Board Meeting Background Material

TO: Board of Trustees

FROM: Trevor Walker, Chief Business Officer

MEETING DATE: September 9, 2020

AGENDA ITEM: Resolution 9-20-02, National School Lunch Week

BACKGROUND: National School Lunch Week was established in 1962 by a proclamation from President John F. Kennedy. It is designed to help raise awareness for the important role that school nutrition programs play in the lives of America's children. Each year, the School Nutrition Association helps schools celebrate the event with an official theme, suggested menus and recipes, promotional resources, activity sheets, decoration ideas and more.

"*School Lunch Snapshot*" is the 2020 theme. The campaign is designed to spotlight how today's school cafeterias are serving up the menu items that kids want to eat, with increased choice and customization. The campaign runs from July 2020 to October 2020, culminating in National School Lunch Week, October 12-16, 2020.

RESOLUTION NO. 9-20-02

**RESOLUTION OF THE GOVERNING BOARD OF THE
MUROC JOINT UNIFIED SCHOOL DISTRICT
PROCLAIMING OCTOBER 12-16, 2020, AS
NATIONAL SCHOOL LUNCH WEEK**

WHEREAS, the National School Lunch Program has served our nation admirably for over 60 years through advanced practices and nutrition education; and

WHEREAS, the National School Lunch Program is dedicated to the health and well-being of our nation's children, and

WHEREAS, the National School Lunch Program has been joined through the years by many other excellent child feeding programs, and there is evidence of continued need for nutrition education and awareness of the value of school nutrition programs.

NOW THEREFORE, the Board of Trustees of the Muroc Joint Unified School District does hereby proclaim the week of October 12-16, 2020, as **National School Lunch Week** and encourages all residents to become aware and concerned about their children's and their own nutrition habits, in hopes of achieving a more healthful citizenry for today and the future.

IN WITNESS WHEREOF, this official proclamation was passed and adopted this 9th day of September, 2020, by the following vote:

Board Meeting Background Material

TO: Board of Trustees

FROM: Kevin D. Cordes, Superintendent

MEETING DATE: September 9, 2020

AGENDA ITEM: Resolution 9-20-03, Week of the School Administrator

BACKGROUND: California Education Code Section 44015.1 previously designated the first full week of March each year as "Week of the School Administrator". Senate Bill 1229 passed and signed into law by the Governor effective January 1, 2015, moved Week of the School Administrator to October. Because of the bill, California Education Code Section 44015.1 was amended to read: "In observance of the importance of educational leadership at the school, school district, and county levels, the second full week in the month of October of each year shall be designated as Week of the School Administrator."

This year the week of October 11-17, 2020, is designated as Week of the School Administrator. Schools, school districts, and county superintendents of schools are encouraged to observe the week with public recognition of the contribution that school administrators make to successful pupil achievement.

RESOLUTION NO. 9-20-03

**RESOLUTION OF THE GOVERNING BOARD OF THE
MUROC JOINT UNIFIED SCHOOL DISTRICT
PROCLAIMING OCTOBER 11-17, 2020, AS
WEEK OF THE SCHOOL ADMINISTRATOR**

WHEREAS, leadership matters for California's public education system and the more than six million students it serves; and

WHEREAS, school administrators are passionate, lifelong learners who believe in the value of quality public education; and

WHEREAS, the title "school administrator" is a broad term used to define many education leadership posts. Superintendents, assistant superintendents, principals, assistant principals, special education and adult education leaders, curriculum and assessment leaders, school business officials, classified educational leaders, and other school district employees are considered administrators; and

WHEREAS, providing quality service for student success is paramount for the profession; and

WHEREAS, most school administrators began their careers as teachers. The average administrator has served in public education for more than a decade. Most of California's superintendents have served in education for more than 20 years. Such experience is beneficial in their work to effectively and efficiently lead public education and improve student achievement; and

WHEREAS, public schools operate with lean management systems. Across the nation, public schools employ fewer managers and supervisors than most public and private sector industries including transportation, food service, manufacturing, utilities, construction, publishing and public administration; and

