EARLY LITERACY

Goal: The percentage of 1st graders who are proficient in literacy based on iReady results will increase from 48% in June 2024 to 80% June 2030.

STATUS: Off Track On Track

Must grow by 5.3% each year to be on-track.

Superintendent’s Response: Early Literacy Goal (iReady Proficiency)

Root Cause	Response/Rationale	Action Steps
On Track: 62% + proficiency (18 Schools)		
Students are actively engaged in grade level learning experiences complemented by strategic use of supplemental resources to target foundational skills based on individual assessed need.	• Implementation of professional learning and strategic use of site resources to ensure application and monitoring with fidelity. • Purposeful and targeted planning and analysis of student data to ensure Kindergarten and 1st grade vertical alignment and responsive instruction.	• Site leaders share best practices with colleagues by October 10th.
Approaching: 44% - 61% proficiency (32 Schools)		
Students are engaged in practicing foundational skills in isolation with fewer opportunities to apply skills in the context of independent reading.	• Instruction does not emphasize the most critical components in foundational reading skills. • Literacy lessons emphasize skills in isolation with limited application to reading.	• Curriculum, Instruction and Professional Learning (CIPL) reviews revised curriculum documents by September 30th. • Site leader and academic coach audit 1st grade literacy instructional blocks to ensure student application of skills by October 10th. • Expanded learning coordinators create opportunities to maximize and monitor learning beyond the school day by October 10th.

**INITIAL PROPOSAL OF THE
FRESNO UNIFIED SCHOOL DISTRICT TO
FTA Trades
REOPENER CONTRACT PROPOSAL (JULY 1, 2025 – JUNE 30, 2026)**

The District's Initial Proposal to the FTA Trades is based on the following Guiding Principle and Supporting Goals and Priorities. By continuing to adhere to this Principle and these Goals, the District reiterates its investment in the students we serve. All subsequent District proposals, as well as Association proposals, will be assessed by the District according to whether they further the accomplishment of these criteria.

The District enters into these negotiations mindful of its Guiding Principle:

Guiding Principle: Accelerating Learning for All Students In Order to meet FUSD board adopted Goals and Guardrails.

In order to promote and secure the preservation and future of Fresno Unified School District as a viable, locally governed academic institution that exists to serve children, District resources, energy and effort must be dedicated to the overriding goal of accelerating learning for all students in order to have career ready graduates.

The District's proposals are based on substance, need and the following Overarching Priorities that represent the core beliefs of the Board and District:

Supporting Goals and Priorities

1. Fiscal Health and Budget Certainty: The concerted effort to accelerate student learning cannot be diluted, and the focused efforts of all District personnel in this enterprise cannot be distracted or derailed by the uncertainty inherent in the state's funding of public education. The District's commitment to sustaining its fiscal solvency despite historic instability in the economy at the state and local levels requires that we continue to build and maintain healthy reserves.
2. Build Educational Programs: The Governing Board must have the discretion and ability to build educational programs that accelerate learning and guarantee student achievement. The building of educational programs must occur not only to meet the expectations of the District community, but also to forestall the increasing scrutiny of state and federal agencies that are questioning the ability of the District to remain self-governed due to poor student achievement.
3. Identify Appropriate Revenues Available for Adjustments to Employee Compensation: Student learning cannot be accelerated, and students cannot achieve academic success without the efforts of skilled educators and staff who are dedicated to this effort. In order to attract and retain the most qualified and committed individuals to fill these roles, the District will seek to make an appropriate and "equitable allocation" of increased District revenue for employee compensation. In order to be "equitable and appropriate," the level of such allocation must support all of the Goals and Priorities set forth above.

Consideration of and responses to Association proposals will be guided by the District's Guiding Principle, Supporting Goals and Priorities. The District looks forward to collaborative, objective and reality-based negotiations with SEIU, as we prepare to meet the significant challenges facing all stakeholders of the District community.

With these goals, priorities and economic interests in mind, the District proposes as follows:

District Initial Proposal:

Article 14 to revise language consistent with changes in the law.

Article 22 to modify language regarding transfers.

Article 23 to modify language regarding the impacts of a suspended bus driver license.

Address District interests and respond to FTA Trades interests in longevity as requested to be negotiated by FTA Trades.

The District is interested in:

- Recognizing and rewarding the continuing efforts of dedicated District staff – both classified and certificated employees - that make it possible for the District to deliver quality education services for students.

The Governing Board and District administration are committed to achieving the goals and priorities set forth in this Initial Proposal. There is only one goal all must strive to achieve:

Accelerating learning for all students in order to prepare career ready graduates. Failure to achieve this goal is not an option.

TITLE AND SUBJECT: Discuss and Approve Proposition 28 Annual Report

ITEM DESCRIPTION: Included in the Board material is information regarding the Proposition 28 Arts and Music in Schools Funding Guarantee and Accountability Act Annual Report. Education Code (EC Section 8820[g][4]) requires a Proposition 28 Annual Report to be Board approved and posted on the Local Education Agency and California Department of Education web pages.

