Letter to Households to Qualify for Compensatory Education Funding for School Year 2025-26 Hogares que puedan Calificar para Derechos a los Fondos de Educación Compensatoria para el Año Escolar 2025-26

Dear Parent or Guardian:  
Estimado padre de familia o representante legal:

The Clint Independent School District may qualify for additional funding from the state if any of our students meet certain guidelines. The additional funding, known as the Compensatory Education Allotment, is used to provide supplemental services to students who are at-risk or not performing at an appropriate level. Please help us collect the necessary information so that we may receive additional state dollars, or maintain current state dollars, for the benefit of our students.

The district is automatically eligible for this funding if you receive food stamps or Temporary Assistance for Needy Families (TANF). Otherwise, the district may qualify for this funding depending upon your income and family size. Please complete the attached Form for Compensatory Education Funding Qualification. Please complete a separate form for each child. Attached are more detailed instructions to help you fill out the form. Households receiving food stamps or Temporary Assistance for Needy Families (TANF): Complete the child's name and case number and have an adult household member sign the form. If you have more than one child attending school, complete a separate form for each child.

Households with one or more foster child. List the child's name and the amount of "personal use" income the child received last month and have an adult household member sign the form. If you have more than one foster child attending school, complete a separate form for each one. Households that do not receive food stamps or TANF: If you do not have a case number, you should list the names of all household members, the amount of income each person received last month, and where the income came from. An adult household member must sign the form and include his or her social security number or indicate that he or she has no social security number. If you have more than one child attending school, you should complete a separate form for each one, but you only have to complete this section once.

Frequently Asked Questions:

Will the form be verified? Yes. State officials require us to verify the information that qualifies the district for the extra funding, therefore, the information that you send us may be checked at any time during the school year. School officials may ask you to send written documentation to verify that your income meets the eligibility guidelines.

Should I report any changes? Yes. If your income meets eligibility guidelines, please tell us if your income increases by more than \$50 per month or \$600 per year, or if the size of your household decreases. If your household receives food stamps or TANF, you should tell us when you no longer receive these benefits.

Will this information be kept confidential? Yes. We will use the information on your form only to see if your child or children meet the eligibility guidelines that will enable the district to receive the extra funding. The information will not be used for any other purpose.

Will my child receive extra services if I complete this form? Not necessarily. Funding for this program is based on the number of students with certain qualifying levels of family income, but the allocated funds must be spent for students that meet different eligibility criteria. If your child has performed poorly on STAAR or other required tests, or meets other criteria for being at-risk of dropping out of school, then your child will likely receive additional services. If your child does not directly benefit-- other children in the district may benefit from this additional funding.

If my family income does not qualify the district for extra funding now, can I apply later if my circumstances change? Yes. You may submit the required forms at any time. If your income does not meet eligibility guidelines now but circumstances change (like household income decreases, household size increases, a wage earner become unemployed, the household receives food stamps or TANF), complete the form again. If you need new forms or any other help or information, call Amanda Soliz at 915-526-4000.

Thank you for your help.

Sincerely,  
Dr. Juan I. Martinez  
Superintendent
