RESULT OF BID PROTEST

In Reply to the Bid Protest received 8/04/25 from Shane Brown Electric for Bid #0480-411, Sam Brannan Telecenter:

Shane Brown Electric has protested that apparent low bidder, 3D Technology Services, to Shane Brown Electric's knowledge is not a signatory to the Project Labor Agreement ("PLA"), nor have they demonstrated any intent to be bound by its terms. Additionally, there is no indication that their subcontractors meet the PLA requirement.

3D Technology Services responded to the protest on 8/11/25 in writing with submittals of verification documentation of PLA experience, with intentions of signing the PLA Agreement, and utilizing the required workforce and additional requirements called out in the PLA for Bid Project #0480-411.

The District has carefully reviewed all claims and documentation and has determined that 3D Technology Services have provided justifiable verification that they will sign and fulfill the PLA requirements.

As a result, the District is rejecting the protest.

Respectfully,

Robert Aldama
Purchasing Manager II