WHEREAS, school leaders depend on a network of support from school communities - fellow administrators, teachers, parents, students, businesses, community members, board trustees, colleges and universities, community and faith-based organizations, elected officials and district and county staff and resources - to promote ongoing student achievement and school success; and

WHEREAS, research shows great schools are led by great principals, and great districts are led by great superintendents. These site leaders are supported by extensive administrative networks throughout the state; and

WHEREAS, the State of California has declared the second full week of October as the "**Week of the School Administrator**" in Education Code 44015.1; and

WHEREAS, the future of California's public education system depends upon the quality of its leadership;

NOW, THEREFORE BE IT RESOLVED, that the Muroc Joint Unified School District proclaims the week of October 11-17, 2020, as **Week of the School Administrator**, in recognition of the many outstanding contributions and services provided by administrative teams in our public schools.

PASSED AND ADOPTED, this 9th day of September, 2020, by the following vote:

OFFICE OF MARY C. BARLOW
KERN COUNTY SUPERINTENDENT OF SCHOOLS
Advocates for Children

AGREEMENT BETWEEN
KERN COUNTY SUPERINTENDENT OF SCHOOLS
DIVISION OF SPECIAL EDUCATION AND
KERN COUNTY CONSORTIUM SELPA PARTICIPATING DISTRICTS

Recitals

- A. **Muroc Joint Unified School District** (hereinafter referred to as SCHOOL DISTRICT) is required by law to provide special education services to eligible district pupils and to be a member of a Special Education Local Plan Agency. Pursuant to law, SCHOOL DISTRICT is a participating district in the Kern County Consortium for Special Education (SELPA).
- B. The KERN COUNTY SUPERINTENDENT OF SCHOOLS (KCSOS) is a member of the SELPA and has been designated as the Administrative Unit under the Local Plan. As a SELPA participant, KCSOS provides administrative support to the SELPA. The specific KCSOS Division of Special Education agrees to provide special education services to SELPA member district pupils.
- C. The purpose of this Agreement is to delineate the functions and responsibilities of the SCHOOL DISTRICT and KCSOS when the KCSOS Division of Special Education is a provider of special education services to SCHOOL DISTRICT's pupils.

Terms

By their authorized signatures, below, the parties mutually agree as follows:

- 1. The initial term of this Agreement is **July 1, 2020 through June 30, 2021**. This Agreement shall renew annually as long as SCHOOL DISTRICT (the District) and KCSOS are participants in the SELPA and provided that this Agreement is consistent with the SELPA's Local Plan.
- 2. KCSOS Division of Special Education agrees to conduct special education programs and classes as determined by the SELPA's Superintendents' Executive Council (SEC), for pupils legally eligible for those programs and services. Services will be consistent with each pupil's Individualized Education Program. Related services may also be provided by KCSOS when identified in the IEP.
- 3. AB 602 Funding: Funding for participating members of the SELPA shall be determined by the SELPA's Superintendent's Executive Council (SEC) and set forth in the SELPA's Allocation Plan. In the event that the SEC revises the Allocation Plan during the term of this Agreement, such revisions shall be automatically incorporated into this Agreement and bind all participating SELPA members. Notice is not required.

4. Part C to Part B Available Assessment Services: Should a District's pupil who is transitioning out of the Early Start (Part C) program require a Part C to Part B assessment and the District wishes to use the Assessment and Support Team available through KCSOS Division of Special Education, the District shall refer the pupil through the SELPA's Search and Serve Process – See Appendix B for details of the Part C to Part B Procedure.

5. Funding

- A. ADA Revenue

The SELPA's SEC has determined that for the **20/21** school year, Districts will be receiving all of the ADA revenue generated by "District" students educated in the KCSOS Special Education Programs. (There is no Revenue Limit Transfer to KCSOS in existence with the LCFF model.)

