Dear Parents and Students,

Welcome to Paulding High School. The staff and I are pleased to have you as a student and will do our best to make your experience here as enjoyable and successful as you wish to make it. To help provide a safe and productive learning environment for students, staff, parents and visitors, the Board of Education publishes this updated Student/Parent Handbook annually to explain students' rights, responsibilities and consequences for misbehavior.

Parents are encouraged to take a few minutes to review and discuss the information in this handbook with their high school-aged children. Teachers will also review this handbook with students at the beginning of the year.

### School Cancellations

On fall and spring fog days when weather conditions require that school be cancelled, the PEVS Remote Learning Plan will be in effect. Teachers will report to their classrooms on those days (unless conditions dictate otherwise) and students will learn remotely using the established two-hour delay schedule. Two-hour delays will not be made-up.

For ice/snow, we will use the five calamity days provided by the state. The PEVS Remote Learning Plan will be in effect any days beyond those five. Staff will be able to work from home on those days.

In general, State law requires students to enroll in the school district in which their parent or legal guardian resides.

[ ] unless enrolling under the District's open enrollment policy.

[ ] unless enrolling and paying tuition.

New students 18 or under must be enrolled by their parent(s) or legal guardian. When enrolling, parents must use FinalForms and provide copies of the following:

- A. a birth certificate or similar document
- B. current immunization records
- C. court papers allocating parental rights and responsibilities, or custody (if appropriate)

**Custody documentation on file must be court approved.**

- D. proof of residency
- E. copy of parent driver's license
- F. last grade transcripts or report card.

**\*\* IMPORTANT...Parents enrolling to or from PEVS to Online School...it takes up to 2 weeks or more to transfer a student. Please keep your child(ren) enrolled in the current school until the registration process has been finalized.**

## ATTENDANCE POLICIES AND PROCEDURES

The State of Ohio (Ohio Revised Code 3321.01) states that all persons between the ages of six and eighteen must attend school. Since school attendance is vital to the academic success of each pupil, we believe that 100% attendance should be the goal of each student and his/her parents and/or guardians. The Missing Child Act requires that parents notify the school if their child will not be in attendance, and requires schools to notify parents if the child is not in school. In the event of an absence:

1. The parent or guardian is to call the school prior to 9:00 a.m. at 399-4656 (ext. 1111) to report the absence.
2. Upon returning to school, the student must bring a signed excuse from parent/guardian, stating the reason for the absence. The note is to be taken to the school office between 7:45 and 8:00 a.m. Failure to do so may result in an Unexcused Absence.
3. A written parental excuse or verification (see descriptions) will be honored for up to five school days after the absence. Failure to submit a note within the five days may result in the absence being considered as unexcused or truancy. The legal guardian or parent, regardless of the student's age, must write all notes.
4. The following absences are for all students both in person and/or remotely;

**Excused Absence** (up to 38 hours monthly and/or 65 allowable hours yearly): Written parental excuse **OR** parent call required

- a. Personal illness
- b. Family emergency
- c. Family Vacation (ask for the Vacation Request Form available in the office) **Please note that vacation days count towards 38 hours monthly or 65 hours yearly depending on excessive or habitual hours.**

**Unexcused Absence:** May be considered **truancy** (see note below)

- a. An absence for which there is no written parental excuse, or parental phone call or verification.
- b. **Any absence over 38 hours or more in one school month or 65 or more hours in a school year.**
- c. Tardies to school may be considered truancy if chronic or habitual.
- d. **Important...Parents enrolling to or from PEVS to Online School. It takes up to 2 weeks or more to transfer a student. Please keep your child(ren) enrolled in the current school until the registration process has been finalized. All hours will be listed as unexcused between schools.**

**Excessive Absences:** **A combination of excused and unexcused absences 38 or more hours in one school month, or 65 or more hours in a school year.** Parent(s) or guardian(s) will be notified within seven school days after the date of the absence that triggered the notice requirement. At the same time written notice is given, any appropriate intervention action listed herein may be taken.