Fresno Unified School District received \$12,172,559 in Proposition 28 funds for the 2024/25 school year. The law requires that at least 80% of the funds be spent on certificated or classified employees who teach during the school day. The remaining 20% may be used for materials, supplies, professional learning, vendors, etc. There is a waiver process in cases where districts are not able to hire enough personnel to fulfill the 80% allocation.

Fresno Unified School District added 33.8 full-time equivalent (FTE) during the 2024/25 school year, which resulted in an estimated \$4,160,718 cost for the certificated employees paid out of Proposition 28 funds. For the 2025/26 school year, Fresno Unified School District has hired 25.2 FTE, which will result in an estimated \$2,832,000 cost for these additional employees, making the staffing total \$6,992,718. Each site has a site plan included in its School Plan for Student Achievement document that outlines its plan for how to spend its site allocation.

FINANCIAL SUMMARY: Sufficient funds in the amount of \$12,172,000 are available in the Proposition 28 budget.

BOARD MEETING DATE: August 27, 2025

ACTION REQUESTED: ADOPT

TITLE AND SUBJECT: Adopt Resolution 26-02, Vehicle Procurement Delegation

ITEM DESCRIPTION: Included in the Board material and recommended for adoption is Resolution 26-02, Vehicle Procurement Delegation to approve the procurement of specialty vehicles required for various operational and student transportation uses. The district has sought to procure specialty vehicles in a manner required by Public Contract Code Section 20111(a) but has been unsuccessful due to the limited number of vendors and the scarcity of such items, as well as the very high demand in the general market for the vehicles arising, in part, from the pandemic including chip shortages.

While the district's procurement of supplies and equipment is normally subject to requirements for competitive bidding, as set forth in Public Contract Code Section 20111 *et seq.*, the California Court of Appeal in *Graydon v. Pasadena Redevelopment Agency*, (1980) 104 Cal. App. 3d 631, determined that there are well-recognized exceptions to requirements for competitive bidding, including when competitive proposals would be unavailing or would not produce an advantage, or where there is no likelihood of acquiring required items through competitive bidding (*Id.* at 635-637). The district has determined that vehicles may be obtained in a timely manner and at a reasonable price directly from dealerships or manufacturers.

The district recommends approval of the delegation of authority to purchase specialty vehicles as it represents the best interest of the district by obtaining vehicles in a timely manner to fulfill operational needs and requirements.

FINANCIAL SUMMARY: Adoption of the resolution has no direct fiscal impact.

RESOLUTION NO. 26-02

RESOLUTION OF THE BOARD OF EDUCATION OF THE FRESNO UNIFIED SCHOOL DISTRICT APPROVING PROCUREMENT OF CERTAIN MOTOR VEHICLES AND DELEGATION OF AUTHORITY TO TAKE RELATED ACTIONS

WHEREAS, the Fresno Unified School District (“District”) requires the procurement of certain specialty motor vehicles, and incorporated here by this reference (collectively referred to herein as “Specialty Vehicles”), required for various operational and student transportation uses; and

WHEREAS, the District has sought to procure Specialty Vehicles in a manner required by Public Contract Code Section 20111(a), but has been unsuccessful due to the limited number of vendors and the scarcity of such items, as well as the very high demand in the general market for the subject Specialty Vehicles arising, in part, from the pandemic; and

WHEREAS, while the District’s procurement of supplies and equipment is normally subject to requirements for competitive bidding, as set forth in Public Contract Code Section 20111 *et seq.*, the California Court of Appeal in *Graydon v. Pasadena Redevelopment Agency*, (1980) 104 Cal. App. 3d 631, determined that there are well-recognized exceptions to requirements for competitive bidding, including when competitive proposals would be unavailing or would not produce an advantage, or where there is no likelihood of acquiring required items through competitive bidding (*Id.* at 635-637); and

WHEREAS, the District has not been successful in its efforts to acquire Specialized Vehicles, and thus recommends that the Board find that the acquisition of such items using a competitive bidding process is impractical and unavailing; and

WHEREAS, further, normal procurement efforts have failed to produce and advantage for the District in acquiring the needed Specialized Vehicles and it is largely futile for the District in this instance to obtain such items through competitive bidding; and

WHEREAS, the District has determined that some or all of the Vehicles may be obtained timely and at a reasonable price directly from dealerships or manufacturers; and

WHEREAS, further, it would work an incongruity and not produce any advantage to the District to continue to repeatedly attempt procurement of Specialty Vehicles without success, which in turn would result in failures of District operations and implementation of educational programming associated with such equipment potentially resulting in legal ramifications.

NOW, THEREFORE, the District Board of Trustees (“Board”) hereby determines, resolves, and orders as follows:

Section 1. The foregoing recitals are true and correct and are adopted as findings of the Board.

Section 2. Based on the District’s attempts to procure Specialty Vehicles through competitive bidding, it is not possible or practical to obtain such items while still observing the

requirements of competitive bidding; thus, the acquisition of and delivery of such items in these circumstances is exempt from requirements for competitive bidding consistent with the Court of Appeal's decision in *Graydon v. Pasadena Redevelopment Agency*.

