WE CREATED THIS YEARBOOK FOR YOU!
Our staff tried to make sure that we have created an inclusive yearbook with as few mistakes as possible. If you have any concerns about the book or recommendations for next year, please put them in writing, suggest a way to solve the problem, and bring them to the yearbook room. Please remember this yearbook is created by students for students. We try to make it great, but it is not a professional publication. Although we have made every attempt to make this an accurate account of the year, some errors are bound to occur. It is our hope that, as a student, you will share with staff members what you like about the book.
Sincerely,
Mrs. Fryman and the 2025 Yearbook Staff

North From a New Angle
A Magazine Type Feel

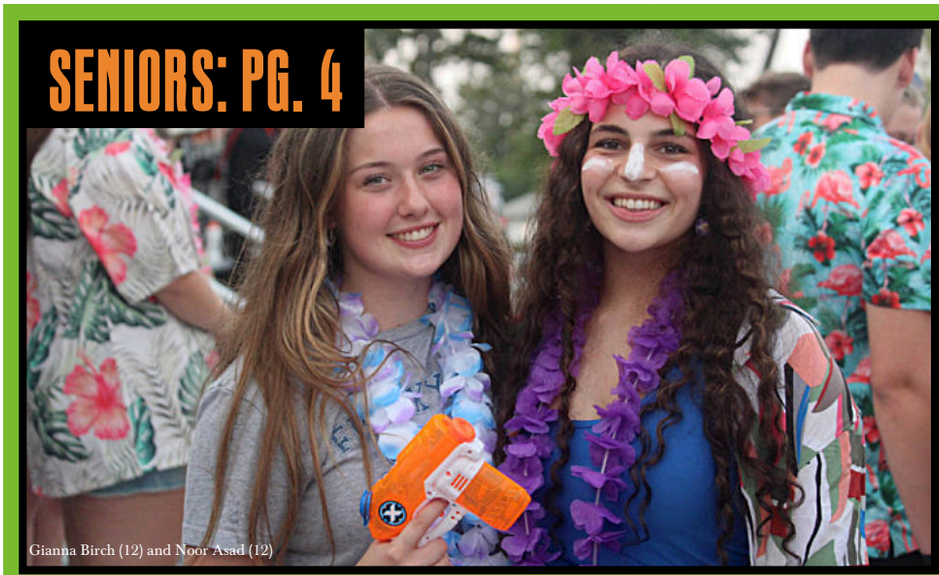

This year the yearbook staff chose a magazine theme with the phrase "North from a New Angle" to add multiple perspectives of the student body and give the yearbook a more personal vibe. There are several interactive modules throughout the book like you would see in a typical magazine. The reason behind this idea stemmed from this year's focus on improving the professionalism of the school environment by incorporating the no phone policy, attendance matters, smart passes, Flex classes, as well as many other changes that occurred this year.

Editor's Note

Dear Rangers,

As we open this yearbook and turn its pages, we are invited to revisit the moments that defined this extraordinary school year. What a year it has been! From Homecoming, Spirit Week, Giving Week, and all the accompanying grilled cheese, dodgeball, and powder puff games there was so much fun had by all!

This year has been filled with milestones and moments that we'll treasure forever. Whether it was cheering each other on during sporting events, collaborating on projects, or simply spending time with friends during lunch, these snapshots of our high school experience are more than just pictures. They are reminders of the friendships we've built, the challenges we've overcome, and the joy we've shared.

As you flip through these pages, let them take you back to the stories behind each image: the inside jokes, the late-night study sessions, the celebrations, and even the quiet, everyday moments that made this year special. These memories are pieces of who we are today and will shape who we'll become tomorrow.

Years from now, this yearbook will be a time capsule, preserving not just the events of this year but the emotions and connections that made it so meaningful. It will remind us of the people who walked this journey with us and the bond we'll always share as part of this school community.

Thank you to everyone who contributed to making this year—and this yearbook—so unforgettable. Here's to the memories we've made and the bright futures ahead.