- B. Program Allowance and Reimbursement

The District agrees to pay KCSOS on a "straight bill back" per pupil basis for programs and services provided to District's pupils by the Division of Special Education. Cost per pupil to the District shall be computed according to the formula set forth in Appendix A – Program. This amount is due and payable in 10 equal transfers, beginning in September of each year.

- C. Special Circumstances

If an IEP Team specifies additional and/or extraordinary services for a pupil covered by this Agreement, and if these services require an expenditure of funds significantly greater than normally required by other students in the program provided by KCSOS's Division of Special Education, a separate agreement between KCSOS and the District shall be drawn accordingly within ten (10) working days of the IEP Team meeting.

- D. Part C to Part B Assessment Funding

The SELPA's SEC has determined that for the **20/21** school year, Districts will pay the KCSOS Division of Special Education \$4,250.00 per Part C to Part B assessment.

A District will receive an invoice in July, **2021** for the number of assessments that have been completed for their specific District.

- E. Coordination of Curriculum

The parties agree that it is in the best interests of the pupils served under this Agreement to provide a coordinated system of curriculum development, implementation and monitoring, and they agree to cooperate in this regard.

APPENDIX A – PROGRAM

The Kern County Superintendent of Schools (KCSOS) Division of Special Education's final billing costs shall reflect two separate program expenditure calculations representing the following programs and services:

- A. Special Day Class - Severely Disabled/Low Incidence,
- B. Designated Instructional Services.

The final calculated net expenditure amount for each of the two program services shall be divided by the average of the total KCSOS Division of Special Education's pupil enrollment in these program services for the year. This produces a dollar cost per student for each of the two programs and services.

The dollar cost per student for each of the programs and services shall be multiplied by the number of students enrolled from each school district. The total cost per school district will be the sum of the program and service(s) costs (A & B above).

By May 31st of the preceding year, the KCSOS Division of Special Education will provide to each school district an estimate of the following year's program and service costs, which can be used for district budgeting purposes. These estimates will be the basis for the preliminary transfers from the district and will reflect the following:

- KCSOS Division of Special Education's budget for the bill back year
- District enrollment, which will be based on the preceding March 31st count with the following adjustments:
 - 1. anticipated program transfer
 - 2. exiting 8th grade students
 - 3. students matriculating into existing district programs
 - 4. KCSOS estimate of entering kindergarteners.

After fiscal year end, a calculation of the final bill back amounts will be made using the net expenditures for the year and the final student participation counts. Final student participation counts reflect the average of the four-times-a-year student verification process; these verifications are based on quarters ending September, December, March and June. This final amount will be compared to each district's estimated amount transferred, and a correcting transfer will then be made to/from each district. This correction will be made as soon as possible after the closing of the KCSOS' books at each year end.

APPENDIX B – PART C TO PART B ASSESSMENTS

Should a District's pupil who is transitioning out of the Early Start (Part C) Program require a Part C to Part B assessment and the District wishes to use the Assessment and Support Team available through KCSOS Division of Special Education, the District shall refer the pupil through the SELPA's Search and Serve Process.

KCSOS Division of Special Education agrees to conduct Part C to Part B assessments using the appropriate personnel based on a pupil's suspected disability as noted in the referral. Assessments will be completed within the State-mandated timeline prior to the pupil's third birthday should the referral be received at least two (2) months prior to the birthday. Referrals received after that time will be approached on a case-by-case basis.

District Personnel will be responsible for facilitating the Individualized Education Program (I.E.P.) meetings held as the result of the Part C to Part B assessments. KCSOS Assessment and Support Team personnel will complete the paperwork appropriate to their portion of the Present Levels of Performance, any Proposed Goals & Objectives, any Accommodations/Modifications, and any other needs for an individual pupil. Should District Personnel not be available for the I.E.P., arrangements will be made in advance to insure the proper operation of the meeting and that the District's services are appropriately documented.

The KCSOS Director responsible for the Assessment and Support Team shall document referrals based on the District of Residence. A running total will be available to Districts throughout the school year.

