parent/legal guardian must call the office to verify who is picking up the student.

Registration/Withdrawal

- All students entering/returning to Spanish Springs ES (or any other school within the District), must have an updated, completed registration each school year. Registration information must be completed online through the Infinite Campus Parent Portal.
- Please contact the front office if you need help accessing your Infinite Campus Parent Portal, registering, or withdrawing your child.

Infinite Campus

- Infinite Campus is the Washoe County School District Student Information System. (<https://washoenv.infinitecampus.org/campus/portal/washoe.jsp>)
- Infinite Campus is accessible to staff and parents/guardians from any computer that has internet access as well as on any smart phone when you download the app.
- Kiosks are available at every school site for parent/guardian use.
- The Infinite Campus Parent Portal allows you communicate with the school, as well as follow your child's growth and progress throughout the school year. When you log in, you can see Progress and Product scores for academics, check for missing assignments, see Progress Scores for Student Learning Behavior (SLB), and send messages to the office and staff. By checking Infinite Campus often, you will be able to check in on the growth and progress your child is making each quarter and throughout the year.
- Infinite Campus is also used for registration each school year as well as student and family contact information. Please inform the front office of any changes or updates that need to be made, especially for contact/emergency phone numbers.
- Please contact the Spanish Springs front office at 775-425-7710 for help accessing Infinite Campus and the Parent Portal.

Field Trips/School Volunteers/Visitors

- WCSD Volunteer Services: <https://www.washoeschools.net/domain/91>
- All adults must fill out a volunteer application online with 3-6 weeks prior to all field trips and school volunteer work. This application must be filled out each school year. Applications can be found <https://www.washoeschools.net/domain/91>.
- The approval process can take up to 3 weeks, so it is recommended to fill out the application at the beginning of each school year.
- Chaperones should be riding the bus to and from the location to assist teachers with students. Students must travel by bus to the designated location.
- Chaperones need to pay for themselves to attend the field trip. Your student's teacher collects this money.
- All visitors **MUST** check in with the office and **MUST** present their photo ID.
- Once checked in, you will receive a visitor's badge that must be worn in a visible spot for the duration of your stay.
- All volunteers must agree to the SSES Voluntary policy, which includes shadowing/training with the principal, Mr. Kirk, and coordinating the available volunteering opportunities.

Family/School Communication

Spanish Springs tries to use a variety of ways in which to communicate information and updates school-wide. Below are the main ways in which you will see communication:

- **Class Dojo**
 - Spanish Springs ES uses Class Dojo school wide as our primary way of communicating events and activities to all students and families. It is recommended that all families have access to Class Dojo by downloading the app onto your smart phone and/or checking in often on www.classdojo.com.
 - Each Teacher will have a Classroom Dojo to post information and photos, as well as send messages through their messenger system.
 - The school has a School Story page that will be used to post information and set calendar invitations for important events and reminders.
 - Families can message classroom teachers as well as administrators through the Class Dojo messenger which works like sending a text message.
 - Classroom teachers will be sending home information for connecting to the classroom page. Contact your child's classroom teacher if you need help getting started.
 - **Please ensure your notifications are turned on so you are able to get the most up to date information for our school site.**
- **ConnectED**
 - ConnectED phone calls will be made a few times each month (sometimes weekly). These phone calls will give important reminders and updates as needed throughout the school year.
- **Emails**
 - Emails will also be sent each time a ConnectED phone call is made to ensure the information is getting to everyone.
 - Please do not "opt out" of these messages. If so, you will not receive updated information through phone calls or emails.
- **Paper Communication**
 - Please look for Classroom Newsletters, fliers, returned assignments/assessments, notes, and other paper communication in backpacks each week.
- **Report Cards/Progress Reports**
 - Report Cards (Progress Reports for Kindergarten) are issued at the end of each quarter (four times per year). The scores on the Report Cards will follow the scores recorded in Infinite Campus and are just another way for you to follow the academic growth and progress for your child.
 - Progress Reports may also come home as needed, but may not be needed for all students.
- **Conferences**
 - Parent/Guardian-Teacher Conferences will happen on October 24th and October 27th – 30th, 2025.
 - During these dates, students will be released at 1:10 pm. All families should attend these conferences to continue to follow the growth and progress of your child.
 - A conference can be scheduled at any point in the school year with your child's teacher. Please reach out and schedule as needed.

To preserve the sanctity of instruction, phone calls will not be put through to teachers' rooms during the instructional day. Any message for students taken by the office will not be delivered to the classroom until 15 minutes before the final bell. Please communicate with your student's teacher via ClassDojo and/or via email to relay any information about pick up at the end of the day.

