

Extended Time Care (E.T.C.) AM FAQs

What is E.T.C. AM?

USM's E.T.C. AM program provides a safe and welcoming environment for students to enjoy time together, complete their homework, and participate in other quiet activities before the school day begins. Children will be presented a handful of different activities to choose from during their time.

E.T.C. AM is available for students in prekindergarten through 8th grade.

What are the hours for E.T.C. AM?

E.T.C. AM is open every day we have school, beginning at 7 a.m.

Students can be dropped off at E.T.C. AM up until 7:45 a.m. Students should be dropped off at Door 23. A staff member will be available to welcome students and direct them to the Alumni Room.

At 7:45 a.m., all Middle School students will be dismissed for advising. All Preschool and Lower School students will remain at E.T.C. AM until 8 a.m.

How do I drop off my child?

Students will be located in the Lower School/Middle School dining room.

Students can be dropped off in the bus circle, in front of the dining room doors (located directly opposite the P3 parking lot on the campus map). Students will enter through the dining room doors off of the bus circle and will check in with a staff member.

What are the E.T.C. AM registration options?

We offer two options for E.T.C. AM: weekly or drop-in care.

Weekly: You sign up for the weeks your child will attend and pay a flat rate for the whole week, prorated for shorter weeks.

Drop-in: You sign up for drop-in care by month and only pay for the days your child attends. Attendance is tracked daily, and charges are based on actual attendance.

How will I be billed?

All billing for E.T.C. AM will go through your family's **FACTS** student billing account. Your account will be billed monthly.

Please contact us at etc@usm.org or 414.540.3353 to make any changes to your account.

When does registration for E.T.C. AM open?

Registration for E.T.C. AM opens in August. Families can then add sessions as needed for the rest of the school year.

Registration will be available through our **UltraCamp** registration portal.

Is there anything else I should know?

Medical Emergencies: Our staff are also trained in emergency medical procedures. In the event of an emergency before 8 a.m., our staff will contact USM's School Safety and Security team, and together they will determine if 911 should be called. Parents/guardians will be contacted ASAP.
