PUBLIC NOTICE

-This notice serves as the District's annual technology privacy notice consistent with Ohio Revised Code Sections 3319.325 - .327.-

Please be aware that the District, either directly or through a technology provider, is electing to generally monitor all school-issued devices (as that term is defined by R.C. 3319.325). The monitoring will include the following features: student interactions with school-issued devices (e.g., keystrokes and web-browsing activity). The District generally monitors these features for the noncommercial education purpose of instruction, technical support, exam proctoring, and/or as required by the Children's Internet Protection Act (CIPA) enacted by the US Congress in 2000. Additionally, these features are generally monitored as a necessary precaution for preventing and/or responding to threats to life or safety.

Please note that the District has NOT implemented any new or changed monitoring services. This notice is a new requirement per Ohio Senate Bill 29 ("SB29") that was passed by the Ohio General Assembly at the end of June 2024, was signed by Governor DeWine on July 24, 2024, and becomes effective on October 24, 2024.
