MISSION STATEMENT

The Lindenwold School Community is committed to preparing all students to meet the New Jersey Student Learning Standards and providing a safe, academically challenging, child-centered environment where all students will solve problems, develop a sense of self-worth, and embrace life-long learning whereby they become productive citizens and members of their community.

PROGRAM OVERVIEW

School Five is now home to all Lindenwold students in grades 4 and 5. Each grade level has 12 classrooms and operates on a departmentalized dyad teaching model. This means your child will have a homeroom teacher who specializes in either Reading, Writing, and Social Studies, or Math and Science. For the other core subjects, your child will learn from a second teacher who specializes in those areas. This ensures that your child benefits from teachers with expertise in each subject.

School Five also provides Multilingual Language (ML) learner services, led by ESL teachers, for students whose home language is not English. Special Education services are available for students who have qualified for them through the District's Special Services & Child Study Team. More detailed information about School Five's instruction and curriculum practices can be found on the District's website:

<https://www.lindenwold.k12.nj.us/departments/curriculum-and-instruction>

All students at School Five receive both breakfast and lunch during the school day. Breakfast is free and available to all students. Please see the food services information on page 12 for more information on how to apply for free or reduced lunch services. In addition to core subjects, all students will receive instruction in world language, art, music, physical education (P.E.)/health, and media/library. Students at School Five will also enjoy recess time daily, whether indoor or outdoor based on the weather.

SCHOOL HOURS

Regular School Day – 8:25 am- 3:00 pm

Early Dismissal– 8:25 am- 1:00 pm

Two- Hour Delayed Opening– 10:25 am- 3:00 pm

STUDENT ARRIVAL PROCEDURES

School begins at 8:25 am. Students may enter the building beginning at 8:15 am. If your student does not take a bus, please note that school staff will not be on duty to supervise any students who arrive before 8:15 am. If you wish to have your child supervised before 8:15 am, you are encouraged to join the Champions before and/or afterschool program (more details on page 4). Students arriving after 8:25 am are considered tardy and will have to check in at the main office for a late pass prior to proceeding to class.

There is limited parent parking on school property. Parent parking is permitted in the spots labeled “visitor” only. If you are dropping your child off in the morning, please join the car line and follow all staff directions and posted signage. You may drop off your child at the “blue” painted curb and school staff will be on duty to ensure that your child makes it to their designated entrance.

If you prefer to walk your child to their designated entrance, please note, your car is not permitted to park/idle at the curb or in the parking lot in any spot that is not labeled “visitor”. If you did not bring a vehicle or your vehicle is parked off-property or in a visitor spot, you are permitted to enter the blacktop area behind the school, where all students, who arrive on time, enter the school building.

STUDENT DISMISSAL PROCEDURES

Students who do not take a bus or attend the Champions afterschool program are dismissed at 3:00 pm. If you are picking up your child from school in a car, please reference the above arrival procedures, and only wait along the painted curb. Please do not park or idle your vehicle in any other spaces and walk on property to retrieve your student. If you or another caregiver (older sibling, babysitter) would like to retrieve your student from the blacktop, you must arrive on foot, park your vehicle off school property, or in one of the limited visitor spots.

If there is a change to your child’s dismissal routine, i.e. picking up your child instead of having them ride the bus, please send in a note with your child that morning or call the main office early in the day to ensure that information is communicated to your child’s teacher before dismissal time.

EARLY STUDENT PICK-UP

For student safety, anyone signing out a student must be listed on the RealTime Contacts List for that student and *must* produce a photo ID so staff can readily identify them. Please understand that we cannot release any student to any adult without ensuring that the adult is

identified via ID and is listed as an approved person to pick-up that child. Please note that dismissal on regular school days begins at 3 pm. If you need to pick up your child early from school, please make every effort to do so prior to 2:45 pm so as to not interfere with usual dismissal procedures.

CHAMPIONS: BEFORE AND AFTER CARE

TRANSPORTATION

The Board of Education shall transport eligible pupils to and from school and school related activities in accordance with N.J.S.A. 18A:39-1 et seq., N.J.A.C. 6A:27-1 et seq. and Board policy. The Board will provide transportation to and from school for public school pupils less than remote from their school in grades PK through 8 who live more than two miles from the school they attend. All students riding district transportation are required to follow the transportation code of conduct linked here: [Transportation Code of Conduct](#)

Bus passes are mailed home prior to the start of the school year and can also be accessed through the parent portal. TECHNOLOGY (Personal devices)

Grade PK – Grade 8: Students may not have any personal electronic devices (cell phones, smart watch communication apps, AirPods, etc.) visible and in use during the school day. This protocol begins the moment a student steps onto school property. Students will be asked ONE TIME in a school day to put their electronic device away which means cellular communication devices must be placed in their backpack or locker. Electronic devices should remain out of sight and in backpacks and/or lockers during the school day. Please let your children know, after requesting one time for an electronic device to be deactivated or put away, the electronic device will be confiscated by an administrator. Phones will then be secured in the main office and released ONLY to an adult. Electronic devices will not be returned to a child – only an adult.

