Dear Meniffee County Parents and Guardians,

What a fantastic start to the school year it has been! We've truly enjoyed welcoming our students back and seeing their energy and excitement fill our hallways and classrooms. We are so grateful for your partnership and support in making the beginning of this year a success.

As we head into the first long weekend of the year, we want to take a moment to ask for your feedback. We've created a brief, 5-question survey to better understand your experiences during these first few weeks. Your insight is crucial to helping us identify what's working well and where we can make improvements.

Why we want you to complete the survey:

- Your voice matters. This survey covers important topics like communication, instruction, attendance, and safety. Your honest feedback will directly help us improve our services and support for every student and family.
- It's quick and easy. The survey only takes a few minutes to complete, and your responses are confidential.

Thank you for your continued partnership. We hope you and your family have a safe and wonderful three-day weekend!

Sincerely,

Joshua Kincaid, Superintendent
