LEARN TO TRAVEL. TRAVEL TO LEARN.

Embark on a journey through Yosemite National Park, where each day brings new challenges, connection and adventure. Camp under the stars, cook meals together and deepen your leadership skills through guided hikes, nightly reflections and supportive group experiences. Highlights include hiking Nevada Falls, Tuolumne Meadows and Yosemite Falls, rafting the American River, and wrapping up the journey with a visit to vibrant San Francisco. Students in Grades 8-11 who are eager to expand their comfort zone, take on new challenges and develop leadership skills are encouraged to apply—no experience necessary. If you love the idea of outdoor adventure, teamwork and exploring breathtaking National Parks, this program is a perfect fit for you.
