## Bell Elementary School Compact

### As a School, We Will:

- Provide a high-quality education based on the district's curriculum, delivered in a positive and effective manner aligned with the new educational system being implemented this school year.
- Offer hands-on learning activities every day to engage students in their learning.
- Provide opportunities for parents to volunteer and actively participate in the school community.
- Offer workshops and classes for parents to help them support their child's academic progress at home.
- Share regular updates on students' academic performance with parents.
- Hold at least two parent-teacher conferences annually to discuss student progress.
- Organize at least two family nights during the school year to engage families in school activities.

---

### As a Parent, I Will:

- Ask my child about their school day and actively engage in their learning process.
- Support my child with homework and learning activities at home.
- Encourage my child to read for at least 20 minutes daily and practice math facts regularly to build their skills.
- Ensure my child attends school every day and arrives on time.
- Attend school meetings, events, and parent-teacher conferences to stay involved in my child's education.
- Participate in school activities and support school initiatives.
