

PE and Sports Funding Review for Year 2024-2025

Intent	Implementation		Impact
All children and young people take part in at least 60 minutes of physical activity every day.	All children have 2x one hour PE lessons per week. This is clearly timetabled. Additional Lunch Time Supervisor to run sports activities at lunchtimes: Marathon Club, High Jump, Rounders, football and athletics linked events	£1,900	Pupils are active and alert. They have good mental health and enjoy learning because they have endorphins to make them feel good about themselves.
Promote a Healthy Lifestyle	Healthy lifestyle themed assemblies: healthy heart; healthy eating; regular exercise. Mental health assemblies: how to cope with worries; exercise; sleep; healthy eating. Science and PSHE lessons focus on drugs, alcohol and smoking. PSHE lessons focus on healthy relationships and healthy lifestyle.	£210	Pupils are aware of how to have a healthy life-style and the importance of this. Year 6 to have sports events linked to mental health to prepare and support them through the SATS process and in preparation for Secondary school transition in Spring Term. Jigsaw scheme purchased to support mental health and PSHE delivery. Daily Mile (where fits into the curriculum) to be utilised by whole school.
Increased knowledge, confidence and skills of all staff in the teaching of PE and sport.	Ensure all pupils receive quality teaching in PE through checking of MTP and coverage of LTP by Subject Leader. Subject Leader release time (conference, sports events and planning time) PE Subject Leader to assess the development of PE skills in pupils.	£2,800	School is confident that the children receive good quality sports teaching and coaching.

Broaden Range of Sports and Activities Offered

Intent	Implementation	Impact
Broader experience of a range of sports and activities offered to all pupils.	PE Subject Manager CPD to review long term plan for PE provision to ensure pupils have opportunity to participate in all elements of the curriculum.	Increased number of children take part in sporting activities. Feedback from children about what other sports they would like to take part in. Children have improved skills in balance, co-ordination and team- work. This equipment remains popular among the children. Ensure PP and SEN are offered and included place on the YR5/6 adventurous sports. All children participated in Inclusive Sports Day run by a professional coach. Children experienced participation in wheel-chair basket ball.
	Purchase of equipment to provide a wider range of sports: cricket, dodge ball, swimming, football, hockey, netball.	
	Subsidising swimming teaching & transport as provided for a whole academic year.	
	Gym equipment installed in the playground: rowing machines, cross-trainer, etc. (PTA-funded).	
	Sports Equipment for team games (netball, etc.) Trim trail replaced and improved on the school field- now with astro turf to ensure all-year round use despite weather. Year 5 and 6 trip subsidised to ensure all children offered the opportunity to take part in the outdoor adventurous sports. Sports Week in school with professional coaches in football, cricket and skipping workshops across the school.	

Increased Participation in Competitive Sport

Continue to develop the children's involvement in local sport tournaments by increasing the number and variety of sports and varying the pupils who compete.	Calendar of sports competitions In-school and inter-school competitions Interschool matches of varying sports and games Multi-sport matches and after-school clubs Interschool indoor athletics competition Swimming lessons – additional lessons for Year 4 to consolidate skills.	A wide variety of regular and varied sports were experienced by a range of pupils. Good deployment of PE Subject Manager's time and expertise excites children to do well in sports. Sports Coaches discontinued working with our school due to Covid. Sports PE Subject Manager now runs clubs after school and teaches across the key stages.
	Swimming Gala (awaiting times and application process) Weekly Celebration Assembly celebrates a range of in-school and out-school sporting achievements to raise the awareness of a fuller range of physical activities that children can become engaged with.	
	Total allocation	£17,670

Key Achievements to July 2025	Areas for Further Improvement
Gold Games Award for 2023-2024 and 2024-2025 We continue to participate and to be successful in local sporting tournaments especially mixed-sex sports such as football and netball. Girl Power sports programme in Key Stage 2 Continue to provide swimming lessons for all KS2 children by focusing on Year 4 only so they swim through the whole year and can embed their swimming and water skills. PE Subject Manager is well-developed in skills and organising events for all pupils across the school. Inter-school sports matches have been started through the end of each PE unit. Celebration Assemblies have a keen focus on sporting successes both in the school and outside of school to raise awareness of clubs and sports available.	Continue to promote multi-sex sports such as football and netball. Water safety to be more widely taught throughout the school (Local Police now involved to reinforce message of water safety due to local area) Daily Mile to be introduced when the track has been installed [fund-raising through PTA].

Meeting National Curriculum Standards for Swimming and Water Safety	
What percentage of your Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? Swimming focus is on Year 4 only, so swimming skills are embedded at an earlier age. What percentage of your Year 6 cohort use a range of stroke effectively? What percentage of Year 6 perform safe self-rescue in different water-based situation? Schools can choose to use the Primary PE and Sports Premium to provide additional provision for swimming, but this must be for activity over and above national curriculum requirements. Have you used it in this way? Water safety and first aid is taught as part of PSHE lessons because there is a local quarry near to the school.	We timetable Year 4 pupils to swim for 38 weeks a year resulting in 25 hours' tuition in line with Swim England's recommendation. 50% of Year 4 can swim 25m 75% can use a variety of strokes. 50% can perform self-rescue in different situations. This provides a good base for the children to be able to swim 25 metres by the time reach the end of Year 6.