**Excluded Absence:** Verification required.

- a. Medical excuse (i.e. any medical appointment, illness for student, quarantine of the home). Must be verified by a medical note with date and time of appointment and/or length of time student will be absent.
- b. Required court or legal appearance (verified by court officer)
- c. Funeral of immediate family member or close relative (verified by funeral card or letter from Funeral Director)
- d. College visitations -- if proper procedures are followed; ask for Visitation Form in the office
- e. Religious holiday (verified by note from parent or religious organization) **In compliance with HB214, students can miss up to 3 days for religious expression but the parent must notify the school within (the first 14 days of the beginning of the school year) and which days they will be observing. For those days to be excluded, proper verification must be turned in within the first 5 school days upon returning to school.**
- f. Military interview/appointment (verified by a letter of attendance)

## **HABITUALLY TRUANT**

**A student will be considered habitually truant if the student is of compulsory school age and absent without a legitimate excuse for thirty (30) or more consecutive school hours or more, for forty-two (42) or more school hours in one (1) school month, or for seventy-two (72) or more school hours in one (1) school year:**

Legitimate excuses for the absence of a student who is otherwise habitually truant include but are not limited to:

- A. The student was enrolled in another school district;
- B. The student was excused from attendance in accordance with ORC 3321/04; or
- C. The student has received an age and schooling certificate.

### **Absence Intervention Team (AIT)**

To the extent required by law as determined on an annual basis, within ten (10) days of a student becoming habitually truant, the Principal shall assign the student to an absence intervention team.

Within fourteen (14) school days after the assignment of a student to an absence intervention team, the team shall develop an intervention plan for that student in an effort to reduce or eliminate further absences. Each intervention plan shall vary based on the individual needs of the student, but the plan shall state that the attendance officer shall file a complaint not later than sixty-one (61) days after the date the plan was implemented, if the child has refused to participate in, or failed to make satisfactory progress on, the intervention plan. Within seven (7) school days after the development of the plan, reasonable efforts shall be made to provide the student's parent/guardian/custodian with written notice of the plan.

As part of the absence intervention plan, the Principal may, in his/her discretion, contact the juvenile court and ask to have a student informally enrolled in any alternative to adjudication described in ORC 2151.27 (G).

Each absence intervention team may vary based on the needs of each individual student but shall include a representative from the child's building, who knows the child, and the child's parent or parent's designee, or the child's guardian, custodian, guardian ad litem, or temporary custodian. The team also may include a school psychologist, counselor, social worker, or representative of a public or nonprofit agency designed to assist students and their families in reducing absences.

### **ONLINE ENROLLMENT:**

**\*\* IMPORTANT...Parents enrolling to or from PEVS to Online School...it takes up to 2 weeks or more to transfer a student. Please keep your child(ren) enrolled in the current school until the registration process has been finalized.**

Students who are enrolling to a public or private online school are required by ORC. To attend school until they officially become enrolled in the public or private online school. If a student does not attend school during this time all time missed will be considered unexcused.

### **IMPORTANT NOTES ON ATTENDANCE:**

- Final decisions regarding absences will be made by the Principal. Administrative approval is necessary for special or unusual situations.
- ATTENDANCE OFFICER: When any child of compulsory school age does not attend school and is not properly excused from attendance, the attendance officer must notify the parent or guardian who must thereafter cause the child to attend the proper school. (ORC 3321.15)
- If an absence is not excused or excluded, the student will **may** be allowed to make up any work missed. An unexcused absence may be viewed as truancy. Only 65 hours will be

excused during any school year. Any exception to this rule must be cleared through the Principal's office prior to the absence.

- Make-up work is the responsibility of the student, and will involve teacher/pupil cooperation. Students will be allowed the same number of days to make up their work as the number of school days missed. If make-up work is not completed, no credit will be given. Teachers may still accept work later than this if they desire. In the case of an extended illness, special arrangements will be made.
- A student must be in attendance before the beginning of 4<sup>th</sup> period, and stay through the remainder of the day, in order to participate in or attend an extracurricular activity that day, unless prior arrangements have been made with the school principal.
- The suspension of driving privileges for excessive absences may be imposed according to Ohio Revised Code 3321.13 and Board policy.

