What is a Title I School?

- Being a Title I school means receiving federal funding (Title I dollars) to supplement the school's existing programs. These dollars are used for...
 - Identifying students experiencing academic difficulties and providing timely assistance to help these student's meet the State's challenging content standards.
 - Purchasing supplemental staff/programs/materials/supplies
 - Conducting parental Involvement meetings/trainings/activities
 - Recruiting/Hiring/Retaining Highly Qualified Teachers
- Being a Title I school also means family engagement and parents' rights.

Title I Funds

- Any Local Educational Agency (School District) with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of it's Title I allocation for parental involvement.
- Of that 1%, 10% may be reserved at the school district for system-wide initiatives related to family engagement. The remaining 90% must be allocated to all Title I schools in the district. Therefore each Title I school receives its portion of the 90% to implement school-level family engagement.
- **You have the right to be involved in how this money is spent.**
