

# Together We Can Oakdale Elementary

## A Note from the Principal

We've officially wrapped up our first month of school, and what a wonderful start it has been! Our students are already showing growth, excitement, and a love for learning, and that wouldn't be possible without the support of our families. One of the biggest factors in student success is consistent attendance—being present every day helps children stay connected, confident, and on track. Thank you for making school a priority and for all the ways you partner with us to support your child's learning. We are grateful for your continued commitment and look forward to the great months ahead!

- Angela Dorzweiler, Principal

## School Marathon

The School Marathon is off to a great start.

Join us at the Oakdale track:

- **Family Walk Night - Tuesday, September 2 (6:30-7:00 p.m.)**
- **Oakdale Color Run - Tuesday, September 30 (6:30-7:00 p.m.)**

We hope to see you there!

## A note from the Nurse

Welcome Back to School!

A few reminders to get this school year off on the right track:

- ▶ All medicines for your child need to be kept in the nurse's office and the correct paperwork must be completed prior to it being used.
- ▶ Please let me know of any major health concerns or changes for your child.
- ▶ If your child is ill, please let the office know by 9:00 am. If you are unsure whether you should send your child to school, I'm happy to visit with you and help make that decision.
- ▶ If your child has a fever over 100, diarrhea, or is vomiting, please keep them home until they are symptom free for 24 hours off of medicine. This goes a long way in keeping everyone healthy!

Please let me know if you have any questions or concerns about the health and safety of your child. Let's have a great year!

Oakdale School Nurse, Vanessa Torres

## PE Reminders

Please help remind students to wear appropriate shoes for PE class! Students are expected to wear closed toed shoes like tennis, basketball and training shoes are all closed toed shoes that are securely fastened by shoe laces or velcro. The shoes listed may be comfortable and fun to wear, but are safety issues while engaging in physical activity.

Sandals, flip flops, heels, slippers, dress shoes, Crocs (Not even in sports mode) – can lead to safety issues with your child or their classmates.

### OAKDALE PE SHOE REMINDER

## ***Greatness Grows When You're Here!***

Our district is launching a district wide attendance campaign to reinforce the importance of school attendance and to support families in helping every student achieve their personal best.

Did you know that missing just 2 days a month for any reason, whether excused, unexcused, or due to suspension, can add up to a student being chronically absent? Chronic absence (missing 10% or more of the school year) can cause students to fall behind academically and feel disconnected from school.

As partners in your child's education, we encourage you to help build strong attendance habits by setting consistent routines, scheduling appointments outside of school hours when possible, and avoiding vacations or trips when school is in session.

If your child will be absent, please communicate with the school, and don't hesitate to reach out to our school counselor or social worker if you have any concerns. They are here to support you and your student.

Together, we can help all students grow and succeed because greatness truly grows when you're here!

## ***Need Health Coverage?***

Need Health Coverage? Our School Social Workers Can Help!

Did you know our school social workers can now assist families with Presumptive Eligibility (PE) enrollment? PE provides temporary Medicaid coverage for children and pregnant individuals who appear to be eligible, giving access to important health services while the full application is being processed.

If your family is in need of health coverage or you're unsure where to start, our social workers are here to help guide you through the process. It's quick, confidential, and can make a big difference in ensuring your child stays healthy and supported.

To learn more or to schedule an appointment, please contact your school's social worker directly.

We're here for you!