Delayed Start/School Cancellation Procedures

- In the event of a delayed start or a school cancellation, the District will make the announcement through different modes of communication such as phone calls, local TV, and radio stations, the WCSD Facebook page, and the WCSD website (www.washoeschools.net). Spanish Springs ES will also post on the School Story Page of Class Dojo.
- In the event of a delayed start, school will begin at 11:15 am and end at 3:15 pm. If the delay is called on a Wednesday, early release will be canceled, and dismissal will be 3:15 pm.

Meals and Snacks

Lunch

- All students have the option of having a paid-for, “hot” lunch meal each day (including a delayed start).
- Lunch menus come out each month. You can also find lunch menus on the WCSD website, [Nutrition Services / School Menus \(washoeschools.net\)](https://www.washoeschools.net/nutrition-services/school-menus).
- Students may choose to bring lunch from home.
- To sign up, use [MySchoolBucks](#).

Snacks/Birthdays

- Due to food allergies, we do not permit outside food in our classrooms. If outside food is provided for events or celebrations, our staff will manage the distribution of food to students.

Before and After School Program – Right Club

We are proud to partner with **Right At School** to offer families a reliable, fun, and enriching before and after-school program called the **Right Club**.

Whether you're looking for academic support, social development, or just a safe and structured place for your child to be before and after school, the Right Club has you covered. Students will enjoy hands-on learning, team building, creative projects, and lots of fun—right on our campus!

Program Highlights:

- Open to all students at Spanish Springs Elementary
- Hosted on-site for your convenience
- Safe, supervised care before and after school
- Enrichment activities, academic support, and structured play

Enrollment Information:

Families must register online through www.rightatschool.com. Spots may be limited, so early registration is encouraged.

Special Offer:

Register by **July 31, 2025**, and use promo code **25SEPT25** to receive **25% off through September 30, 2025**.

Getting to and From School

Bus Transportation

- Transportation of Students: https://www.wcsdpolicy.net/pdf_files/administrative_regulations/7501_Reg-Transport_of_Students-v9.1_Final.pdf
- If students will be riding the bus to and from school, please ensure you have gone to the Transportation Department Page on the WCSD website to register your child for the bus. (<https://www.washoeschools.net/transportation>)
- Bus schedules can be found on the Transportation Department Page.
- **Students MUST have their bus ID daily.** If a student repeatedly loses their bus ID, he/she will need to purchase a new ID with Otter Shells.
- Students must be Respectful, Responsible, and Safe on the bus at all times. It is imperative that students follow bus expectations for the safety themselves and others.
- All students at Spanish Springs Elementary School are expected to comply with the bus expectations for transportation to and from school, as well as on field trips. If students are unable to comply with bus expectations, consequences will come based on the Progressive Discipline Plan and could result in suspension from bus transportation.
- Students need to be at their bus stop 5 minutes prior to pick up in the morning. Please note that in the afternoon transportation has a 15-minute window to deliver students back to their bus stops. If a student will be more than 30 minutes late, parents will receive a phone call from transportation.

Drop Off/Pick Up

- Spanish Springs Elementary works closely with and follows guidelines coming from the Transportation Department, as well as the School Police Department and Sparks Police Department to ensure the safety of all students. Our parking lot and drop-off/pick up locations have been created based on the guidelines from all departments.
- The school parking lot is for, staff parking and visitor parking only. ***The parking lot is NOT a drop off/pick up location.***
- Please do not use the Bus Zone to “quickly” drop off your student or turn around. Our buses have staggered arrival times.
- DO NOT park in RED Zones. Our buses need that space for pulling into and out of the Bus Zone.
- One way to drop off/pick up students would be through the drop-off area on the far north front side of the school. Pull in all the way forward and students may quickly exit the vehicle, ensuring that they stay near the school and do not cross in front of other vehicles for safety. You may then continue around the drop off to exit safely back onto Marilyn Mae Dr.
- A second option is to park in the surrounding neighborhood area and walk your child to the playground gates for either 1st-5th grade or Prek-K. Students only may enter through the gate.
- Please remember to obey all traffic laws and the traffic patterns that have been put into place at Spanish Springs and around the community. The area in front of the school is a No U Turn area. Avoid any distractions while driving and remind your child to do the same when walking to and from school. Please stop and yield to pedestrians using the crosswalks and remember to follow the 15 MPH school zone both before and after school.
- If you need a handicap space in the front of the school, you may park in a handicap spot (with proper signage) in staff parking area, to drop off/pick up from the front office. Otherwise, students need to be dropped off/picked up in appropriate locations.
- If you are dropping off late or picking up early, you will need to park and enter the front office to check in/out. Please remember to bring your ID if you are picking up early.
- **We are a CLOSED CAMPUS.** Family will not be able to enter/exit through gates. If you are volunteering, you are welcome to come onto school campus through the front office. Please bring your ID for check-in. https://www.wcsdpolicy.net/pdf_files/administrative_regulations/1506-Reg-Visitors-v3.pdf
- Spanish Springs takes the safety of our students very seriously. Please help by following the safety guidelines put into place for the school.