Section 3. The Board hereby approves the purchase of Specialty Vehicles, and delegates authority to Ann Loorz to take such action as may be necessary to secure proposed purchase orders, in a collective amount, plus any fees, applicable sales tax and freight, and execute contracts consistent with the direction of the Board contained herein.

Section 4. The Board hereby authorizes the Superintendent and/or his designee to take any and all such actions necessary to effectuate the purpose of this Resolution and secure the acquisition of Specialty Vehicles.

Section 5. This Resolution shall take effect immediately upon approval and adoption by the Board and shall be operative through June 30, 2026, when the administration will report to the Board the then-current status of the market for Specialty Vehicles.

The foregoing Resolution was adopted at a meeting of the Board of Education of the Fresno Unified School District this 27th day of August 2025, by the following vote:

Board Agenda Item

BOARD MEETING DATE: August 27, 2025

ACTION REQUESTED: APPROVE

TITLE AND SUBJECT: Approve Use of Individual Piggyback Contracts

ITEM DESCRIPTION: Included in the Board material and recommended for approval is a list of seven piggyback contracts for use during 2025/26 for efficient and cost-effective procurement. This is in addition to the piggyback contracts approved by the Board previously, to allow for expedited purchases related to janitorial supplies, software, tires, disposable nutrition products, and refrigeration parts.

Use of piggyback contracts is allowed under Public Contract Codes 10299 and 20118 and is a procurement best practice that takes advantage of competitive pricing from a contract formally bid by another school district or public agency. The district has determined that when appropriate, use of piggyback contracts is advantageous and in the best interest of the district to reduce administrative time and expense, provide favorable pricing and/or provide options and flexibility. Approval does not commit the district to purchases or require that any specific contract be utilized. Use of piggybacks allows the district to expedite supplies/materials to meet specific needs quickly or to utilize a different contract if a vendor from an existing contract cannot provide services in a timely manner. All purchases associated with piggyback contracts are presented to the Board for ratification on monthly purchase order reports.

FINANCIAL SUMMARY: Estimated annual expenditures for each piggyback contract (if utilized) are indicated on the backup material; funding will be determined on a project-by-project basis.

Funding must be used to support the planning and implementation of the professional learning and coaching cohort, which may include professional learning and coaching sessions, stipends for educators, resources, and materials for educators, and family and community engagement resources and materials. Further, the following Assurances and Certifications are requirements as a condition of receiving funds; your agency does not need to sign and return the general assurances and certification; instead download from the CDE Funding Forms web page at: <https://www.cde.ca.gov/fq/fo/fm/index.asp> and keep them on file to be available for compliance reviews, complaint investigations, or audits. The CDE retains the rights for no-cost use, replication, and distribution of any and all materials, designs, or programs developed through the use of these funds. It is the responsibility of contracted parties to remain informed of and comply with any future changes to applicable guidance, policies, or regulations. BOARD MEETING DATE: AUGUST 27, 2025

ACTION REQUESTED: RATIFY

TITLE AND SUBJECT: Ratify Purchase Orders from April 01, 2025, through April 30, 2025–
Supplemental Report

ITEM DESCRIPTION: Included in the Board material is information on purchase orders issued from April 01, 2025, through April 30, 2025. Purchase orders for \$10,000 or more are presented first, followed by purchase orders for less than \$10,000.

Board Agenda Item

BOARD MEETING DATE: AUGUST 27, 2025

ACTION REQUESTED: RATIFY

TITLE AND SUBJECT: Ratify Purchase Orders from May 01, 2025, through May 31, 2025 – Primary Report

ITEM DESCRIPTION: Included in the Board material is information on purchase orders issued from May 01, 2025, through May 31, 2025 – Primary Report. Purchase orders for \$10,000 or more are presented first, followed by purchase orders for less than \$10,000. A list of purchase orders issued for Associated Student Body (ASB) accounts is also provided.

Two agenda items are presented to ratify purchase orders. The first item includes the Primary Report with all purchase orders issued during the reported dates with the exception of those that may present a potential conflict of interest for an individual Board member. All remaining purchase orders are in the Supplemental Report and presented as a second agenda item.

By segregating purchase orders in this manner, Board members with potential conflicts of interest can abstain from taking action on the Supplemental Report while still voting along with the rest of the Board on the Primary Report.

Please be advised that pursuant to Board Bylaw 9270, each individual Board member has a continuing duty to disclose and abstain from voting on any item where the potential for a conflict of interest exists.

FINANCIAL SUMMARY: Funding is noted in the support material.

ACTION REQUESTED: RATIFY

TITLE AND SUBJECT: Ratify Purchase Orders from May 01, 2025, through May 31, 2025 – Supplemental Report

ITEM DESCRIPTION: Included in the Board material is information on purchase orders issued from May 01, 2025, through May 31, 2025 – Supplemental Report. Purchase orders for \$10,000 or more are presented first, followed by purchase orders for less than \$10,000.
