Dear 1st Grade Families,

Happy Fri-YAY! We wrapped up this week with the August PBIS reward- Luch Time Karaoke- and the students had an absolute blast! We're so excited to see what September's reward will be and begin working toward it. Just a quick reminder that Monday, Sept. 1st is Labor Day, therefore, we will not have school. Enjoy the extra day with your families!

Below you will find a link for the Curriculum Night Presentation for you to look through at your convenience. Math Practice and Homework Journals and All About Me posters were given out at curriculum night. The math journal may be kept at home, and we will send out practices pages in the blast to reinforce skills previously taught. They do not need to be sent in to school. Please return All About Me posters by September 12<sup>th</sup>.

Each week the grade level weekly blast will include a Tangy Tuesday math puzzle pack for home use. This pack is OPTIONAL and can be used in any way that you would like to use as a family. There are some wonderful games and activities to build number sense and math problem solving. We hope that you will enjoy them as much as we do!
