## MRSA Prevention Tips

- Clean your hands
  - With soap and water
  - or alcohol based hand sanitizer
- Wash cuts immediately
  - With soap and water
- Cover your wound
  - Keep bandage dry
  - Change as needed
- Do not share personal items
  - Such as towels, washcloths,
  - razors, clothing or uniforms
- Talk to your doctor
  - If you have a sore that does not heal or an abscess
  - If a treated wound is not improving
