NPCS Families,

The 2025–2026 school year is upon us, and I am filled with both gratitude and excitement to continue serving as your superintendent. Over the past year, I have had the privilege of witnessing firsthand what makes New Palestine Community Schools exceptional—and it all starts with the people: our dedicated staff, inspiring students, and supportive families.

As we step into a new school year, our mission continues to guide us: *Through collaboration, we create an environment where knowledge and skills flourish, empowering every student to achieve their personal best.* This year, we will continue elevating excellence both in and out of the classroom while strengthening the partnerships that make our success possible. We will also begin important strategic planning work to ensure our schools remain strong, responsive, and future-ready.

The success of our students depends on all of us—and your family involvement makes a powerful difference. Whether it is ensuring your child gets to school each day ready to learn, attending school events, asking questions, sharing your ideas, or helping us tell the story of what makes NPCS so special, your engagement matters. Together, we will create a school year full of achievement, connection, and meaningful learning.

Thank you for your trust and continued partnership. I am *New Pal Proud* to be part of this incredible community—and I am certain you are, too. I cannot wait to see what we accomplish together in the year ahead.

Dragon Excellence Every Day!

Dr. Gina Pleak
