SCHOOL HEALTH PROGRAM

The School Nurse administers first aid and adheres to the policies and procedures as outlined in the Barbers Hill Independent School District School Health Manual which can be accessed online. The nurse does not diagnose illness, but takes note of symptoms and notifies parents when appropriate. For the welfare of your child and all the children at school, it is very important that children be kept home when ill.

All contact numbers and emails must be kept current and accurate in the event your child becomes injured or ill at school. Unlisted numbers will be kept confidential at your request. Any change in guardianship must also be kept current at the school.

Illness

Fever Statement

A student with a temperature of 100.0 degrees or above will be sent home and must remain fever-free, without the use of fever-reducing medicines, for 24 hours before returning to school.

Exclusion from PE

If a child is unable to participate in Physical Education (PE) class, then they should also refrain from participation in outside recess. If a student is unable to participate for longer than three days, a doctor's note is required. For anything less than three days, a parent note is required.

Medications

Medication that must be administered to a student during school hours must be provided by the student's parent. All medication, whether prescription or nonprescription, must be kept in the nurse's office and administered by the nurse or another authorized district employee, unless the student is authorized to possess his or her own medication because of asthma or a severe allergy as described below or as otherwise allowed by law.

The district will not purchase nonprescription medication to give to a student. District employees will not give a student prescription medication, nonprescription medication, herbal substances, anabolic steroids, or dietary supplements, with the following exceptions: Only authorized employees, in accordance with policy FFAC, may administer: Prescription medication, in the original, properly labeled container, provided by the parent, along with a written request. Nonprescription medication, in the original, properly labeled container, provided by the parent along with a written request.

ATTENDANCE

Studies have shown that there is a direct correlation between attendance and academic achievement. Furthermore, state law requires that all students be in attendance 90% of the school days in order to be promoted to the next grade level. *This number translates to an average of no more than three (3) absences per six weeks.*

As part of our effort to encourage strong attendance, we have procedures in place to identify students who may be missing an excessive amount of school. These procedures include:

- Parent notification letters
- Parent phone calls or conferences
- Individual student plans with academic supports, such as tutoring

Parent notification letters serve two purposes:

1. To keep you informed of the number of absences your child has accumulated and of the laws developed by the State of Texas that pertain to missed days;
2. To assist parents in proactively managing their student's attendance.

Compulsory Attendance

Truancy

Truancy is defined as school days missed without a valid excuse. Parent notification letters will begin when a student accumulates 3 unexcused absences. If unexcused absences continue to accumulate, parents and students will work with campus administrators to build a plan to minimize further unexcused events. Our letters are sent every couple of weeks, so please get your valid excuse notes in as soon as possible to avoid unnecessary truancy notifications.

90% or Credit Rule

The State has determined a student must be in attendance for a minimum of 90% of time the course is offered. Courses are offered by semester at the High School and annually for grades PK-8. As a way of monitoring this, our campuses will send a parent notification letter as soon as a student has accrued too many absences (excused and unexcused).

Exemptions to Compulsory Attendance

The State allows exemptions to compulsory attendance requirements for several types of absences if the student makes up all work. A list of state exempt absences can be found on the Barbers Hill website in the BHISD Student Handbook.

Locally Excused Absences & Communication

BHISD approves additional excused absences, such as illness, when a student misses school. Although BHISD considers these absences excused, please keep in mind they do not qualify for exemptions to Compulsory Attendance and will count towards missed class time under the 90% or Credit Rule, as well as campus incentives.

If a student's absence qualifies as excused, please send a note to the school explaining the reason. Notes must include the following and should be sent to school within 3 days upon the
student's return:

- The date of the note
- The name of the child (first and last)
- The date of the absence
- The specific reason for the absence

Families can now enter absence notes online in Skyward through their Family Access account. This new way of entering absence notes should make it easier to communicate with the school when your student is absent. Medical notes and other documentation can now be uploaded to support the reason for your child's absence. Upload your note as an attachment in one of the following accepted file types: pdf, jpg, gif and png.

And remember, if your student has a medical appointment, and attends some portion of the day, the absence will not count against them earning credit or toward campus attendance incentives! Please turn in your doctor's notes!

All campus incentives and prizes will be based on the official attendance time of 9:25 a.m. only.

Tardy Procedures

Tardiness is a disruption to the learning environment. The car rider line will close at 7:53 a.m. to allow students and instructional teaching staff time to get to their first period and begin class on time. The tardy bell rings at 7:55 a.m.

