HOLMES COMMUNITY COLLEGE
DUAL ENROLLMENT/DUAL CREDIT

Information Sheet for Benton Academy

What are the eligibility requirements?

Academic Requirements:	Career-Technical Requirements:
• Junior status or higher ***OR*** ACT composite of 30 • Minimum overall 3.0 GPA on 4.0 scale • Unconditional recommendation documented by the College's approved form	• Sophomore status or higher • Minimum overall 2.0 GPA on 4.0 scale • Unconditional recommendation documented by the College's approved form

**Local school districts may have additional requirements.*

Benefits of DE/DC Participation:

- Enriches the opportunities for outstanding high school students
- Provides opportunities for advanced high school students to earn college credit prior to graduation from high school
- Provides students with college credit that is transferable to a college or university
- Eases the transition from high school to college by exposing students to the expectations and rigors of postsecondary education
- Motivates students to follow through to a postsecondary education as they become familiar with college responsibilities
- Allows students to use the college library, labs, and other facilities and equipment

Where can I take classes?

- Holmes Community College campuses
- High school locations
- Online through eLearning

Who is responsible for payment?

- Student or parent/guardian responsible for charges
- Possible funds available through:
  - High School districts/grants/scholarships
  - Sumner Grant (Attala, Carroll, Choctaw, Montgomery and Webster)
  - Federal financial aid NOT available

Will my courses transfer?

- Mississippi Articulation Agreement between Mississippi Community Colleges and Public Universities http://www.mississippi.edu/cjc/articulation_agreement.asp
- Mississippi Articulation Transfer Tool (MATT) http://matttransfertool.com/
- Check transfer policies for other colleges/universities

Every Degree Counts! Remember to Reverse Transfer!

How do I get my Holmes Degree?

- Complete at least 16 hours of coursework at Holmes that meets degree requirements
- Send official transcript from current college/university back to Holmes indicating "Reverse Transfer" to apply credits toward your Holmes degree

Holmes will evaluate students' institutional and transfer credits – if all degree requirements are met, the degree will be awarded!!