\* A student will be considered tardy if they arrive at school between 8:01-8:45 AM. They will have a partial day if at school from 8:46-2:14, and would be considered early dismissal if they leave between 2:15-3:00.

### **VACATIONS:**

Parents are required to fill out vacation form(s) from their students' building secretary. Principal will approve or deny depending on attendance. **MUST BE TURNED IN 1 WEEK PRIOR TO LEAVING**

- Approval will only be allowed **up to 38 hours monthly and/or 65 allowed hours yearly.**
- All days denied will be counted as unexcused.

### **WORK VISA RENEWALS:**

Parents are required to fill out "Out Of Country Leave Request" form(s) from their student's building secretary. **MUST BE TURNED IN 1 WEEK PRIOR TO LEAVING**

- Provide Flight Itinerary with Request form

### **Attendance for Prom and Graduation**

Students who miss more than 72 hours of unexcused absences from school will be prohibited from attending Prom and/or Graduation

### **Driver's Education and Attendance**

Students who choose to drive for Driver's Education during the school day will be unexcused.

### **Attendance Awards**

Students with outstanding school attendance will be recognized at the end of the year. Days absent for any reason, even when the absence is excused, will be counted as an absence for a perfect attendance award. Students on a school field trip will not be counted absent.

### **Leaving During the School Day**

Permission to leave during the school day, for any reason, must be secured from the Principal. Students who leave **MUST** sign out in the high school office, and sign back in if they return during the same school day. *No student will be allowed to sign out without parental permission, regardless of the student's age.* If a student must leave school due to illness or emergency, parents will be notified at once. Permission must be granted by parent/guardian for the student to leave school. Failure to comply with these rules may result in a charge of truancy.

Any student who will be leaving school during the day due to a scheduled appointment must present a note (signed by parent) to the office in the morning before school. The note must state the nature and time of the appointment, and a parent signature. You will be given an Early Release Pass, and you must sign out in the office at the designated time.

We urge parents to put forth every effort to schedule medical, dental, and optometric appointments

outside of school hours whenever possible.

We do not operate a medical clinic at school. If a student is ill, a parent will be called for permission to go home. **The student is not to call or text the parent on their own.** Any student who is ill and does not notify the office of his/her whereabouts will be subject to disciplinary action.

### **Tardiness**

Promptness to class is very important. A student is tardy when he/she fails to be in the assigned class when the bell rings to begin class. If you are tardy to school, you must sign in at the office and receive a Tardy Slip. **Students can also be counted tardy during the Panther Professional Learning two hour delays and any other two hour delay. A student will be counted tardy if they arrive 8:01-8:45 on a regular school day and 10:01-10:35 on a two hour delay day.** After the fifth tardy to school each quarter, you will receive a Prime Time Friday assignment. Failure to serve the Prime Time Friday assignment will result in further discipline. Excessive tardiness will be considered truancy. The classroom teacher will handle classroom tardiness. After the fifth tardy to class each quarter, you will receive a Prime Time Friday assignment from the Principal for each class you are tardy. Failure to serve the Prime Time Friday assignment will result in further discipline.

Incidents involving initiations, hazing, intimidations or related activities that are likely to cause harm or personal degradation are prohibited.

20. **Other violations not set forth on this list.**

## **STUDENT DISCIPLINE**

At Paulding High School, all students are required to behave in a socially and legally acceptable

manner at all curricular and extracurricular activities. Students who choose behavior which violates the rules of our school will face the consequences of their actions. In addition, students who damage property, either accidentally or purposefully, will be held responsible for paying for the damage. The Paulding Village Police and/or other law enforcement agencies may be called when a student has violated a law which governs the citizens of Paulding, Ohio.

