Instructions for Parents:
Reporting Your Student's Absence in Skyward

While parents can report a student's absence by calling the FHS attendance office number (317-915-4295), we can process absence requests far faster online. Here are instructions for reporting your student's absence in Skyward.

1. Log into Skyward Family Access. Remember, our district migrated to a new version of Skyward in July 2025: https://skyward.hseschools.org/StudentSTS

2. In Family Access, click on the "Attendance" icon.

3. Complete all requested information.