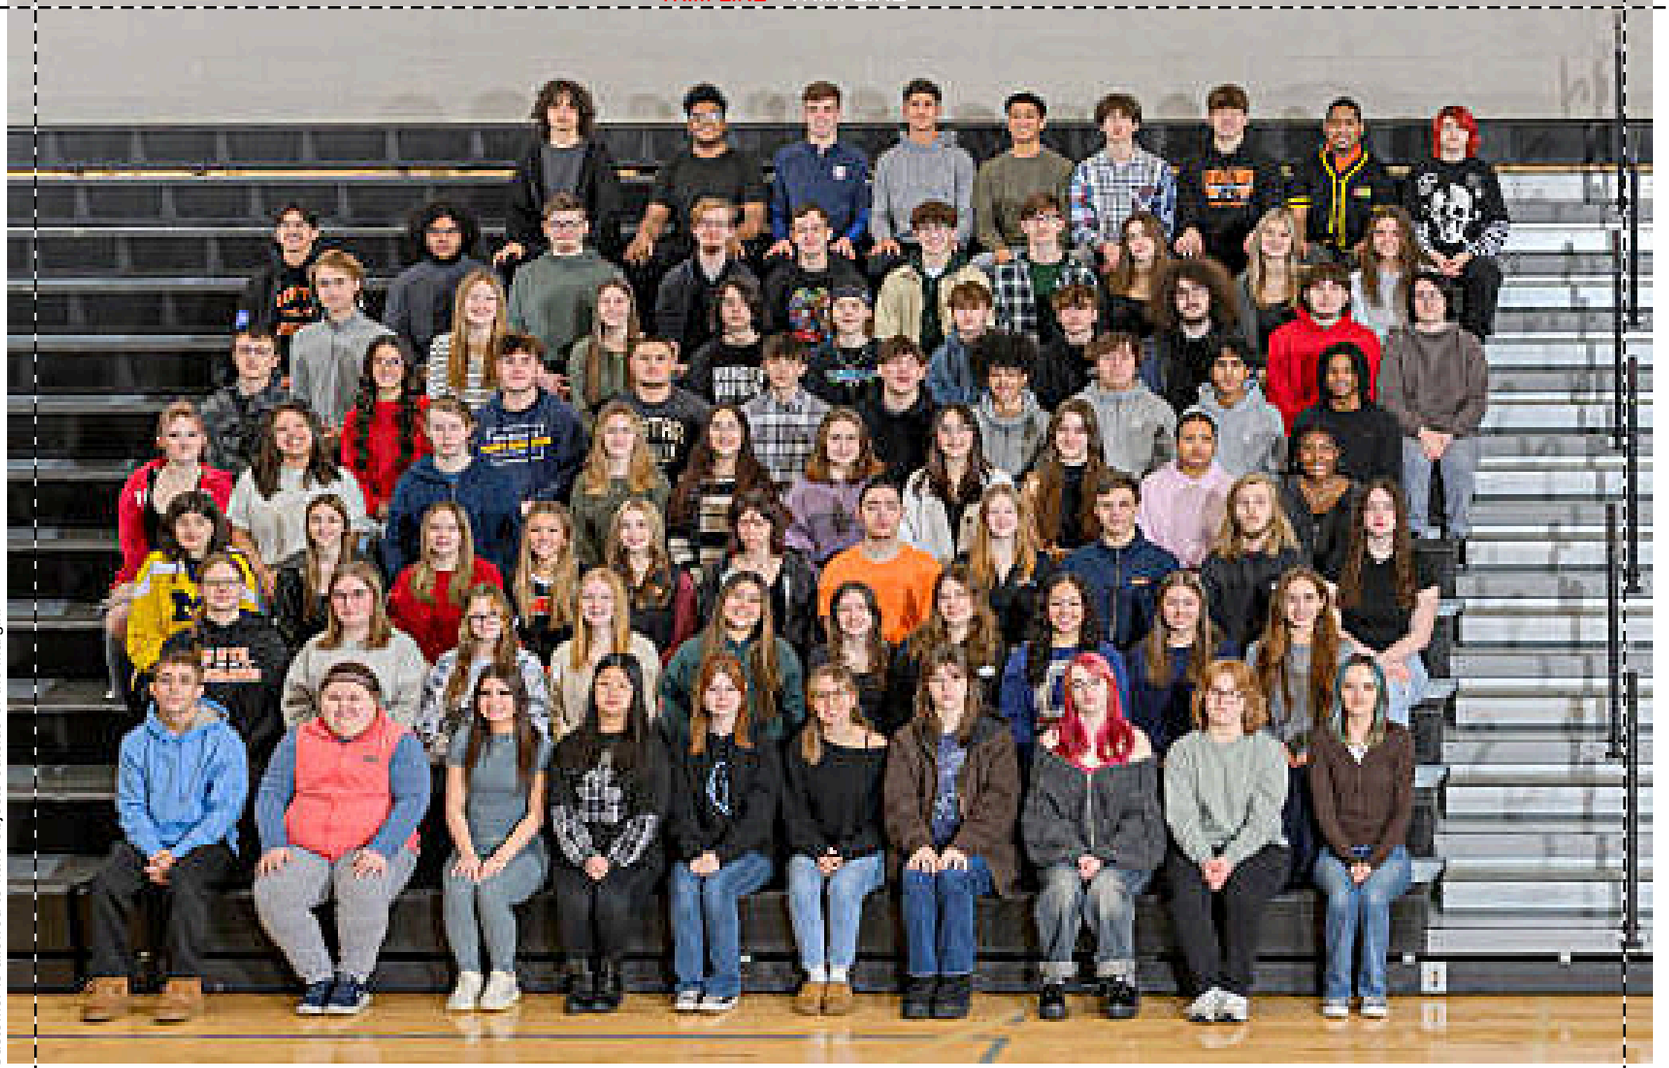

With gratitude and pride,

Mr. Frei

Kailey White

Kailey White shared a heartfelt and relatable response when asked about graduation, saying, “I’m scared, but excited. High school has been my main routine for four years. It’ll feel different, but I’m excited because I’ll be free.” She plans to pursue a career in nursing and earn her BSN, speaking about it with clear passion and excitement. When asked where she sees herself in six years, White said she hopes to be working as a nurse and buying a house with her high school sweetheart. With a strong sense of purpose and enthusiasm, White is confidently stepping toward her future with confidence and determination.

James Palladino 17

With a clear focus on building a successful future, James Palladino has set his career goal on securing an internship in welding–an opportunity he believes will help him gain valuable hands-on experience in the trade. Currently, he is already gaining practical skills by working at his father’s machine shop, where he is learning the fundamentals of the industry in a real-world setting. Looking ahead to the summer, Palladino's plans revolve around continuing to work and taking meaningful steps toward advancing his career. Outside of work, he enjoys unwinding with a good show and recommend Trailer Park Boys on Netflix for its humor and entertainment.

Alexa Nugent

Alexa Nugent shared that her plans for the summer are to relax and take it easy, embracing a well-deserved break. Reflecting on her spring break, she mentioned, “I went to Lakeland and continued to go to school during spring break,” showing her dedication even during time off. When asked how she manages the stress of school, she responded with a bit of humor, saying she “pretend[s] it doesn’t exist,” offering a lighthearted take on coping with academic pressure.

John Lynch Jr

John Lynch Jr. shares that for spring break he spent his time with friends by a nice bonfire at the beach. His summer plans include hanging out with friends and continuing to play golf. When asked about what he would say to incoming freshmen, Lynch replied, "You have more power then you think you do."

Gavin Segeleon

Gavin Segeleon is looking forward to his senior year, especially the opportunity to take classes at Lakeland, which he says he's genuinely excited about. When asked about the highlight of his high school experience, he confidently named graduation as the moment he's most looking forward to. As for advice to incoming freshmen, Segeleon couldn't resist adding a bit of school pride, saying, "I'd say we are better than South!"

Marley Meredith

Marley Meredith had a good break and she didn't want it to end. Meredith watched the entire season of *Squid Games*, and got really sick on Christmas. She also went to a lot of food places, including Mochinut and Dave's Hot Chicken. Her first day back was good, but she misses her gym class. Meredith's New Year resolution was to keep being a good person and to keep up with school because she plans on doing Excel Tecc next year.

Jayden Harsh

Jayden Harsh had a positive and enthusiastic demeanor, when describing her winter break. She states, "My winter break was really good and relaxing." She went on to say that she had spent her winter break with her family and friends. When asked about her plans for the third quarter she answered with, "My plans for the third quarter is to improve my grades and attendance" to which she put an emphasis on attendance. She also had a very positive attitude when asked about her first day back from break explaing "The first day back was really good." Overall this student appears refreshed and motivated for the upcoming term.

Aurea Angel

Over winter break, Aurea Angel went to the Cleveland Metro Parks Zoo with her boyfriend, Mark, to see the holiday lights. The whole zoo was covered in bright, colorful lights that made everything look magical. They walked around, looking at all the glowing decorations and enjoying the festive atmosphere. Angel said, "It was a fun and special night that I will always remember."

