

How to Access a Student's Library Information in the Destiny Library Catalog

Parents and guardians can view their child's library checkouts through Destiny Discover, our district library system.

- Use the same email address you registered your child with for school to log in.
- This provides secure access to see what your student has checked out.

To log in as an Additional User Type:

1. Go to this [URL provided by your district](#) to access the Destiny Verification page.
2. Type your email address in the email field.

The screenshot shows a light blue rectangular box. At the top, it says "First, enter your email address" in bold, with a smaller line below it: "Email must be connected to a NVUSD student". Below this is a white rounded rectangular input field with the placeholder text "Email Address". Underneath the input field is a blue rounded rectangular button with the text "Get Access Code" in white.

3. Click Get Access Code.

Note: If the email address either does not match what is in Destiny or is not connected to a student in the district, you will see the following message:

The screenshot shows a white rectangular box with a thin border. Inside, it says "No students found matching email" in bold. Below this text is a dark blue rounded rectangular button with the text "Go To Login" in white.

4. Go to your email account to retrieve the access code.

Notes:

- The code expires in 10 minutes. If it expires, you can click **Resend Code** from the Get Access Code page.
- If you enter an invalid access code, you will see an Incorrect Access Code message.
- The email is sent from no-reply@follettlearning.com with the subject, "Additional User Type Access Code."
- If the code is sent more than once, after the second time, the user will need to refresh the screen, and then reenter their email address.

5. From the Enter Your Access Code page:

a. Type your access code.

b. Optionally, to stay logged in from your current browser, select Keep me logged in on this device. If you select this option, you will stay logged in for 60 days or until you log out. If you don't select this option, you will need to log in with an access code each time.

A screenshot of a login form titled "Enter Your Access Code". Below the title, it says "We sent a 6-digit code l***@gmail.com that will expire in 10 minutes". There are six input boxes for the code, with the first one containing the letter 'l'. Below the input boxes is a checkbox labeled "Keep me logged in on this device". At the bottom, there is a blue "Submit" button and a link that says "Resend Code".

6. Click Submit.

To navigate Additional User Type features:

- Once you are logged in, you can search for and block titles from being checked out; as well as view current checkouts, checkout history, and any blocked titles for all students associated with your email address.
- The user's name associated with your email address appears in the top-right corner. If you have more than one student in the district, a drop-down appears. To view a different user, select their name from the drop-down.

Use any of the following options:

- **Search:** Search by title, author, or subject to find materials. When search results appear, you can select ●●● to block a title from being checked out or to view more information on a title as a guest user via Destiny Discover.
