Photo of the Week

Our Pre-K Counts students are working hard, just like their older classmates, but don't worry - there is plenty of time for imaginative play, like making Play-Doh creations after naptime!

Spots Still Available!

CV's Pre-K Counts program still has a few spots remaining but they are going fast!

The Pennsylvania Pre-K Counts program provides free pre-kindergarten services to at-risk three- and four-year-olds and offers full day services in CVSD. This program is held in all four of CV's elementary schools.

Don't miss out - apply now!

CV Cares

CV Cares is a decades-old program designed to recognize CV employees who have gone above and beyond to make our students, parents and guardians, and community members feel welcome and supported. The recognition could be for a single extraordinary event or an ongoing pattern of positive interaction and support.

If you have had the opportunity to be on the receiving end of this type of engagement, take a moment to fill out the [online form](#) to recognize that special educator. Remember, an educator is anyone who has the opportunity to positively impact the life of a child. As such, an educator can be a bus driver, secretary, custodian, teacher, cafeteria worker, school counselor, administrator, or any other support or professional staff associated with CV.
