Dear Parents and Guardians of the Green Township School District,

The Green Township School District is an exceptional learning community that empowers students and staff to embrace their individual strengths in a safe, supportive environment that fosters a love of learning while pursuing their full potential. The Green Township School District educates every student to become a confident and caring life-long learner who communicates effectively and contributes positively to the evolving needs of society. The district, in partnership with the community, promotes academic excellence and equitable opportunities for all students. These statements serve as our district vision and mission and provide both our inspiration and grounding in all that we do to support our students.

As we enter into the 2025-2026 school year, we have much to be excited about and thankful for in our school community. There is something wonderfully nostalgic and heartwarming about the way a school building looks in the days leading up to opening with pencils sharpened and name tags labeling classroom spaces. Yesterday we welcomed new and returning students during our Preschool and Kindergarten Orientation Events, New Student Tours, and Middle School Locker Set Ups. It was a joyful experience to observe as our students prepare for a new year of learning and laughter with their friends and teachers.

We are so excited to begin another great year with our amazing students and staff! As the final weekend of summer is upon us, now is the perfect time to share some final updates and reminders for what will be an incredible start to the school year!

Welcome to New Staff - Please join me in welcoming the following new staff members. We are excited to have them join our wonderful team!

Sean Hardy - Paraprofessional
Stephanie Kilpatrick - Special Education teacher
Deanna Livigne - Paraprofessional
Manual Ovalles - Evening Custodian

Thank You – Thank you to our dynamic custodial team for all of their hard work this summer! The building and grounds look amazing and are ready for our students to return next week. Thank you to our administrative assistant team for getting all of our systems in place for the upcoming school year. We are thankful to have our building, website, and student systems ready for our students, families, and staff members!

Facility Updates – The Green Township School District takes great pride in maintaining a pristine school environment. Our team has worked diligently to ensure that our building is ready to welcome our students back to campus next week! The hallways are literally shining bright after having been refinished. The exterior doors and railings are freshly painted. Several classrooms, offices, and hallway spaces are freshly painted. The gym floors have been resurfaced and are gleaming. We have installed a new network backbone which improves our ability to run enhanced security features while providing a seamless experience to our students and staff. The exterior flower beds are replanted and provide for an inviting entry way into the building. Each of these updates adds to the beauty of our school space and supports our students in their learning by creating a safe and supportive school environment.

Raptor System – The Green Township School District is pleased to announce that we will begin using the Raptor Visitor Management System in our school district to strengthen our program of campus safety for students and faculty. Part of keeping students and faculty safe is knowing who is in our buildings at all times, and the Raptor system will allow us to do that. The Raptor system will better allow us to screen visitors, contractors, and volunteers in our schools and provide us with a safer environment for our students and staff. All visitors entering beyond the vestibule will need to bring a license or other approved ID each time you visit to have your pass printed. A letter regarding the new Raptor System has been shared with the community as well.

First Day for Students - Students will begin the year on Wednesday, September 3rd. Arrival will begin at 8:05 am and dismissal begins at 3:04 pm. Please be patient as you await your bus, drop off, and pick up your child from school. We want to ensure that our students are supported every step of the way for the opening of the school year. The lower elementary school teachers will be out front to gather their students and lead them to their classrooms at arrival. The pick up of students at dismissal occurs behind the building. A detailed explanation of our dismissal procedures has been shared with the community as well.

We wish everyone a wonderful holiday weekend filled with happy moments as we enjoy the final days of summer. We look forward to welcoming our students on Wednesday, September 3rd as we begin a great year together!

Sincerely,
Jennifer Cenatiempo, Ed.D.
Superintendent