**Disciplinary action(s) may include:**

1. **Denial of Privileges:** Students have many opportunities to participate in activities in addition to the regular school curriculum. Privileges will be denied if students fail to adhere to the Code of Conduct. Students may be removed from participation in, or attendance at, extracurricular activities.
2. **Detention:** As a correction for misconduct, the Principal, or a teacher may assign a detention to any student. The student will be required to stay after school or come before school for a designated amount of time. Lunch detentions may also be assigned; students will eat lunch in an assigned room or area. Detentions are handled by the teacher or administrator who assigns the detention. Detentions will be a study time with no sleeping or talking. A student who skips a detention will have the punishment doubled and/or receive a Prime Time Friday assignment.
3. **In-School Detention:** The Principal may assign an In-School Detention to students. The student will be removed from class(es) and will spend the time in the office. School work will be made up. Assessments that are done in class will be made up at a time determined by the instructor.
4. **Justified Removal:** Emergency removal from a class will place the student temporarily in the In-School Suspension room. The student will be unexcused from the class he or she misses.
5. **Time Out:** Emergency removal from class for more than one class period. The student may be unexcused from the class(es) missed.
6. **Prime Time Friday:** The Principal may assign a student to additional school time on Fridays from 3:00 - 5:00 p.m. Students must bring materials to study, and be prompt. Non-attendance at an assigned Prime Time Friday may result in suspension from school.
7. **In-School Suspension:** This disciplinary action results in the denial of participation in the student's regular classes, or any school activity for that day. The Principal will assign the student to a monitored room where he or she will spend the school day studying and working exclusively on school work. Credit for school work is given while the student is assigned to I.S.S. The student will also eat lunch in the In-School Suspension room.
9. **Out-of-School Suspension:** This suspension results in the denial of attendance and participation of any school class or activity. A student may be suspended for one to ten (1-10) days at a time by the building Principal. Progressive suspensions may be given to students who habitually or continually violate our school rules.

This penalty is considered very serious because days missed out of school due to a suspension are considered unexcused days. In the event that an out-of-school suspension is necessary:

  - a. Parents will be notified.
  - b. Credit will be given for schoolwork on the days of suspension (if completed upon return to school).
  - c. The student may not attend classes or any school activity or function.
10. **Driver License Suspension:** The suspension of driving privileges for excessive absences may be imposed according to Ohio Revised Code 3321.13 and Board policy.
11. **Expulsion:** A student may be expelled by the Superintendent of Schools for continual or extreme breach of school policy. Expulsion is the removal from school for no more than 180 days. If expelled, students will not be allowed to make up work (no credit), be assigned alternative placements (i.e. Success Center, internet classes, etc.), or be on school property.

- 12. Exclusion:** Expulsions may be extended if the student is convicted of a crime. State law provides for the permanent exclusion of a student, 16 years of age or older who engages in certain criminal activity. Permanently excluded students may never be permitted to return to school anywhere in the State of Ohio. A permanent exclusion may be considered if the student is convicted or adjudicated delinquent for committing one or more of the following crimes while on the property of any Ohio school:
- A. Conveying or possessing deadly weapons or carrying a concealed weapon onto school property or to a school function;
  - B. trafficking in drugs onto school property or at a school function;
  - C. Assault or aggravated assault, murder, aggravated murder and voluntary or involuntary manslaughter on school property or at a school function
  - D. Rape, gross sexual imposition or felonious sexual penetration on school grounds, or at a school function, when the victim is a school employee;
  - E. Complicity in any of the above offenses, regardless of the location.
- This process is formal and may follow an expulsion with the proper notification to the parents.

## **Student Dress and Appearance at School**

# School Bus Rules for Safety

With nearly 1500 students riding over 20 buses daily, it is important that a common set of rules for safety be maintained. The safety of students while riding the bus is a tremendous responsibility. The PEVS safety record is an enviable one, and we hope that students and parents will join us in keeping it that way.

Ohio laws do not require that any High School student be transported to school by bus. Since riding the school bus is a privilege, each student is obliged to read and obey the following regulations to insure his or her safe and orderly transportation:

1. Parents are responsible for the safety of pupils before entering and after exiting a bus. The bus arrival time before and after school may vary from day to day.
2. School employees will not enter disputes involving parents and students prior to pick up, or after return from pick-up points.
3. Buses operate on a time schedule as outlined by the Transportation Supervisor. The schedules do not allow enough time to wait for tardy students. Students must be at the bus stop before the bus arrives.
4. Students must cross all roadways at least 10 feet in front of the bus.
5. All passengers must maintain absolute quiet while at railroad crossings.
6. **Pupils will ride assigned buses only.** Parents may ask for a bus change for individual days. A note from the parent is required for such a change. The principal or supervisor must approve each request. Without a note, the pupil will be sent home on his/her regular route.

