2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

Cypress Elementary School is located in the city of Covina, twenty-five miles east of Los Angeles in the East San Gabriel Valley and has an enrollment of approximately 575 students in grades Transitional Kindergarten through fifth. The school is part of the Covina-Valley Unified School District which is composed of nine elementary schools serving K-5, three middle schools serving grades 6-8, three comprehensive high schools, and one alternative high school. The campus hosts a Kids Korner Daycare and the Elevate program which provides before and after school care.

Cypress School is one of nine elementary schools in the Covina-Valley Unified School District. Cypress is a one-to-one school where all students have their own device. Students grades TK-5th use their 21st Century skills of collaboration, critical thinking, creativity, and communication in an environment that is considered a normal discipline in the classroom.

As part of our ongoing plan to sustain growth, our leadership team conducts a yearly needs assessment and evaluates our systematic intervention program to ensure that it continues to meet our students' needs. We continue to offer an intervention/extension rotation designed to provide dedicated leveled instruction for 45 minutes daily. Students are tested to determine which intervention they will receive and are retested at each trimester using standards-based STAR and i-Ready reading and math assessments to determine response to intervention. These findings are discussed within the grade level PLC

2024-25 School Description and Mission Statement

meetings to make adjustments to the students' schedules and are documented in the yearly planning meetings with the principal.

Daily leveled ELD is integrated into daily intervention for Kindergarten through 5th grade students.

Currently, 16.2% of the students are categorized as English Language Learners (ELL) with the majority speaking Spanish. Cypress is a Schoolwide Title I school with 81% of the students on Free or Reduced lunch. Other demographics include: 3.5% African-American, 4.6% Asian, 3.3% Filipino, 80.3% Hispanic/Latino, 5.3% White, and 2.3% two or more races.

All of the teachers are fully credentialed, meet the ESSA State Standards for highly qualified, and are CLAD certified. Our staff includes of two Special Education teachers in our Specialized Academic Instruction Program. In addition, we have 2 Speech and Language Pathologists. Cypress also has a Title 1 Intervention Specialist and a Math Intervention teacher who work with our socioeconomically disadvantaged population, coordinates, and teaches our intervention program. To support our student social/emotional needs, Cypress also has a full time elementary counselor to support out

Cypress Elementary School was constructed in 1956 and had some upgrades in 1994 through a modernization process. The school's playground has been completely renovated and the 4,000 square foot Library Media Center was completed in the 2003-2004 school year.

Cypress is proud to be a Gold Ribbon School and a Title I High Achieving School. The cultures of Cypress students are celebrated and respected through a variety of events throughout the school year including our Read on the Green celebration in March. Cypress has an active PTA that works in conjunction with the staff to enhance learning opportunities for students through field trips and assemblies. Through PTA, Cypress has developed many community partners that offer services to the Cypress School family.

CYPRESS VISION AND MISSION STATEMENT

At Cypress, we believe that our students will one day change the world. Cypress Elementary School is a caring and collaborative community where students are empowered to own their educational experience. We are committed to providing a safe and nurturing environment and developing self-motivated thinkers who are able to succeed in an ever-changing world. We aim to see learning through the eyes of our students and want students to actively be their own teachers. We want students to be visible learners. To do so, they must continually ask themselves: "Where am I going?", "How am I doing?", and "Where do I go next?". We are committed to a growth mindset and the belief that everyone can get a little bit better every day.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Covina-Valley Unified School District ensures that textbooks and materials are sufficient, current and available for each student in all core classes. Covina-Valley Unified School District held a Public Hearing in the fall of 2024 and determined that each school within the District has sufficient and good quality textbooks, instructional materials, and science lab equipment, pursuant to the settlement of Williams vs. the State of California. All students, including English Learners are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom or to take home. The governing Board approves all textbook adoptions for grades TK-12, which includes verification that instructional materials are aligned with California Content Standards and the State Frameworks.

School Facility Conditions and Planned Improvements

Cypress Elementary School was built in 1955 and modernized in 1994. School facilities span nearly 44,000 square feet, and consist of permanent and portable classrooms, a cafeteria, administrative offices, restrooms, and storage rooms. A new Library Media Center was opened in May 2005 with state-of-the-art computer laboratory, wireless internet and an amplification system. The school also received a new marquee, hardscape and new playground equipment. In the summer of 2007 the parking lot was patched and slurry sealed, and all traffic/parking markings and curbs were painted. In June 2009 the cafeteria and all bathrooms were painted. Three portable classrooms and asphalt pads were added to the school site. Twelve portable classrooms received new carpet in the summer of 2014. The facility strongly supports teaching and learning through its ample classroom and playground space.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

Mathematics (grades 3-8 and 11)	34	34	35	37	34	35

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parents and the community are very supportive of the educational program at Cypress Elementary School. Numerous programs and activities are enriched by the generous contributions made by a large number of local businesses and the following groups and organizations: Local Assistance League, Rotary, and the Parent Teacher Association (PTA). Cypress is also supported by many local businesses including WalMart, Home Depot, Panda Express, Target, Island's, BJ's, Horace Mann, Raising Canes, and In-N-Out.

The school holds many events throughout the school year in which parents and community members can get involved. These events include School Site Council meetings, English Language Advisory Council meetings, PTA meetings, Day of the Children Festival, adult education, evening parent involvement meetings, Family Reading Night, Walk Your Child to School Day, and Red Ribbon Week. The PTA sends flyers home throughout the year to keep parents informed of these events. A monthly calendar is sent home in English and Spanish to keep parents informed of events at Cypress Elementary School. In addition, our webpage, Facebook, Instagram, and marquee post regular event updates.

Covina-Valley prioritizes Parental Involvement by actively engaging parents in decision-making processes at both the district and school levels. The collaborative efforts include the establishment of School Site Councils, English Learner Advisory Committees (ELAC), District Advisory Council/District English Learner Advisory Committee (DAC/DELAC), and participation in the Local Control and Accountability Plan (LCAP) advisory.

Parents who wish to participate in Cypress Elementary School's leadership teams, school committees, school activities, or become volunteers may contact school office personnel at (626) 974-4300.

2024-25 School Safety Plan

Safety of students and staff is a primary concern at every school throughout the District. Each school complies with laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted regularly throughout the school year. Each school annually participates in the "Great California ShakeOut". The school's Safe School Plans are reviewed annually by a law enforcement officer (usually our School Resource Officers from West Covina and Covina Police Departments). The document is "fluid" and updates are completed as needed. For example, updates are completed if a school discipline policy is added or modified, changes are made to the campus map, additions and/or modifications are made to the telephone trees, etc. All visitors must check in at the school office and wear a visitor badge while on school grounds. During lunch, recesses, and before and after school, staff members supervise students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment. The Comprehensive School Safety Plan was developed by administrators, other school staff members, and Los Angeles County Office of Education staff members. It is reviewed, approved, and evaluated by the School Site Council in cooperation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive School Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe ingress and egress from school, sexual harassment policy, and suspension and expulsion policies. The plan is reviewed annually with school staff. An updated copy is available to the public at the school and District Office.
