BRIARCREST REGIONAL
ART CONTEST & EXHIBITION

2025 BRACE RULES **Registration is Online**

1. Each teacher is allowed up to 2 entries per grade level with the exception of photography entries. **Only one entry per student will be permitted.** All entries must be made by a school or home school association/private studio. Only teachers may submit work.
2. Each entry must be properly listed for submission. Each Image submitted needs to be listed by Grade.LastName.FirstName. It is helpful to list the title of the art if possible. *PLEASE double check name spelling and student grade before submitting. Labels print exactly as you enter the information.
3. All entries must be the original work of the students. Copies of published or unpublished works made by someone else will not be accepted. No master copies or art made directly from another source will be accepted. The work must have been completed since September 1, 2024.
4. All photography will be judged separately from other media. Teachers of Grades 7-12 are allowed 1 piece per grade of photography in addition to the 2 art entries per grade. Only 1 award will be given in this category, BEST OF PHOTOGRAPHY. **Photographs will compete against one another regardless of student grade level and are not eligible for any other awards in the contest.** Photos will not compete against any other media.
5. When pictures of the artwork are uploaded, the work is then assumed released for publication. When entered into the BRACE Entry Form all art uploaded is considered released for viewing and publication. In other words, each submission entry automatically releases the work and assumes the right to publication.
6. All premiums will be awarded to the students in the form of cash or gift certificate at the award ceremony. ****Students receiving a cash prize or gift certificate prize must make every effort to be in attendance**.** If there are circumstances that can't be avoided and the student can not attend, a representative of the student must be present to accept the award. We love to have Honorable Mention winners in attendance, but their attendance is optional.
7. Judges' decisions are final.
8. The BRACE Committee reserves the right to amend or interpret the General Rules and to arbitrarily settle and determine all questions and differences arising in regard to those rules. The BRACE Committee reserves the right to refuse or accept conditionally any exhibits offered, and the right to display or NOT display any item. PLEASE MAKE SURE ALL ENTRIES ARE "FAMILY FRIENDLY."