7. One stopping place per family is all that is allowed. This means that all children must be dropped off and/or picked up at the same stop each day. The Transportation Supervisor must authorize any changes.
8. Discipline procedures that go beyond the bus driver will be handled according to the policy of the building principal.
9. The Ohio Pupil Transportation Operation and Safety Rules will be followed.

In addition to these Safety Rules, a set of 11 Rules of Conduct has been established for students while on the bus. These rules, which are posted on the bus, are to ensure that courtesy and order are maintained.

- Observe the same code of conduct as in the classroom.
- Students must be courteous to the driver and other students.
- No profane language will be tolerated.
- No eating or drinking is allowed while riding the bus.
- The bus must be kept clean.
- Cooperation with the driver is required.
- No vaping, smoking, or tobacco use is allowed on the bus or at the bus stop.
- Destruction of property is forbidden. Parents will be responsible for any damage inflicted on a bus by their child.
- Students must be in their seats while the bus is moving.
- Heads, hands and feet must be inside the bus at all times.
- The bus driver is authorized to assign seats.

### **Vantage School Transportation**

### **Weather Related Announcements**

In case of severe weather (snow, ice, fog, etc.) the official announcement for school delays or closing, there will be an instant alert sent out to families as well as information posted on the school's website and social media pages.

Ohio State law requires that Emergency Medical Forms be kept on file for immediate access in case of injury. These must be on file in the office by Friday of the first week of school. Students may not participate in any field trip or out of school activity without an emergency medical form. Athletes must have two copies on file; one in the Principal's office and one in the Athletic Director's office.

## **Emergency Drills**

### **EMERGENCY WEATHER PROCEDURE**

All students are to know their assigned area from each room they use. All students are to move quickly and quietly to the assigned area when the emergency weather tones are sounded.

They will continue to follow their regular daily schedule and lessons but will remain inside (i.e. recess would be inside recess). Any staff or student who needs to leave the building during a Protective Environment must do so through the main doors by the office. Protective Environment drills will be conducted during Safe Schools week each year. Examples of when a Protective Environment might be announced: there is an accident on the street around the school; there is a fire near the school; the EMS is called to a place in view of the school; law enforcement requests students not to be on the playground.

### **STAY PUT**

If a Stay Put is announced, all students will stay in the classrooms, out of the hallways, until the “all clear” is given. Teachers will continue teaching; however, class changes will not take place. Stay Put drills will be conducted during Safe Schools week each year. Examples of when a Stay Put may be announced: a serious medical situation inside the school building; a power outage; a serious student disturbance; law enforcement requests not be in the hallway.

### **LOCK DOWN**

If a Lock Down is announced, all students will move to a safe place in their classrooms away from windows and doors, which will be locked. Classroom instruction will be suspended while teachers and students attempt to become as quiet as possible. Lock Down drills will be conducted during Safe Schools weeks each year. Examples of when a Lock Down might be announced: dangerous intruder outside the building or in the general vicinity of the classroom; student possession of a

weapon on school grounds; law enforcement requests due to police activity in the vicinity of the school.

**A.L.I.C.E.**

A = Alert, L = Lock Down, I = Inform, C = Counter, E = Evacuate

If there is a dangerous intruder inside the school, we will do everything to get students and staff to safety by keeping them informed of the situation and making every possible attempt to evacuate to a safe location. A.L.I.C.E. will be conducted during Safe School week.

## **MLA Documentation**

### **Paper Formatting**

Your paper must be in the following format:

- Double-spaced Times New Roman 12 point font.
- Have one-inch margins on both sides of the page
- Your last name and the page number go in the Header
- In the top left corner, list your name, your teacher's name, the class, and the date. Remember that the date is listed as the day, the month, then the year.
- The title of your paper should be centered. Remember that the title is NOT underlined, italicized, in bold, or in quotation marks.
- Each new paragraph must be indented. Hit the Tab button to indent.