Alyce Kanuch

Alyce Kanuch is going to National Youth Leadership Training over the summer. She will be running the scribes and ceremonies division of the event, ensuring that newsletters and staff posters get produced in a timely manner. Later that summer, she is going to Florida Sea Base where her and her troop members will go snorkeling and other fun activities.

Jensen Toppings

Jensen Toppings is grateful to be at North High School because she has met a lot of her friends here at North. One of Toppings' best friends also attends North. Her opinion on Valentine's Day is that it can be a nice holiday when you're in a relationship, but also when you have the right kind of friends. Toppings' best friend had asked her to be her valentine this year.

Alexa Ferrari

This summer, Alexa Ferrari is looking forward to an exciting trip to Black Rock with her mother and three younger siblings–a special experience she's eagerly anticipating. Recently, she enjoyed a fun outing to the ice rink in celebration of one of her sibling's birthdays. Looking to the future, Ferrari is exploring a career in welding and plans to make the most of the TECC welding program she was recently accepted into, taking her first steps toward a hands-on, skilled profession.

Seamus Herbert

During spring break, Seamus Herbert enjoyed a fun and relaxing week. He spent most of his time playing his favorite video games, challenging his friends online, and exploring new games. When he wasn't gaming, Herbert was out and about, hanging out with friends at the park, riding bikes, and grabbing snacks from his favorite corner store.

Alyssa Foskey

Alyssa Foskey, a sophomore, enjoys taking French and names Madame Forsell-Fill as her favorite teacher, noting her interest in French culture as a whole. Over spring break, she spent time outdoors visiting parks, which she finds refreshing and enjoyable. Now that she's back for the fourth quarter, Alyssa is focused on staying on top of her assignments and maintaining her streak of straight A's.

Reese Morell (9)

Reese Morell is a freshman who enjoys playing Dress To Impress in their free time. When asked about any summer vacation plans, Morell said that their Mom and her coworkers will visit the Bahamas and try to open a nail salon on the tropical island. Right now, Valentine's Day is just around the corner and Morell is looking forward to the tradition where they and their sister receive holiday candy from their parents. A goal they have set for the future is to prepare to get a driver's license. Morell is ecstatic about obtaining a license so they can drive around with friends or even take a shopping trip to the mall.

Hannah Matty

Hannah Matty's goals for the new semester are to achieve their dreams and work hard on assignments. Some things that Matty would do differently from last year is to study more and focus on one thing at a time. Overall, Matty had a fun break spending time with family, especially their sister who came home from college. They are not a huge fan of the winter season, as Matty would rather spend time drinking hot chocolate in their room. They share that they are more of an autumn person because it's not too hot or cold. Now that they've got one semester under their belt, confidence is a word they'd use to describe their attitude for the new year.

25 Angles of Us

Whats one thing you'd tell your younger self?

"Don't listen to other people, follow what you want to do, and don't try to mold yourself into somebody else's image just to make them happy because who's going to make YOU happy?"
- Addison Jones (10)

Who is your favorite teacher in the school?

"It would have to be Mr. Powaski because he has written me passes so I'm not late to classes, and he's just overall a laid back person."
- Brooklynn Burnside (10)

What are your two massive pet peeves?

Ian Russo (11) said that his two pet peeves are when people take their "sweet time" in the hallways during passing periods, and he doesn't like people with poor hygiene.

Who is the best teacher to joke around with?

"Mr. Wheaton because he's really fun and really silly. I love his class and I love science!"
- Tayja Grimes (9)

What's one fashion trend you want to come back?

Ellyse Maiden (11) wants Juicy Couture to come back into fashion. She said "I think it makes everybody look good."

Best classical movie?

"*Coco* because it's like Halloween, but for day of the dead celebration!"
- Autumn Allen (9)

Favorite Food?

"Canes Texas Toast. I like the toasted butter, and I love dipping Cane's Sauce in the toast as well."
- Raven Yerich (9)

Whats your biggest fear?

"My two biggest fears are snakes and spiders because I don't like stuff with too many legs, and they bite you and everything."
- Cyncere Shepherd (9)

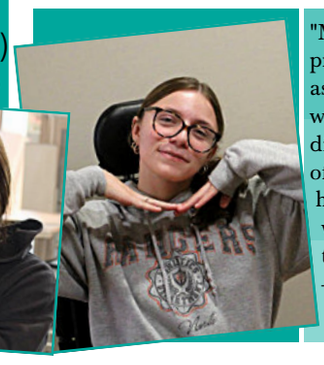

Do you think aliens are real?

"No, it's weird to think about other living beings on other planets. I just don't understand how it could happen."
- Joseph Binkofsky (9)

What was your biggest regret last year?

"My biggest regret last year was probably not being as productive as the year went on. By April, I was so done with school and didn't think I would miss some of the classes. Now I think about how they were really fun, and I wish I was more present in the moment."
- Elizabeth Beemiller (10)

What animal represents you?

"I think a monkey would best represent me! It's my favorite animal and they are just so cute and goofy."
- Mary Mooney (12)

Whats your favorite current trend?

"My favorite trend happening right now would probably be how all the 80's music is coming back; so the pop music dance."
-Zoey Prosen (9)

Would you rather do figure skating or gymnastics?

"I think I would do gymnastics because I can't skate for my life. Plus, I think gymnastics is good skill for fighting."
- KaiLonnie Arrington (9)

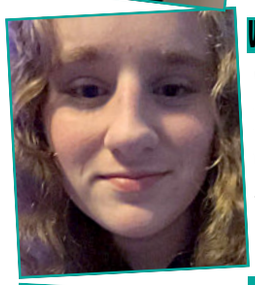

How big is too big for a friend group?

"50 people– I feel like that's excessive because you can't keep track of names and then you cant put the faces to names."
- Neaveh Langston (11)

Who is the best music artiest?

"I like Chappell Roan because her voice is very beautiful and her music is unique and has a lots of meaning. "
- Ryleigh Hensel (10)

Would you rather travel to the past or future?

"I would go to the past, because I like a lot of stuff that was in the past."
- Zakkary Petrolewicz (9)

What Barbie Doll would you be?

Kanylah McCoy (9) chose Raquelle because she just lights the room up." While Gianni Watson (10) chose Barbie because "she is the queen, and she's iconic."