Refusing to surrender an electronic device to an administrator will be considered insubordination. If as a parent you do not wish to engage in this process, you must keep all electronic devices at home. If you allow your child to bring an electronic device into school, you are agreeing to follow our protocol.

Students may not use their personal electronic devices to randomly record or photograph other students during the school day. Only school related photographs may be taken during the school day. Those photographs are taken by our identified and trained LHS District Student Photographers or by designated School Staff. School District Photographers or school staff ONLY use photographs for the following identified purposes: communication with families, commemorating school related celebrations, unique educational experiences, or for school / district promotional purposes. ANY student who chooses to video record or photograph during the school day – including but not limited to inappropriate student behavior for the purpose of personal entertainment, humiliation, bullying, or harassment will be disciplined in accordance with the Code of Conduct. Furthermore, any student SHARING photographs/videos of other students for the purposes of bullying, harassment, humiliation, etc. will be addressed in the same manner. Sharing photos and videos causes significant harm to others.

Please see the full Code of Conduct (page 11) for how personal electronic device infractions will be managed.

TECHNOLOGY (School-issued devices)

Students in grade 4-5 will have access to school-issued Chromebooks for work completion throughout the school day. For students in grades 4, Chromebooks will remain on school property. For students in grade 5, Chromebooks will be permitted to travel between home and school each day. Prior to taking home a Chromebook, the parent and student technology agreement must be signed and returned to school. All students using school-issued devices are responsible for adhering to the district's acceptable use policy. The technology handbooks here linked here:

[Technology Handbook- English](#)

[Technology Handbook- Spanish](#)

STUDENT IDS

As a part of school district safety measures, all students in grades 4-12 are required to wear their school-issued student id card around their neck on a school-issues lanyard throughout the school day. The student id protocol allows for the easy identification of students during any emergency situation, and has a scanning feature for students to sign into school when late, receive their school lunch, etc. If your child loses their school-issued id or lanyard, please contact the main office for a replacement as soon as possible.

Supervision at Dismissal

Per Board Policy [#8601](#), any parent(s) or legal guardian(s) of a student attending a district-operated school or program in grades Kindergarten to four, where the student is not eligible for district-provided transportation or is eligible and elects not to use district-provided transportation after dismissal may request the school or program not release the student to walk home after dismissal unless the student is released to the parent(s) or legal guardian(s) or escort(s) designated by the parent(s) or legal guardian(s). You will receive a letter and sign-up form from your child(ren)'s school in September. Please contact the school main office with any questions on this program.

STUDENT CODE OF CONDUCT

School Five follows a school-wide positive behavior support and intervention system (PBSIS) known as *Cubs' Pride*. *Cubs' Pride* is a framework that establishes, teaches, and promotes appropriate school-wide behavioral expectations. The *Cubs' Pride* guiding motto for all students is: ***"Be Kind", "Be Responsible", and "Be a Problem Solver"*** and it helps create a predictable and safe environment for all learners. In addition to interventions embedded in the *Cubs' Pride* system, the student code of conduct, guides the disciplinary measures implemented when

students struggle to follow the school-wide behavior expectations. The full code of conduct is linked here: [School Five Code of Conduct '25-'26.pdf](#)

Harassment, Intimidation, and Bullying (HIB)

The Lindenwold Board of Education prohibits acts of harassment, intimidation or bullying of a student. The district Board of Education has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards; harassment, intimidation or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and disciplined environment. Since students learn by example, school administrators, faculty, staff and volunteers should be commended for demonstrating appropriate behavior, treating others with civility and respect and refusing to tolerate harassment, intimidation or bullying. No pupil, staff member, vendor, volunteer or visitor shall commit an act of harassment, intimidation or bullying of any kind against any member of the school community.

Families, staff members, students, and community members can report an incident of HIB using HIBSTER (<https://reporting.hibster.com/Pages/ReportIncident338.aspx?Id=150>) or fill out a printable copy of the HIB form from the District website and send it to Dr. Kristin O'Neil, School Superintendent (koneil@lindenwold.k12.nj.us) and Ms. Dana Lawrence, School Five Principal, (dlawrence@lindenwold.k12.nj.us).

The following staff members have been appointed to anti-bullying positions for the 2025-2026 school year:

School Five Anti-Bullying Specialist: Ms. Jennifer Bailey: jbailey@lindenwold.k12.nj.us

District Anti-Bullying Coordinator: Amber Gresik-Callow: agresik-callow@lindenwold.k12.nj.us
