

MJHS 2025 SEPTEMBER NEWSLETTER

"Preparing Each Student for a Successful Future"

We are excited to have your student in junior high this school year! We have had an excellent start to the school year. This newsletter is to inform you of all the events that are happening in our junior high. There will be resources shared that will help ensure that your student has a successful school year. We look forward to partnering with you. Throughout the year, please reach out to Mr. Hyde or Mrs. George if you have questions.

QUSTODIA - PARENT APP TO MONITOR CHILD'S DAILY CHROMEBOOK USE

As part of our commitment to your child's online safety, we want to let you know about an important update. Marshfield R-1 Schools have partnered with Qustodia, the world's leading provider of online safety solutions.

As devices play an increasing role in children's education, it is crucial that we put safeguards in place. Your child already benefits from internet filtering technology which blocks inappropriate web content on their school-owned device. This is also mandated by US legislation.

Marshfield R-1 Schools is going one step further. We are granting every parent a voluntary free Qustodia Parental App account. If you choose, Qustodia will give you important insights into your child's online activity on their school device. You can use it to review and manage activities on other devices in your home too.

With Qustodia, you'll be able to: Manage your child's screen time; Supervise your child's online activity; and Access expert advice via Marshfield R-1 Schools Online Safety Hub

Activate Your Free Account - In the coming days, Qustodia will email you with simple instructions to register your account, or you can start today by visiting www.qustodia.com/my-school. Please be sure to use the same email address we have on file for you when registering to connect to your child's device. If you do not receive an email from Qustodia or you are not able to register your account, you will want to go to the Infinite Campus Parent Portal create an account.

Please visit <https://mjays.onlinesafetyhub.io/> for more information about Qustodia, access to expert advice and additional resources.

COUNSELOR CONNECTION

Students received an invitation to a canvas course where the MJHS Counselors, Mrs. Dowler and Ms. Guzman, will post important information throughout the school year. Students can use the link in the course to request a visit with their counselor.

Competency of the Month: Self-Management

Self- Management is the abilities to manage one's emotions, thoughts, and behaviors effectively in different situations and to achieve goals and aspirations. Students will be exploring the use of time trackers and agenda's to prioritize their time and task completion. This will help students to make responsible choices academically. Students will also learn about navigating emotions and coping strategies.

Take some time this month with your child to discuss how the skills of planning ahead, staying organized, and managing stress can support them both in school and at home. Ask them what strategies they are finding most helpful, and celebrate their progress as they grow in independence and responsibility.