What's your favorite part of being in the Northern Lights?

" I've always loved singing, and I love the Northern Lights so much. It's like one big family, and it makes me so happy!"
Olivia Prohaska (11)

" Honestly, I would because its got bread and meat in the middle. Just because its not two pieces of bread doesn't mean anything."
- Madison Roeder (9)

Do you consider a hot dog a sandwich?

What movie made you cry?

"Definitely *The Notebook* because I've watched it plenty of times and always cry. It reminds me of my grandma and the kind of love I've always wanted."
- Sydney Barzal (12)

Whats your secret talent?

"I like to skateboard. The freedom that comes with it and all the small, cool groups you can get into is pretty sick."
- Christopher Virgilio (12)

ACADEC

ACADEC (Academic Decathlon) is a competitive academic team that challenges students to dive deep into a variety of subjects—from literature and science to economics and art. Each year, the team prepares for competitions against other schools in the surrounding areas.

Art Club

Art Club allows students express themselves. Whether working with paint, clay, digital media, or mixed materials, students work to develop their skills and try new techniques. The club collaborates on group projects, contributes to school events, and gives back to the community, through projects like the snowmen on Vine Street, Kindness Rocks, and murals for the school.

Drama Club

Drama Club is where creativity takes center stage. Whether performing in plays, working behind the scenes, or helping design sets and costumes, members bring stories to life through collaboration, dedication, and passion for the performing arts. From auditions to opening night, the club offers memorable productions that entertain the school community.

Jazz Band

Jazz Band is an after-school ensemble where students explore the rhythms and energy of jazz music. From classic swing to modern grooves, members rehearse and perform a variety of jazz pieces that showcase their musical talents. Like the symphonic band, Jazz Band holds concerts throughout the year, bringing a lively, toe-tapping soundtrack to the North music program.

Jazz Ensemble

Jazz Ensemble is a more advanced and selective group than Jazz Band, featuring a limited number of musicians and a focus on more complex, challenging pieces. With an emphasis on precision and skill, the ensemble offers dedicated students the opportunity to perform sophisticated jazz arrangements in a professional-style setting.

Junior Class Council

The Junior Class Council takes the lead in organizing class events and fundraising efforts, working hard to create memorable experiences for juniors and support their future Prom.

Modern Language Club

Modern Language Club brings together students who share a passion for world languages and cultures. Members explore global traditions through hands-on experiences like cooking international dishes and taking local cultural trips. It's a fun and educational way to connect with the world—one language and one bite at a time.

Morning Announcements Crew

The Morning Announcement Crew starts each day by keeping North High informed and connected. With energy and dedication, they deliver daily updates, important news, and reminders—making sure the whole school stays in the know.

Nature Club

Nature Club engages in a variety of hands-on, eco-friendly activities that connect students with the environment. Projects include building an aquarium, creating bottle terrariums and compost viewers, assembling bird feeders, conducting greenhouse research, and leading several recycling initiatives.

Office Pages

Office Pages assist school staff by delivering passes and important messages throughout the building, helping keep the school day running smoothly and efficiently.

PAC Interns

PAC interns play a key role in preparing for events held at North High School's Performing Arts Center. From concerts and plays to recitals, ceremonies, and community events, these students work behind the scenes to ensure everything runs smoothly and professionally.

Senior Class Council

The Senior Class Council takes the lead in organizing class events and fundraising efforts, working hard to create memorable experiences for seniors and support the upcoming Prom.

Sophomore Class Council

The Sophomore Class Council takes the lead in organizing class events and fundraising efforts, working hard to create memorable experiences for juniors and support their future Prom.

Speech and Debate

Speech and Debate club is all about crafting strong arguments. Students gather after school to debate hot topics and long withstanding topics. One highlight of the year was the Rotary 4-way Speech Contest.

Sports Medicine

Sports medicine gives students a hands-on experience with first aid, rehab exercises, hydration, and physical activity.

Student Council

Student Council plays a vital role in supporting school clubs by organizing fundraisers and events. This year, they planned an exciting talent show and worked hard to make school a more enjoyable and memorable experience for everyone.

Symphonic Band

Symnphonic Band is North High's inclusive band program, welcoming students of all skill levels to play a variety of instruments and come together to create powerful, dynamic music.

UNO Club

UNO Club focuses on bringing together a group of people who enjoy playing UNO. Students play different versions and meet at least once a month.

Volunteers Club

Volunteers Club is all about making a positive impact, both in school and in the community. Members come together to support local causes, participate in service projects, and lend a helping hand wherever it's needed. This club teaches the value of giving back while building leadership, compassion, and teamwork.

Wind Symphony

Wind Symphony is North High's premier band ensemble, featuring advanced musicians who perform challenging and sophisticated compositions with skill and precision.

Yearbook

Yearbook students combine their creativity and design skills to produce the annual yearbook, capturing memories that last a lifetime. They take photos, design engaging spreads, and work with local businesses to secure funding. Along the way, they document important milestones, holidays, and special events, capturing a snapshot of the school year for everyone to enjoy

Robotics

In 2025, five talented students from the Robotics team represented North at the First Tech Challenge held at Kent State University. Competing as a combined team of 9th and 10th graders, they faced off against schools from across Ohio in an intense, head-to-head robotics competition. Their hard work and innovation paid off—earning an impressive 3rd place finish and securing a spot at the State Championships.

Family Life

After spending time with friends at school, students then spend time with families at home. Several memories are made daily to build the bond between relatives, and these few pictures capture some of those moments. Every moment spent together, whether it's supporting athletes during sports games, a family vacation, or a day out, adds layers to these connections.

Life at a New Angle

The students here at North High have intriguing lives. From work occupations to family vacations, a lot goes on outside of school. These experiences shape who we are and create connections that will last a lifetime. Students lead dynamic lives full of joy and discovery, offering a window into the diverse and memorable experiences that shape our lives beyond the classroom. These pages illustrate the spirit of the Ranger community, outlining the energy and enthusiasm that students bring to every aspect of our lives. Their ability to balance family time, work commitments, and friendships is not just impressive but inspirational. Together, we bolster a space of joy, discovery, and support, ensuring that the memories we create today will be reflected for years to come.

Mrs.Levine

"I love teaching choir because it's so much more than a class; it's a community. I love seeing students grow as musicians and as people throughout their years in high school. Choir is a great place to not only improve your singing but make lasting friendships and become a part of something bigger than yourself."