If a child arrives at school after that time, he/she is to report with the parent to the attendance office to receive a tardy slip. The consequences for tardiness are:

- 1st and 2nd - Warning
- 3rd - 1 day lunch detention
- 4th - 3 days lunch detention
- 5th - After school detention
- 6th - Saturday school

If a student receives more than 6 tardies, an intervention plan will be put in place. Tardies restart at the semester.

Student Birthday Desserts

Although a parent or grandparent is not prohibited from providing food for a school-designated function or for children in the child's or grandchild's classroom for his or her birthday, please be aware that children in the school may have severe allergies to certain food products. Therefore, it is imperative to discuss this with the child's teacher prior to bringing any food in this circumstance. Occasionally, the school or a class may host certain functions or celebrations tied to the curriculum that will involve food. The school or teacher will notify students and parents of any known food allergies when soliciting potential volunteers for bringing food products. For more information, please contact the campus.

Birthday desserts (cupcakes, cookies, cookie cake) may be passed out during lunch and **must be store bought.** Individual servings are best. When providing cookie cake, please pre-cut to ensure each classmate receives a piece. Goodie bags for birthdays are prohibited.

Birthday invitations may only be passed out if **all students in the class receive an invitation.**

CITIZENSHIP AND CONDUCT

District Policy for Discipline

The Barbers Hill Independent School District's Code of Conduct, approved by Texas Education Agency, is available in the office or online at www.bhisd.net. The following is an excerpt from the Code of Conduct:

Expectation for Behavior

Students will be expected to behave in an appropriate manner at all times. Appropriate behavior will be recognized, while inappropriate behavior will not be tolerated and will be addressed accordingly. Some consequences that may be used for inappropriate behavior are parent contact, removal of privileges, detention (lunch and/or after- school), corporal punishment, in-school suspension, Saturday school, home suspension, and/or removal. Students who misbehave for a substitute teacher will automatically receive a discipline referral. Specifics regarding discipline management can be found in the Barbers Hill Independent School District's Student Discipline Management Plan.

Citizenship Guidelines

Students in grades 4–12 will not receive formal conduct grades. Instead, parents will be regularly informed about their child's citizenship and behavior throughout the year.

To encourage positive behavior, students will be recognized every three weeks for meeting behavioral expectations. For those students who do not meet expectations, parents will be contacted by the student's teacher and/or their designated assistant principal.

At the end of the year, students who meet the following criteria will receive a Citizenship Award:

- No office referrals
- No more than two teacher warnings
- No bus referrals

Additional Rules to Follow

- Any smart devices with bluetooth communication capabilities, IPods/MP3 players, toys, cameras, headphones, laser pointers, and electronic games will **NOT** be allowed at school. If these items are taken up by school personnel, the parent/guardian must come to the school to pick up the item(s), and disciplinary action will be taken.
- The school premises are not allowed to be used by students for the sale of any product unless it is a school-sponsored activity.
- No rolling backpacks, unless student has a medical exemption
- Items/devices deemed distracting to the learning environment by campus administration will be banned.

ACADEMICS

Grading Guidelines

The school year is divided into two semesters. The semester grade is the average of three six-week periods.

Students will receive a numerical grade each six-weeks from each academic subject. The six-week grade will be an average of not less than **six minor grades** and **two major grades** (Grades 4 & 5 Social Studies - two major grades and four minor grades are required). In order to maintain and provide ongoing, timely feedback, a minimum of **one grade will be posted weekly.** Grades will be entered into Skyward within one week of the assignment's due date.

Grades received in Specials classes (art, computer, PE, and music) will be recorded as P (Pass) or F (Fail).

Teachers will utilize codes in Skyward to communicate

missing work. If a student does not complete the assignment when it is assigned/due, a teacher will record a zero and use the following code:

- **A** - Student was absent; make up guidelines apply
- **M** - Student was present, but did not complete the work; late guidelines apply.
- **L** - Late guideline was applied to that assignment

Reporting Student Progress

Progress reports and report cards will be sent via Skyward Family Access Program at the midpoint of each six-week period to parents or guardians. These reports are to advise parents of academic progress. In addition, teachers will notify parents should students fall below passing at the midpoint of the six weeks.

The district may communicate academic information about a student electronically, including for progress reporting purposes. An electronic signature will be accepted by the district, but parents are entitled to request a handwritten signature of acknowledgment instead.

Physical Education

1. Tennis shoes will be required every day.
2. Since students will be very active during PE class, girls should wear shorts under skirts or dresses.
3. If a student is sick or injured and cannot participate, he or she should bring a note stating the reason and how many days he or she must sit out. If the child will miss three or more days due to injury, a doctor's note will be required.
4. Physical Education grades will be recorded as P (Pass) or F (Fail).

