As we begin our educational launch into the 2018-19 school year, we wanted to make sure that everyone is aware of the vast opportunities available at Winton Woods City Schools. Our community efforts are designed to provide all stakeholders with sound justifiable reasons that support our operational standards. At Winton Woods City Schools we fiercely stand behind our belief that all students can reach their highest potential. We are all committed to working diligently to showcase student achievement in and out of the classroom. Our transformational model of project-based learning (PBL) and problem-based learning (PRBL) in conjunction with the New Tech Network puts the district in position to make sure that all students are **future ready**.

Please take a few minutes to view our 2018-19 **Quality Report**. I am sure that you will find this report very informative regarding the great opportunities available to your child at Winton Woods City Schools. We continue to remain steadfast as we provide a quality educational experience that promotes *teaching that engages, culture that empowers, technology that enables and outcomes that matter*. Thank you for sending your child to Winton Woods City Schools, a **District of Destination**.

Anthony G. Smith
Superintendent Anthony G. Smith

By engaging students through project-based learning, students become problem-solvers. Teachers design complex, authentic challenges that engage students, require them to demonstrate mastery of knowledge, and foster written and oral communication skills.

www.youtube.com/watch?v=YF-uHmGEYYA

By making learning relevant and creating a collaborative learning culture, students become connected to, engaged with, and challenged by their school, teachers and peers. Each school promotes a culture of trust, respect and responsibility.

Through a technology-rich environment, teachers and students create, communicate, access information, and experience self-directed learning. Echo, NTN's online learning platform, supports project-based learning and features an innovative gradebook.

Learning outcomes also measure collaboration, written and oral communication, and students' responsibility for their own learning. Performance assessments measure the knowledge and thinking of students to help them become proficient in producing college-level work.

5-Star Rating

Winton Woods City Schools' preschool program has received a five-star rating, the highest possible rating, from the State of Ohio's Step Up to Quality Tiered Quality Rating and Improvement System. This system was created to recognize and promote early learning and development programs.

Successful Grant, Student Support and Community Outreach

Striving Readers Grant: Winton Woods City Schools pursued and was awarded the Striving Readers Grant in the amount of \$821,574 targeted to support language and reading comprehension and phonological awareness including fluency, word knowledge and phonics/ word recognition for students in Kindergarten through eighth grade.

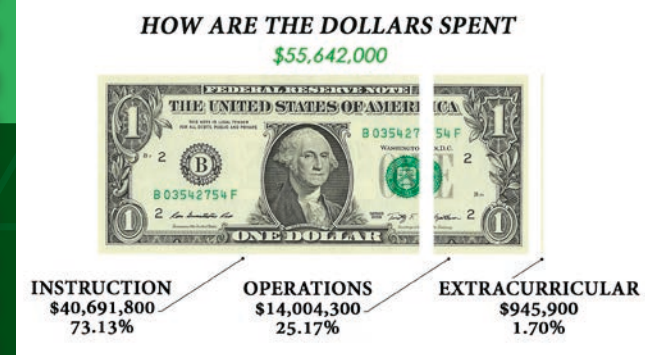

Sprint Hot Spots: Winton Woods City Schools is in year two of a five-year grant from Sprint. For the next several years, through Sprint's 1 Million Project, eligible Winton Woods High School students will be provided with free internet access through a hotspot device.

Nutrition is the Mission: "Nutrition is the Mission" at Winton Woods City Schools. Throughout the summer, the Child Nutrition bus and van distributed nutritious meals to all three of our communities. In addition, the district added a mobile library and wifi hot spot to the bus.

Financial Overview/Substitute Levy

The Winton Woods City Schools Board of Education passed a resolution to put a substitute levy on the ballot for the November 6 election. This \$4.2 million substitute levy proposal would allow the district to continue operating expenses with **no increase in taxes for our residents**. The original levy passed in 2009. It will expire in 2019 and is necessary in order to continue our essential operational services to all students.

New School Facilities Completion Estimate