### **In-Text Citations:**

Any time you quote, paraphrase, or summarize information you took from a source, you must create an in-text citation.

An in-text citation can take two forms:

1. Using a signal phrase with the author's last name or the name of the organization and listing the page number at the end of the sentence in parentheses marks. [Example: According to Edwards, ... (321).]

OR

2. Listing the author's last name or the organization and the page number in parentheses at the end of the sentence. [Example: (Edwards 321).]

### **Formatting an In-text Citation**

1. **Author named in a signal phrase.** The MLA recommends using the author's name in a signal phrase to introduce the material and citing the page number(s) in parentheses.

Lee claims that his comic-book creation, Thor, was "the first regularly published superhero to speak in a consistently archaic manner" (199).

2. **Author named in a parenthetical reference.** When you do not mention the author in a signal

phrase, include the author's last name before the page number(s) in the parentheses. Use no punctuation between the author's name and the page number(s).

The word *Bollywood* is sometimes considered an insult because it implies that Indian movies are merely "a derivative of the American film industry" (Chopra 9).

3. **Two or three authors.** Use all the author's last names in a signal phrase or in parentheses.  
Gortner, Hebrun, and Nicolson maintain that "opinion leaders" influence other people in an organization because they are respected, not because they hold high positions (175).
4. **Four or more authors.** Use the first author's name and *et al.* in a signal phrase or in parentheses.  
Examining the lives of women expands our understanding of human development (Belenky, *et al.*).
5. **Organization as author.** Give the organization's full name or a shortened form of it in a signal phrase or parenthetical reference.  
Any study of social welfare involves a close analysis of "the impacts, the benefits, and the costs" of its policies (Social Research Corporation).
6. **Unknown author.** Use the full title of the work or a shortened version in a signal phrase or parenthetical reference.  
"Hype" by one analysis, is "an artificially engendered atmosphere of hysteria" ("Today's Marketplace").
7. **Author of two or more works cited in the same project.** If your list of works cited has more than one work by the same author, give the title of the work you are citing or a shortened version in a signal phrase or parenthetical reference.  
It can be determined that Grendel is a "pointless, silly monster, crouched in the shadows, stinking of dead men" (Gardner a).
8. **Two or more authors with the same last name.** Include the author's first *and* last names in a signal phrase or first initial and last name in a parenthetical reference.  
Children will learn if they are allowed to choose their own subjects (James Britton).
9. **Indirect source (author quoting someone else).** Use the abbreviation *qtd. in* to indicate that you are quoting from someone else's report of conversation, interview, letter, or the like.  
Arthur Miller says, "When somebody is destroyed everybody finally contributes to it, but in Willy's case, the end product would be virtually the same" (qtd. in Martin and Meyer).
10. **Electronic source.** Give enough information in a signal phrase or in parentheses for readers to locate the source in your list of works cited. Many works found online lack page numbers; you will have to omit the page number from the parentheses. However, if you are citing a work with a stable pagination, such as an article as a PDF file, include the page number in parentheses.  
As a *Slate* analysis has noted, "Prominent sports psychologists get praised for their successes and don't get grief for their failures" (Engber).

## **Works Cited Page**

The works cited page must be in the following format:

- Double-spaced Times New Roman 12 point font.
- One-inch margins on both sides of the page.
- Your last name and the page number go in the Header
- The title Works Cited. The title should be centered and NOT underlined, italicized, in bold, or in quotation marks.

The works cited list must follow the following format:

- Sources are listed in alphabetical order by the first word. Start with the author's last name, if available; if no author is given, start with the title.
- The first line of each entry is flush with the left margin. All lines that follow the first line for each entry are indented by hitting Tab once.
- To cite a source for which you cannot find a model, collect as much information as possible. Then look at one of the following models to see which one closely matches the type of source you are using.

**Formatting a Works Cited page entry:**

1. **Basic Format—Print Source.** List the last name of the author first. Place a comma between the last name and the first name. End with a period. Next list title in *Italics* and end with a period. List the city of publication and end with a colon. List the publisher and end with a comma. List the year of publication and end with a period.
