Zero Tax Rate Increase

PNGISD's I&S Tax Rate will not increase if this bond proposal is approved by the voters.

However, state law requires every school district to include the statement "This is a Property Tax Increase" on the ballot, regardless of the actual impact on the district's tax rate.

This is an increase in the school district's debt, but not a property tax rate increase.

The current I&S rate would remain constant to cover the capital improvements.
