Under the Passive PPO plan, you may choose at the time of service either a Superior Dental SuperDental participating dentist OR Dentemax PPO participating dentist or any nonparticipating dentist. With the PPO plan, savings are possible because the participating dentists have agreed to provide care for covered services at negotiated rates and cannot balance bill. Nonparticipating benefits are based on the usual and customary fees in the geographic areas in which the expenses are incurred.

**For a current listing of participating dental providers from the 2 available PPO Networks:**
