English Learners (ELs) and Migrant

The Enterprise City School System conducts meetings throughout the year for the parents of English Learners and Migrant students to provide general information about the EL and Migrant program, curriculum, instruction, system's policies and procedures. The EL staff facilitates communication between parents who speak other languages and the school by assisting during the registration process, translating during meetings, and translating at conferences. The EL staff translates documents and other important forms. RBE will continue to ensure that school information is translated in a language parents can understand.

For Your Information

Parents who wish to make and submit (to the LEA) their comments of dissatisfaction with RBE's Parent Involvement Policy, plan, school-home compact, and/or the Continuous Improvement Plan have the right to speak to the principal, the assistant principal, the ECS EL Specialist (Mrs. Markel Strawder) or the ECS Federal Program Director (Mrs. Sheree Hardrick). Parents may also follow the Enterprise City Board of Education approved Grievance Procedure steps listed in the Enterprise City Schools Elementary Handbook.

Title I Parental Involvement Policy

RBE's Title I Annual Meetings are held during the first semester of each school year. There will be at least two meetings offered at different times so all parents will have a chance to attend. During the meeting, parents are given an overview of the Schoolwide Plan to include, but not limited to: School-Home Compacts, RBE Parental Involvement Plan/Policy, Parents' Right to Know, and the use of Title I funds (1% of the Title Fund set aside are reserved to print the Elementary Parental Involvement Calendar). Parents are asked to complete a survey at the end of the year evaluating the Schoolwide Program and Parental Involvement. These documents are in the school's office and posted in the school publication section on our school website.
