Fargo Public School District #1

SPARTANS TO HOST SWIMMING TRIANGULAR AT ISLAND PARK POOL

When they dive into the pool for their triangular this Friday, swimmers and divers from Fargo North, Fargo South, and Grand Forks will be making history at a unique competition that is sure to be an experience to remember for everyone involved.

WHAT: High School Swim Meet at Island Park Pool
WHEN: **Friday, August 29** at 5 p.m.
WHERE: Island Park Pool, 502 1st Avenue South, Fargo
CONTACT: **Dan Shultis**, North activities coordinator, 701.446.2407 or shultid@fargo.k12.nd.us for more information.

In what is believed to be a first in North Dakota, Fargo North High School is hosting an outdoor swimming triangular against Fargo South and Grand Forks at the newly renovated Island Park Pool on Friday. North swimming and diving coach Talia Butery asked other North Dakota coaches, and they believe this will be the first outdoor high school swim meet held in the state.

The new pool, which opened in June, hosted a club meet this summer, but this will be the first high school meet at the pool. This will be the first meet contested at the facility in the 25-meter short-course format as the club meet was contested in the 50-meter long-course format. Prior to being renovated, Island Park Pool hosted club meets but not high school meets. The new facility allows this to be possible when it was not previously.