Choir Classes

Mixed Choir is a wonderful opportunity for any student interested in singing, bringing together both treble and bass voices to create rich, full harmonies. For those who want to take their vocal experience further, Treble Choir, an all-girls ensemble, requires an audition and offers a focused choral setting. Chorale Choir also holds auditions and provides another unique performance experience. For students looking to dive even deeper into music, Northern Lights, our select after-school a cappella group, is a fun and challenging way to grow as a singer. Whether you're a beginner or experienced vocalist, there's a place for you to shine!

Autumn Perspectives

As the crisp autumn air settles in, the fall season at North High School begins with a new perspective, energy, and school spirit. From thrilling football games under the Friday night lights to the excitement of Homecoming, fall was a time for new beginnings and lasting memories. Students embraced the season's traditions, whether it was gearing up for pep rallies, celebrating fall festivities, or cheering on our teams. As the leaves changed colors, so did the spirit of our school to vibrant, united, and ready for what this season has to offer.

Jacob Breen (12) has been the quarterback at North for 4 years. This year, he started for the varsity team. His advice to next year's football seniors is to "Enjoy every second of it. It all goes by so fast." Breen's favorite memory from football was beating South his junior year. To prepare for games, he mainly listens to music to lock in. In the future, Breen wants to go to college for education and continue playing baseball.

Sydney Barzal is a senior who has been playing football for 4 years. When asked what it is like to be the only girl on the team, she said, "It's like being surrounded by brothers. It's an experience I wouldn't trade for the world! Even though it doesn't smell the best." After high school, Barzal plans to go to college for teaching.

Drake Martinez (12) has made some major moves for the Rangers this year. He got a touchdown against the South Rebels this year. Martinez explained, "It felt pretty good. I was glad I could do it for my teammates." Some of the best advice from a coach Martinez has received was to "always play our best and never listen to what others have to say." His future plans include working with his father and going to college online at WGU.

A NEW ANGLE OF FRESHMAN VOLLEYBALL

With six players on the court at a time, the freshman volleyball team is working hard to take on the 2024 season. They're embracing the challenge of transitioning from middle school to high school play, showing determination, teamwork, and growth every step of the way.

This photo was captured just moments before the North Ranger's freshman team claimed an exciting 25–10 victory over the Euclid Panthers! The energy was electric—not just from the freshmen, but from the coaches, JV, and Varsity players as well. With nonstop cheering, shouting, and celebration, the game was a thrilling experience for everyone involved.

A New Look Into.. Isabella Houston (9)

Joining the high school volleyball team as a freshman is both exciting and challenging. For many, it's a big step up from middle school, with faster-paced games, more competitive play, and higher expectations. Freshman players learn to build strong teamwork, push themselves during practices, and balance schoolwork with game schedules. Through it all, they form lasting friendships, grow their skills, and become part of a supportive athletic community.

On the day of a home game, what does your day LOOK like?

"My home game day schedule starts with packing my bag the night before with all five jerseys. I wake up at 5:30 a.m. to go to my TEACH Tecc Program and then come to North for team dinners before the game. Afterwards, we set up the nets, chairs, and get ready for the game. I watch freshman play before playing for both JV and Varsity. At the end of the night, I go home, do homework, shower, and go to bed."

2025 Seniors

Gianna Birch was inspired to play volleyball by her sister, but she doesn't see herself playing in college. She wants be a firefighter or a EMT. Her favorite thing to do outside of school is hanging with friends.

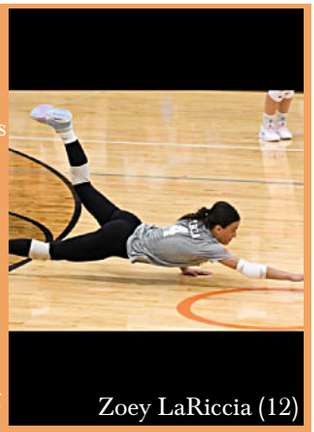

500 DIGS

Zoey LaRiccia is a senior, and she plays DS/libero. Getting 500 digs has been a goal she was working toward.

LaRiccia doesn't plan on going to college for volleyball, but she wants to major in psychology.

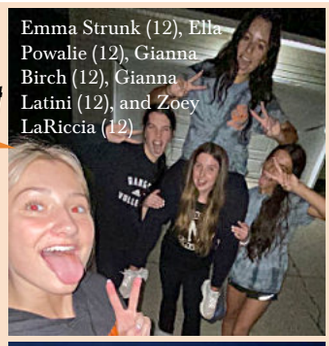

LaRiccia's favorite volleyball memory was TP night with the underclassmen, as well as everything else throughout the years.

The Real MVP'S of Recovery

Izabel Katavic (11), Logan Paul (11), and Katlyn Ellis (11)

THE ESSENTIALS

Filling the water jugs is a key requirement for student trainers. So of course, the water jug itself along with water bottles are essential. Athletes can't play well if they aren't properly hydrated.

Athletic tape is a must. Student trainers refill and stock on pre-wrap and tape at games and practices. This is crucial for athletes who may be hurt, especially when multiple players could be injured at at the same time.

WHAT MADE YOU CHOOSE SPORTS MEDICINE?

"I joined wresting during freshman year. I really enjoyed it and the following year I wanted to join helping with football and it just went on from that."

- Izabel Katavic (11)

"I joined sports med in order to help people out."

- Logan Paul (11)

"I originally joined to get out of gym but it was a lot of fun, so I've been in it ever since."

- Katlyn Ellis (11)

Sophia Eastman (11)

TACKLE EVERY INJURY

Katlyn Ellis (11), Victoria Mandizvidza (11), Logan Paul (11), and Izabel Katavic (11)

Student trainers are often overlooked. However, it is important to understand the essential role the trainers play here at North. They are at every game and practice, making sure athletes are hydrated and well-prepared before they play. The student medicine program gives them the education needed to be successful in the future. Thank you to our student trainers from all of our athletes.

No Pain, No Game

Nicholas Kovach (11) has been running Cross County since his freshman year. Every Thursday he would run by himself so he could stop by the church and pray saying, "Give me the sign to do well at the Cross-Country races, and please help others as they strive for success in their running careers." When the Gilmour race came, he gave it his all with his legs wanting to give out beneath him, but he kept going. At the Medina race the following week, he gave it everything he had once again. As he caught up with one of his teammates mid-race, he felt a sudden surge of motivation that pushed him through to the finish, even as his legs felt ready to give out. When it was all over, he had run the best race of his life, in which he set a new personal record. The overwhelming sense of accomplishment made it hard to hold back tears, marking a deeply emotional and unforgettable moment.

