

# PTA MEMBERSHIP FORM

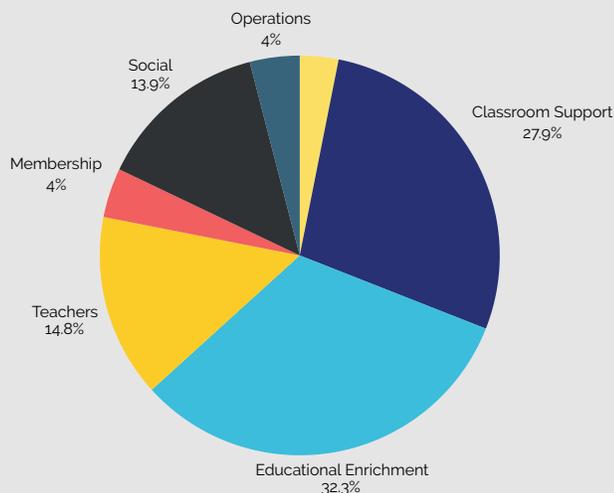

Our PTA serves to enhance the educational environment at Graham. We fund and organize a variety of educational enrichment programs, health and safety activities and social events for the students at Graham. Additionally, we support our staff with hospitality throughout the year and give back to the community with several service projects. Whether you have a little time or a lot of time, there is something for everyone. Volunteer for a committee, contribute to a fundraising activity, attend monthly meetings, or email us with feedback or a new idea! The PTA is a great way to get involved, meet new friends and give back to our wonderful school and staff.
