MS. WILLSEY

ABOUT ME

My name is Keeley Willsey, I am the school social worker at Lemmon Valley ES. I received my Bachelor's Degree in social work in 2020, and my Master's Degree in social work in 2022.
This is my second year at Lemmon Valley, and my fourth year working in WCSD. It has always been my dream to work with children and families, and I am so happy to be here with you all!

WHAT DO I DO?

At LVES, I work in the counseling department. My main roles include helping students and families improve school attendance, providing individual and group counseling to students, and connecting families with community resources to help break down barriers to student education. I am also the Lemmon Valley case manager for the Children in Transition (CIT) program.