Most Festive

Mary Mooney is a very festive student here at North. She is a senior and throughout her years here, she has always participated in Spirit Week. She wanted to tell the underclassmen something to encourage them to participate in the school's activities. She said, "I love participating in extracurriculars, sports, and clubs because they help me grow, connect with others, and explore my passions. I'd encourage everyone to join because it's a great way to meet new people, learn new skills, and make the most of your school experience. High School would be nothing without the joy of doing things you enjoy and meeting new people."

As in years past, pep rallies remain a cherished tradition at North High School, bringing the entire student body together to celebrate achievements and build school spirit. The event kicked off with student award announcements, followed by a series of exciting activities that added a fresh twist compared to previous years. This time, four different events kept the energy high. The festivities began with a three-part relay race that included balancing a ball on a stick held in the mouth, a three-legged race with duct-taped legs, and a scavenger hunt that sent students searching beyond the gym. The rally wrapped up with a lively game of tic-tac-toe, making it a memorable and action-packed celebration for all.

Giving Week

Giving Week took place the week leading up to Thanksgiving. This year, turkey bowling was held during lunch periods, and in order to participate, it cost one dollar to receive a turkey that could be rolled down the hallway in an attempt to knock down canned food. In addition to turkey bowling, there was also a Giving Week assembly where students enjoyed watching classmates and staff engage in various activities.

The Heart Behind the Hype

The student section leaders get to choose between themes for the games every Friday and keep the school spirit high, while making sure everyone in the stands is being respectful to both teams and following all of the school rules.

The student section leaders this year were Ava Rados (12) and Noor Asad (12).

"My favorite part of the football games were seeing everyone dressed up for the theme and when everyone cheered." Michaella Pingstock (11)

"My favorite part of the football game is hanging out with all of my friends and spending time with everyone." Arijiana Harris-Ivancic (10)

Pink out game vs. Riverside

Having a different theme for every game is important for the experience because it makes students want to be involved in supporting North. Every game is always assigned a theme that is voted on by the students. Some of the most popular themes throughout the years are the white out, Hawaiian, and pink out. The pink out game is a tradition to support breast cancer awareness. For this theme, students wear pink and pink accents adding to their outfits, including pink hats, skirts, face paint, and shirts.

Game Day Glimpse: Style, Spirit, and Themes

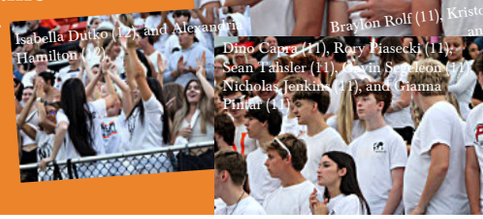

The Homecoming game is an annual game hosted the day before the Homecoming dance. The theme is always white out for this game, so everyone wears full white outfits to support the North football team to victory!

"My favorite part of the Homecoming game was when the cheerleaders from both teams showed each other their cheers because they were so cute." Damiyah Henderson (11)

BraMon Rolf (11), Kristopher Fuller Jr (11), and Nolan Walsh (11)

Fresh Takes & Trending Faves

One of the main reasons the theme this year was similar to a 2000's magazine for the yearbook is because of all the trends that are making a comeback. Some of these trends include low rise pants, cheetah print clothing, and flare and baggy jeans.

Mya Cly (10)

The camo pattern has become really popular this year for clothes. People say they like to wear camo clothing because they like to stand out.

Alyvia Giangiacomo (11)

It seems the water bottle everyone has this year is an Owala. Owala is popular because they are leak proof and have two drinking methods.

Victoria Russo (12)

White Fox is a brand that makes cute trendy clothing. People in school say they like White Fox because of its bold style.

Bows are another very popular trend this year. Most say they like bows for there vintage feel. Others say they just wear bows because they add to the outfit

North Experience Night

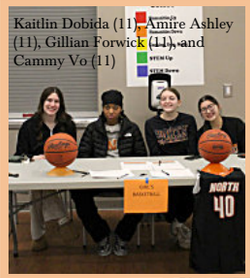

North Experience Night took place on January 30, 2025, offering 8th grade students a chance to explore North High School before officially starting next year. Students were able to tour the building, meet teachers and staff, and get a preview of what life at North is like. They also had the opportunity to learn about various clubs and sports teams—and even sign up for any they were interested in joining.

Seasons of Spirit

As the snow begins, we embrace the magic that this season brings. Snow-capped trees and twinkling lights set the scene for cherished memories, laughter, and camaraderie. From cozy gatherings at holiday celebrations to spirited basketball games in the gym, winter is a time of connection and joy. Our students showcase their unique talents in winter concerts and drama productions, reminding us that even in the coldest months, creativity and warmth flourish. This winter season, moments of friendship and resilience were captured that will linger in our hearts long after the snow melts.

Looking Deeper at Varsity

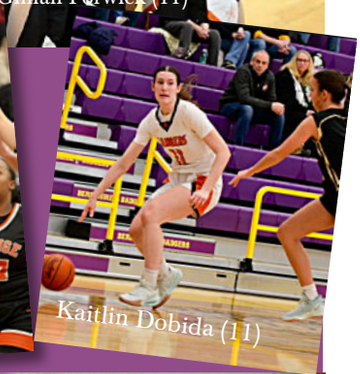

Looking at North High girls basketball from a different perspective, it's clear the team is more than just a group of athletes;they're a family. "A team isn't just a team, it's your family, so cherish the moments with them," shared Ella Powalie (12).

Sophia Petro is a sophomore playing on varsity. She looks forward to playing with new people and possible new positions. Her life's moto is, "Be yourself, everyone else is already taken."

Kaitlin Dobida (11) has been playing basketball her whole life. She grew up loving the sport and knew she wanted to carry it on.
Over the course of these 3 years of her playing, she has made a big impact on the team. She has showed her love and efforts towards the team and the game.

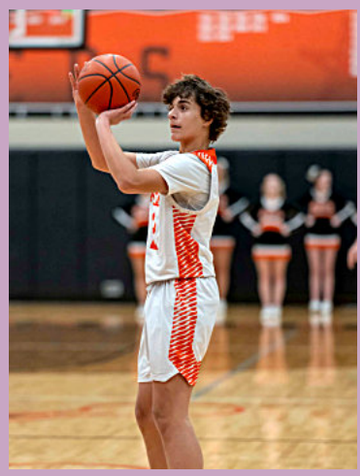

Cammy Vo (11) has been playing for North for all 3 years. The hardest thing she works on is dedication. She has worked hard to get where she is now. She has always stuck to basketball and getting to play with her best friends is her favorite part.