Recess

4th and 5th grade students will have a recess break during the day. 6th grade will have PE daily along with an elective.

Recess Rules are as followed:

- Gymnastics or stunts are not allowed.
- Only school issued equipment is allowed; students are not allowed to bring any equipment from home.
- No games with tag.
- Patio equipment should be left alone and not moved or stacked.

DISMISSAL

Students should be given instructions at home about any changes in their daily transportation routine. We try to keep interruptions of classes to a minimum and there are many moving parts at the end of a school day to ensure all students are released to the appropriate dismissal location. **"Day of" transportation changes need to be made through the front office and not through the teacher. These requests must be made before 2:30 p.m.** This is to support our staff in all dismissal procedures to ensure that every student is in the correct location to get home safely.

If you attempt to change the dismissal location of your child after that time, we will try to accommodate that request as we know emergency situations arise. If it happens more than once, our front office team will partner with you to address any concerns or issues with the normal dismissal procedure.

BUS RIDERS

Student safety is a high priority for the Barbers Hill ISD Transportation Department. Maintaining high safety standards works best with the help and cooperation of the driver, students,
parents and administrators.

Many people are surprised to learn that the State of Texas does not require school districts to furnish transportation. (Federal law covers transportation services for special needs students.) However, in the interest of student safety, district vehicle riding **privileges** have been made available to all students at Barbers Hill ISD. The driver must keep their attention on the road and the operation of the bus; therefore, they cannot jeopardize the safety of all students due to the behavior of a few. The school district may deny transportation privileges to those students that fail to comply with any of the safety guidelines. *Student behavior may be monitored with audio/video cameras.

Conduct on the bus

Eagles are safe and respectful on the school bus.

- Keep **ALL** belongings inside backpack.
- Stay in assigned seat.
- Keep aisle clear.
- Stay seated until bus stops completely.
- Speak quietly.
- Be respectful.
- Keep hands and feet to yourself.

Misconduct and high level behaviors will be punished in accordance with the Student Code of Conduct; the privilege to ride in a district vehicle, including a school bus, may be suspended or revoked.

Requesting Bus Transportation

All requests for a bus route are coordinated through our front office. Please allow three days for your child to be routed on a bus.

SMART Tag Parent Portal:

BHISD utilizes the "SMART tag" system to improve student safety and security while riding their bus. SMART tag is a student ridership authentication which ensures our students are getting on the right bus and off at the right stop.

The SMART tag parent portal will allow parents to view their children's riding activity, current riding status, manage text notifications, and more.

If your student is a returning bus rider, his/her SMART tag will be automatically activated at the start of the school year. Your child will receive the active SMART tag on the first day of school.

If your child is a new bus rider, you will contact the front office. Residency or daycare address will be confirmed and your request for routing will be shared with transportation. Please allow up to three days for routing to be completed. Transportation will notify you when the route is ready with all necessary information (bus number, pick up time, etc.)

Each student will receive a SMART tag card and will scan this card on a card reader when getting on the bus and when getting off the bus. The first SMART tag is free of charge. Replacement tags are $5.00 and can be purchased through the front office.

CAR RIDERS

Car riders will utilize "Car Rider Pro" to safely load cars at dismissal. All car riders must have a tag and each family will receive one Car Rider Pro tag at no cost. Additional and/or replacement tags will be provided by the front office at $5.00/tag.

Car riders will be dismissed from the cafeteria. The car rider line will open at 2:30 p.m. when the scanner begins reading tags. As you pass the scanner, your tag must be hung from your rearview mirror to be scanned properly. If your tag fails to scan, you will be directed to drive around to the front for assistance. Please remember we are loading buses in the bus lane, so please park in a parking space.

With multiple campuses utilizing the Car Rider Pro system, we will add a sticker to each tag in order to identify the tag as belonging to ISN. This will support the safe and swift release of our students.

Car riders must be picked up by 3:45 p.m. If you are late, please park in a parking space at the front of the school and bring your identification into the front office to pick up your student. Patterns of late pick up will result in a meeting with administration.

WALKERS AND BIKERS

Students will be allowed to walk or ride their bikes if their home address meets the campus criteria. All requests for students to become a walker or a biker are processed through the front office and a waiver must be on file for ISN staff to confirm eligibility to walk or bike home.

Students who have an approved walker/bike rider waiver on file will be dismissed according to the direction they walk. East walkers will be dismissed at 3:20 p.m. Due to heavy traffic, West walkers will be dismissed on a delayed schedule to ensure they are able to safely cross the bus lane and John Hall Drive.