Public Hearing/Action Agenda Item

TO: Board of Trustees

FROM: Kevin D. Cordes, Superintendent

MEETING DATE: September 9, 2020

AGENDA ITEM: Sufficiency of Instructional Materials

BACKGROUND: Assembly Bill 831, Chapter 118, Statutes of 2005, took effect July 25, 2005. AB 831 modified the annual public hearing requirement in *Education Code* section 60119 and modified the expenditure requirements related to *Williams* instructional materials funds.

Under Education Code Section 60119, the governing board of every local educational agency that receives state instructional materials funds must hold an annual public hearing before the end of the eighth week from the first day pupils attend school for that year. At the public hearing the governing board must make a determination as to whether each pupil in each school has sufficient textbooks or instructional materials, or both, that are aligned to the content standards and are consistent with the content and cycles of the curriculum framework adopted by the State Board of Education in reading/language arts, mathematics, science and history-social science. The requirement that the materials be aligned to the content standards is new.

In addition, the definition of sufficiency now provides that each pupil, including each English learner, must have a standards-aligned textbook or instructional materials, or both, to use in class and to take home.

RECOMMENDATION: It is recommended that the Board hold a public hearing and adopt Resolution 9-20-04, Sufficiency of Instructional Materials for the 2020-21 School Year.

RESOLUTION NO. 9-20-04

**BEFORE THE GOVERNING BOARD OF
MUROC JOINT UNIFIED SCHOOL DISTRICT**

SUFFICIENCY OF INSTRUCTIONAL MATERIALS

WHEREAS, the governing board of Muroc Joint Unified School District, in order to comply with the requirements of *Education Code* Section 60119 held a public hearing on September 9, 2020, at 5:00 p.m., which is on or before the eighth (8th) week of school and which did not take place during or immediately following school hours, and;

WHEREAS, the governing board provided at least ten (10) days notice of the public hearing posted in at least three (3) public places within the District that stated the time, place, and purpose of the hearing, and;

WHEREAS, the governing board encouraged participation by parents, teachers, members of the community, and bargaining unit leaders in the public hearing, and;

WHEREAS, information provided at the public hearing and to the governing board at the public meeting detailed the extent to which textbooks and instructional materials were provided to all students, including English learners, in the District, and;

WHEREAS, the definition of "sufficient textbooks or instructional materials" means that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and;

WHEREAS, sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in the following subjects:

- Mathematics
- Science
- History-social science
- English/language arts, including the English language development component of an adopted program

WHEREAS, sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes, and;

WHEREAS, laboratory science equipment was available for science laboratory classes offered in grades 9-12, inclusive;

THEREFORE, IT IS RESOLVED that for the 2020-21 school year, the Muroc Joint Unified School District has provided each pupil with sufficient textbooks and instructional materials aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks.

Board Meeting Background Material

Public Hearing/Action Agenda Item

TO: Board of Trustees

FROM: Kevin D. Cordes, Superintendent

MEETING DATE: September 9, 2020

AGENDA ITEM: Learning Continuity and Attendance Plan

BACKGROUND: Senate Bill (SB) 98 established that the Local Control and Accountability Plan (LCAP) and an annual update to the LCAP are not required for the 2020-21 school year and that the California Department of Education (CDE) shall not publish the California School Dashboard in December 2020 based on performance data on the state and local indicators. SB 98 supersedes the requirement to develop and adopt an LCAP by December 15, 2020 which was established by Executive Order N-56-20, which was published in April 2020.

SB 98 also separates the development and adoption of the Budget Overview for Parents from the development and adoption of the LCAP for the 2020-21 school year. The legislation also requires that the Budget Overview for Parents be developed and adopted by December 15, 2020. The requirements to hold a separate public hearing and adoption at a public local governing board meeting consistent with California Education Code (EC) Section 52064.1 of the Budget Overview for Parents remains.

SB 98 established California EC Section 43509 and the Learning Continuity and Attendance Plan (Learning Continuity Plan) requirements for the 2020-21 school year.

RECOMMENDATION: It is recommended that the Board hold a public hearing to review the Learning Continuity and Attendance Plan for the 2020-21 School Year.
