

MATCHING GIFTS! DOUBLE YOUR IMPACT!

HOW TO GUIDE

	Gather your donation information, including the emailed receipt.
	Submit matching gift via your company's process
	Your employer may request verification of the donation from our school
	The school will verify the match
	The school will receive the match!

ADDITIONAL INFORMATION

Requesting a matching gift is typically a short process that the donor must initiate. You can do this by filling out and submitting a paper match form provided by your employer or through an electronic submission process.

Many organizations use third parties to manage matching gifts, such as Benevity, Cybergrants, GoodDoneGreat, YourCause.

If your organization requires additional information about our school, please see below.