Walking/Biking/Skating/Etc.

- Students walking to and from school need to enter in through the bike rack gate on Sky Ranch.
- Bikes, scooters, skateboards, etc. are not to be ridden on school grounds, please use sidewalks only.
- Bikes and scooters can be locked up at the racks on the playground. Locks are not provided by the school, so students will need to have their own.
- Skateboards can be carried into class and placed in a designated spot in the classroom.
- Wheelie shoes are not permitted on campus and need to stay at home.
- The school is not responsible for any loss, damage, or theft.

Emergency Procedures

Emergency Information

- For the safety of your child due to illness or accident, it is imperative that the school have your current telephone numbers for work and home. PLEASE CONTACT THE SCHOOL IMMEDIATELY SHOULD A CHANGE OCCUR.
- District policy states that those listed on emergency form cannot initiate the pick-up of your student unless parents/guardians have notified the office or classroom teacher in writing. Please inform those authorized to pick up your child, ID will be required to remove your child during school hours.
- In an emergency where students are evacuated to an off-campus site, District policy states that ONLY THE LEGAL PARENT or GUARDIAN with ID may pick up a student, regardless of what the sign-out sheet for everyday use states.
- IMPORTANT: During an evacuation or drill, at any level, no child may be signed out or taken from a teacher throughout the entire emergency procedure.

Emergency Evacuation/Shelter in Place Procedures

- The district has emergency procedures in place for staff and students which are practiced school-wide on a regular basis. There will be one drill per month including fire drills and lockdown codes per school year, and per state procedures, even in the cold weather. The best thing that can be done in an emergency is to have a plan and the knowledge that comes from practicing it before it may be needed in a true emergency.
- In the event of a true emergency, decisions will be made by the administration with the collaboration of the WCSD emergency support team and the Superintendent's office.
- In the event there is the need to board buses to transport the students to another site away from Spanish Springs, buses would transport all to a safe location and notifications would be sent out to all families by the district. This type of evacuation would be done with the support of the WCSD School Police and the Superintendent's office. Communication will come from the Connect ED phone call system and the local media will be making announcements as to the specifics of where you should come to pick up your child/children. Please be assured that staff will stay with your child until a parent or legal guardian can come to get him/her.
- In the event of an emergency, YOU MUST SHOW PROOF OF ID to be reunited with your child.
- Once the WCSD and Spanish Springs administration has put into play the plan for an evacuation, whether it is to the playground or to an off-site location (another school, etc.), parents/ guardians will need to go directly to the meeting spot in order to sign out their child. That may be the school office once the evacuation is over, or to an off-site location where students have been transported in the school community.
- Patience, cooperation, and support during emergency situations will help ensure plans can be put into place effectively. Please follow all school procedures and administration/staff's directions. These steps are part of the school safety plan that works within a system of emergency support from the WCSD School Police, the Reno Police Department, and the Superintendent's office.
- During a Shelter in Place Plan, everyone in the school building will stay inside. NO ONE will be allowed in or out of the school building for any reason. (During a practice drill of this nature we will put signs on the front doors of the school asking you to please remain outside until drill is complete.)
- Shelter in Place/Code Yellow: (danger MAY BE outside/on campus) All students/ staff/ volunteers/ visitors must stay in the school building and should get into a classroom/room nearby or return to the building from the school grounds. Students should stay with the adult they are with when the code yellow announcement is made or return immediately to their teacher if in the hallway or bathroom. Everyone should stay out of the hallways, off the phones, and off of email. Instruction should continue. Everyone should stay put and ignore the bell schedule until all have been cleared by the administration through an all-clear announcement or face-to-face visit by the administration or school police.
- Lockdown/Code Red: (Immediate Danger is outside/on campus) All students/ staff/ volunteers/ visitors must stay in the school building or return to the building from the school grounds. Everyone should stay in a classroom/room nearby when a code red announcement is made. Adults should not open the door to anyone. If teachers see a student in the hallway when the code red is called, have that student join the class as the door closes and is secured. Adults and students should get into the open room that is closest to them. All adults and students should close window shades, move away from windows and sit down on the floor together to wait for further instructions/announcements. Everyone should stay put and ignore the bell schedule until the locked space is opened by WCSD Police.
- Code Blue: (A student/adult has been injured or needs immediate medical attention and a clear path is needed to address his/her needs.) All students/ staff/ volunteers/ visitors must stay in the school building or return to the building from the school grounds. All students and staff should stay in the room they are in and continue with the instruction. No one is to enter the hallway or change rooms. Please ignore the bell schedule until everything has been cleared by the administration through an all-clear announcement, or face-to-face visit by the administration.
