SILVERLAKE ELEMENTARY PTO

We are excited to welcome lunch visitors beginning Tuesday, September 2nd!

Please read the information below regarding our Silverlake plan for lunch visitors.

- **Lunch visitors will eat with their child in our small cafe, which is closed off from the rest of the cafeteria.**
- **All visitors will check in at the front reception desk with a photo ID.**
- **The check-in process will be a little slow at first, so we suggest that you arrive early to ensure that you are ready at your child's lunch time.**
- **Once you have been checked in, we ask that you wait in the front foyer area for your child's class to pass by on their way to the cafeteria.**
- **When your child's class arrives, you will walk with them until you reach the doors for the small cafe, where you will enter to enjoy lunch together.**
- **Visitors are welcome to bring in lunch for themselves and their Silverlake Star.**
- **If the student needs to buy their lunch from the cafeteria, they will get their lunch from the cafeteria line and meet their lunch guest in the small cafe.**
- **When lunch is over, your child's teacher will stop by the small cafe to signal that it is time to say your goodbyes. At that time, your child will join their class line and you will make your way to the front desk to check out.**

Lunch Visitor Reminders:

- **We ask that lunch visitors refrain from taking additional students to the small cafe.**
- **We also ask that lunch visitors refrain from buying/giving food to a student that is not your child for safety reasons and that you refrain from taking photos or videos of students that are not your child.**
- **Please say your goodbyes in the small cafe at the end of your child's lunch time. Visitors should not walk back to the classroom with the class but should report directly to the front office to check out.**

RESPECT

Family Newsletter

PurposeFULL

Respect Overview

This month's focus is Respect. One way to think about Respect is "seeing value in all people and things & treating them with care." Many people feel Respected in different ways. We hope this month inspires discussions with your family about what Respect means to you and how you can practice it together!

Respect is 1 of 3 traits we will focus on throughout the year that helps students **Be Kind**. Across grade levels, students will be developing skills like perspective-taking, conflict resolution, and leadership.

Conversation Starters

- Can you share or show what Respect means?
- What is 1 way you have practiced Respect lately?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Respect. Here are 2 "PurposeFull Pursuits" you can complete together!

#1

A fun way to remind students to show Respect to others is to create a non-verbal cue. As a family, come up with a non-verbal way to cue your student to remember to show Respect to others. An example of this would be anytime you raise the "Respect Rooster" on your hand by closing the middle 2 fingers and bringing your pointer finger and pinky finger up, your student would be reminded to practice living out Respect.

#2

Review Respect as a family! In our lessons we are teaching that Respect means to see value in people and things and treat them with care. Agree as a family to set aside a certain time each day this week to unplug from devices and plug into family time. It shows Respect to practice being present in the moment without the distractions that can come from technology. Debrief and discuss this challenge afterward. Consider to embracing this practice at least 1 day each week!
