COMMUNITY SPONSORSHIP OPPORTUNITIES

August 1, 2025

On behalf of the STE community, it is with immense gratitude and enthusiasm that we extend this invitation to partner with us as a community school and event sponsor for the 2025-2026 school year. Your support will be instrumental in enhancing the vibrant experience we offer to our students and families.

As a vital part of the STE family, we know our supporters are not only dedicated parents but also successful business owners who share our commitment to excellence. Our community sponsorship opportunities are a unique way for your family's business to visibly demonstrate its profound support for our beloved school throughout the entire academic year. **Your brand will receive prominent recognition across all major school events and initiatives**, including being featured on event banners, in sponsor highlights, and in various school communications, reaching hundreds of engaged STE families – reinforcing the deep connections that make our school so special.

For our esteemed local businesses that enrich our surrounding community, this is a chance to align your brand with a leading educational institution for a full year. By becoming a community sponsor of STE, you will not only be supporting the next generation of leaders, thinkers, and innovators, but you will also gain sustained, broad exposure to an appreciative audience of parents, faculty, staff, and alumni who actively seek to support businesses that invest in their children's education and local community.

Please review this detailed sponsorship package outlining various levels of partnership and the corresponding benefits, designed to offer meaningful, year-long visibility and recognition for your generous contribution. **All sponsor banners will be placed in the STE carpool fencing for the remainder of the year.**

We believe there is an opportunity that aligns perfectly with your philanthropic goals and marketing objectives!
