Undisclosed Comment: Concerns about integrating data, esp. from Enrich Does offer PD Liked the dashboard Resource library? What is available? Storage capablity/limitations?	Finalized	60.16	60.16
Undisclosed Comment: Concerns over what district will have to do on front end to import data Pulls in 3rd party data (iready/ACCESS) - No State Testing/ issues with other uploads Offers support and PD - yes are there limitations on uploads? Tech concerns No examples of what is in the intervention library Not enough visualizations of the dashboards and what the actual program does for teachers	Finalized	58.16	58.16