Another Look Into Amaya Majette

Majette plays two sports: volleyball and basketball. When asked about her biggest inspiration for basketball, she answered with her teammates and how hard they work. She says they all worked very hard to accomplish all they desired on and off the court, which she respects all of them very highly for that. She says that her teammates make the game even more enjoyable beyond her love for the game. Her favorite part of basketball is celebrating after every big win they get with her team that feels like the best non-blood family.

The Girls Bowling team brought home the WRC title for the second year in a row, proving their hard work and dedication paid off. Building on last year's success, the returning players showed remarkable improvement, making this year's victory even more rewarding. Heading into the tournament with confidence and strong team spirit, they performed with focus and energy. While the team had a strong core of seniors, the underclassmen stepped up and played a crucial role in the win. This championship was a true team effort, made possible by the talent, determination, and guidance of their coach throughout the season.

The past record was set by Skylar Smith in 2018. Handl has been swimming for 12 years, although she had stopped three years ago. She explained, “I had to pick between pentathlon, a Hungarian sport with fencing, swimming, horseback riding, shooting and running so I picked to do that. When I moved here, I wanted to do a sport so I picked swimming." Handl found out she broke the school record on the bus after the meet. She stated, "My coach wanted to figure out if I beat it or not. I was surprised because I knew I was close, but I didn’t know I broke it. I was so proud of myself and my coach for helping me get there."

Returning to the Mat

"Throughout my high school seasons, a tough challenge to face was having to adapt to new coaches every year." Bedworth shared that although he faced many difficult challenges, they shaped him into the player he is today. Bedworth's advice to incoming players is to continue to persevere even through hard times.

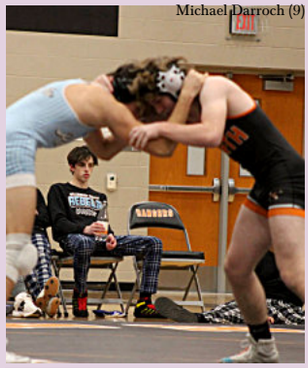

When asked about his favorite memory, Drake Martinez shared that he enjoyed going to tournaments and spending time with his teammates. As the season wraps up, so does the school year so Drake gives a word of advice to incoming players, "Listen to the coaches and make sure you try your best."

"The Absolutely True Story of King Arthur"

On December 13, 2024, North's Drama Club performed their opening night show of "The Absolutely True Story of King Arthur." This production featured **Nate Kuhen, Andrew Jeschelnig, Makayla Anglesino, Ava Torok, Sage Shadowen, Mary Sirl, Ian Simmans, Leigha Paul, Victoria Lipnicki, and Nina Lloyd** all portraying the roles of the main characters. The cast and stage crew spent countless hours for months bringing this show to life, with the help of student directors **Vera Baer** and **Andie Babcock**. The play showed 4 times, including on December 11, 2024, where over 500 fourth graders in the district came to watch the high schoolers perform. North's Drama Club holds a very significant part in several students lives, as it brings together a community and weaves a bond between participants.

When asked how she felt about receiving the role of Morgan, Ava Torok stated, "I was so so excited to be able to play such a fun character for my senior year! I've always loved playing villain characters, so getting Morgan for my last play was really exciting!"

Nathaniel Kuhen (11)

At first, Nathaniel Kuhen was unsure about playing Arthur. As he started to see the character out, he instantly fell in love. "Acting as Arthur himself along everyone was mind blowing to me. I was truly grateful."

Leigha Paul (10)

Leigha Paul claimed she was very excited when finding out she got Guinevere. "As a sophomore, I wasn't expecting much with the amount of seniors we have in the club."

Lillian Chmielewski (12)

Student director Andie Babcock loves her role as a leader. Her job is to keep track of everything going on during the production. Babcock's favorite part is when tech week comes around. "...we finally get to see the actors interact with all the amazing set pieces! I love watching the process from the beginning to end; it's always so fulfilling!"

Andie Babcock (12)

Kenna Powers from the stage crew said painting was one of their favorite parts of being backstage. "I also loved running shows because I could see the whole play, while costume and others aren't allowed in the wings during shows."

Senior Night

Each year during North's Invitational Track Meet, senior athletes are honored in a special tradition. Surrounded by cheering crowds, North's seniors take a walk down the track accompanied by their parents or family members. This year, 16 seniors took part in the ceremony—marking a memorable milestone for the Class of 2025. After their walk, the seniors gathered on the turf for photos, capturing a proud and emotional moment in their final season.

Serving Up A New Look

Starting a boys volleyball program at North High School marked an exciting new chapter in our athletic community. With growing interest and enthusiasm from the student body and Coach Poje, the inaugural team laid the foundation for what promises to be a strong and competitive program. These student-athletes brought energy, dedication, and a willingness to learn, showing that even first-time teams can build chemistry and pride. As they worked through practices, learned new skills, and competed in their first matches, the players not only grew as athletes but also helped shape a lasting tradition for future generations of boys volleyball at North.

From a Spiraling Angle

Lauren Iannetta played Quarterback for the Varsity team. When playing the position of QB, Iannetta stated it is important to be aware of your surroundings, know where to lead the receivers, and be quick to get the ball out.

Natalie Stuart encouraged new athletes to join the Flag Football team, even if they don't have friends joining because the team is very welcoming and a great way to make new friends. Stuart emphasized that you don't need to be great at sports to participate, as there are different roles available.

Natalie Stuart (9)

To get through tough games, **Alex Hamilton** stated that her motivation was having the mindset that they were going to win no matter what team they played against. This mental strategy was really helpful during the game against Cleveland Heights, as she described that they were down the whole game until they manged to take the win in the last 20 seconds.

Girl's Flag Football

Spring of the 2025 school year has been the kickoff season for North's first girl's Flag Football team. The team consisted of a Varsity and Junior Varsity with nineteen extremely fierce and talented athletes. The Cleveland Brown's proudly sponsored the team, providing them with drill camps and skill-building events. The physics and engineering teacher, Mrs. Tomb, was one of the head coaches, along with Coach Engle from Brush High School.

The JV team captain, Hannah Triplett (11), shared her feedback from this season. "My favorite memory from this season was probably seeing how happy everyone got when we beat South the first time as it was our first win of the season. Going forward, I hope everyone can try to get out of their heads. They are all great players and the over-thinking aspect is what is holding them back."

Swinging Into a New Perspective

This season, the Lady Rangers really showcased their talent. Despite a challenging record, the girls presented hard work and dedication during each game. From voluntary off season workouts, to tryouts, and in-season, the desire to play showed strongly. Varsity Coach Matt McPeek shared, "The 2025 team is the hardest working and most dedicated team I've had in my tenure at Eastlake North. Their dedication and commitment to off-season workouts and individual progress is like none before them and may never be matched again." The girls ended the season with a WRC record of 6 and 4.

Team Traditions

The Lady Rangers gather to take a moment to pray before every game, seeking guidance, strength, and unity as they prepare to take the field.

Each player will step on home plate before running to their positions on the field.

After every home-game victory, the team shares dinner at Panini's to celebrate their win.

When asked about what she was most excited for in college, Brynne Smith (12) replied, "I am most excited about the culture and new beginning. As sad as it is to let this chapter go and all of the amazing memories, it is so refreshing knowing my hard work payed off. With this, I am so excited to meet new teammates and coaches. I am also excited to be in a new environment and truly find myself while experiencing this with my best friend, Ashley! I am so thankful and can't wait for this new adventure."

When asked about how she feels about playing in college, Ashley Sykes (12) shared, "It is truly a dream come true, ever since I was little I knew I wanted to play in college. Knowing now I have that opportunity really is a feeling like no other."

Bailey Licht (12) shared her piece of advice when asked what she would tell her younger self: " I would tell her to keep a strong mindset and a good attitude. Trust every ounce of advice because it shapes you into the player you will become."

After being asked her personal goals for her future college softball season, Isabella Dutko (12) said, "I want to play my hardest and to not take the college level for granted. I am overly excited for the next level and the opportunities ahead."

PBIS Bash

A Whole New Angle on Fun

On Friday, May 23, 2025, North took fun to the next level with a PBIS Bash students won't forget. The day kicked off with an energetic assembly that set the tone for celebration, laughter, and school spirit. In one of the most talked-about highlights, students got the chance to "jail" their teachers using Ranger Bucks—a playful twist that had educators "behind bars" and the students outside enjoying the sunshine. Food trucks were available selling donuts, coffee, lunch, and snow cones. As the day unfolded, the field filled with excitement, leading up to the grand finale: the ultimate kickball showdown between students and teachers. With every kick, cheer, and laugh, the day captured what it means to see North from a new angle, where fun, teamwork, and positive behavior come together in unforgettable ways.

North Pride in Every Step

Mr. Frei

As the school year neared its end, the staff at North took a meaningful moment to recognize the students who made this spring season shine. Coaches and teachers proudly honored the dedication and achievements of our spring sports athletes, celebrating their hard work, team spirit, and resilience. The spotlight also turned to our seniors, who are leaders, friends, and role models and who are preparing to take their next steps beyond these halls. It was a heartfelt tribute to all they've accomplished and the legacy they leave behind. In true North spirit, the recognition wasn't just about looking back, rather it was about seeing each journey from a new angle, appreciating growth, and embracing the future with pride.

Vera Baer said the best part of prom was "Getting to be dressed up and take pictures with all my friends and favorite teachers!" Baer later added that prom was a very fun and glamorous night. She said her outfit was based off a 1920's old Hollywood film.

Makayla Anglesino, Phyllis Dean, Ava Torok, and Winnie Chen

According to Makayla Anglesino the best part of prom was "Honestly, just dancing and hanging out with all my friends. Being around everyone and having fun together made it the best part of the night." She also added "The prom theme, “The Great Gatsby,” definitely inspired my look. I tried to go with that style, so I added some gloves and pearl jewelry to match the theme."

Dance the Night Away

Prom 2025 included a mix of seniors, juniors and a few sophomores. All of these students danced and talked the night away at prom. Many students had some awesome things to say, while others had too much fun to chat. Dinner was served and many people took this night as an opportunity to relax and hang out with friends.

I hadn't been to Kalahari in a few years, so going back brought back some childhood memories. Though we didn't have full access to the arcade like they said we would, the breakfast they prepared for us was very good."

Claire Tomchak said that her favorite part of prom was dancing with her friends. After all that excitement, she ended up falling asleep to and from Kalahari. It was her first time at the resort and she said that she had an awesome time.

Daniel Wilson explained that the best part of after-prom was receiving $150 and being with his best friends. After-prom lasted until 3:30 in the morning. Wilson says that he passed out once he reached home. He said it had been awhile since he was at Kalahari, with the last time being when he was a kid, but he missed the park.

Achievements in Focus

This year's Senior Awards Ceremony celebrated the hard work, dedication, and achievements of the Class of 2025. Dozens of seniors were recognized for earning scholarships from colleges, universities, community organizations, and national programs. These scholarships reflect not only academic excellence, but also leadership, service, and perseverance. Each award is a testament to the unique strengths and bright futures of our graduates.

ANYTHING but a Book Bag

Anything but a book bag is a fun tradition done by the senior class. It is where students can bring anything they can think of and use it as a book bag. The students get very creative with it every year. This year some of the book bags included siblings, a kayak, cooler, skateboard, and anything else except a book bag.

"And surely someday, we all will meet again"

Keila Qorri

Mary Mooney

Zoey LaRiccia

The Class of 2025 graduation took place on May 29, 2025 at Playhouse Square. Student Council President Mary Mooney led the Pledge of Allegiance followed by Chorale performing the National Anthem. In her speech, Salutatorian Zoey LaRiccia thanked the staff of North High for "pushing us outside our comfort zones, having faith in us when we didn't have faith in ourselves, and the continued support in and outside the halls..." Valedictorian and Class President Keila Qorri spoke about friendships made in high school saying "I would like to believe that all of us had the blessing of being a part of beautiful friendships during our time at North High School."

Senior Clap Out

For the past few years, North has sent the seniors to their past elementary schools for a final clap out as they prepare for graduation. A Senior Clap Out is a heartfelt tradition that celebrates graduating seniors as they take one final walk through the halls of their school. Students, teachers, and staff line the corridors, cheering and applauding as seniors make their way through wearing their caps and gowns. It's a moment filled with pride, emotion, and reflection, honoring the seniors' journey and marking the end of one chapter as they prepare to begin the next. It's more than a send-off; it's a celebration of memories, growth, and the legacy they leave behind.
