NYSSMA Festival Handbook

The following is information you will need to know about the New York State School Music Association (NYSSMA) Solo and Ensemble Festivals this spring. Many NYSSMA festivals are held throughout the County, and it is important that you appear at the correct festival site. Festival times are scheduled from 4:00 to 9:00pm on weekdays, and 9:00am to 4:00pm on Saturdays. There is very little flexibility in scheduling specific audition times. Times are determined by the festival Chairpeople. However, if you know of a major family or school conflict on a particular day and time, let us know as soon as possible by email or letter.

Registration and Payment: Registration for all NYSSMA festivals will be on the DaCapo Inventory Parent Portal. NYSSMA Pre-Registration dates are December 15-January 30 for all festivals.

All Fees are determined by NYSSMA

Levels 1-4 Piano: \$26

Levels 1-4 Instrumental and Vocal: \$20

All-State: \$36

Levels 5-6 Piano: \$36

Levels 5-6 Instrumental and Vocal: \$30

Preparation

NYSSMA Manual: Make sure your prepared solo appears in the *current NYSSMA (edition 34) Online Manual* by checking with your private teacher or with the Jericho Music Department staff. Solos are graded by difficulty from Level 1 (easiest) to Level 6 (most difficult). Choose your solo carefully with the help of your music teacher. Students are responsible for preparing solos outside of school time. Most soloists find that a private music teacher is the best way to prepare. Your school music teacher is available (as time permits) during extra help to *assist* students; however, your school music teacher should not be your only teacher. Practice must be regular and consistent. Approximately two weeks prior to the festival, participating students will be given a "Playing Permit" containing a map to the site, date, time, and room designation. Take the completed "Playing Permit" to the festival registration desk at least *twenty minutes* before you are scheduled to play. After you are registered, go to the "warm-up room" and review your prepared solo. Go to the Audition Room *five minutes* before you are scheduled.

Audition

Your NYSSMA Solo is the largest portion of the evaluation. *Auditions: Level I-IV = 10 min. Level V-VI = 15 min.*

You should have two (2) **original** copies of your music selection.

If your instrumental or vocal solo comes with a piano accompaniment (with the solo part on it), you can give the piano part to the adjudicator, and avoid buying a second original. Please check with your private teacher or Jericho Music staff. **No illegal photocopies, downloaded solos, or scanned reproductions are allowed under NYSSMA rules.**

1.Solo

NYSSMA Solos are judged upon the following criteria:

Rhythm - the accuracy and steadiness of the solo

Technique - the physical dexterity required to accurately perform the music

Precision - accuracy of notes and fingerings, bowings, or stickings

Interpretation - the musical qualities of dynamics, style, tempo, phrasing, and tone

Musicianship - the artistic expression of the music

Vocal Solos

Vocal students who are singing with accompaniment must provide their own accompanist or arrange for a pre-recorded accompaniment. If you are using an mp3, recorded/CD accompaniment, **students must provide their own playback equipment.** Vocal adjudications include solo performance and sight reading, no scales.

2.Sight-Reading

Sight-Reading is a part of each audition for all Piano, Instrumental and Vocal participants. A short sight-reading example (unfamiliar music) will be performed. Students will be given about one minute to look over the music before attempting to play or sing it. Students should use this time to look at the time signature, the key signature, tricky rhythms, dynamics, tempo, and phrasing.

3.Scales

Major Scales are a part of each instrumental audition. **All scales must be memorized!!!**

Woodwinds and Brass

Level 1-2 3 prepared scales - up and down one octave Judge will hear all 3 scales Level 3-4 7 prepared scales - up and down one octave Judge will choose 3 from the 7 Level 5-6 12 prepared scales - up and down one octave Judge will choose 3 from the 12

Strings

Piano

Level 1: 3 prepared scales - 1 octave, any tempo hands separate or together Judge will hear all 3 scales Level 2: 3 prepared scales - 2 octaves, $\theta = 72$ in eighth notes, hands separate or together Judge hears 3 scales Level 3-4: 7 prepared scales - 3 octaves, $\theta = 72$ triplet eighth notes, hands together Judge will choose 3 of the 7 Level 5-6: 12 prepared scales - 4 octaves, $\theta = 92$ to 112, sixteenth notes hands together Judge will choose 3 of the 12

Rudiments are a part of each Percussion audition.

Please have your private teacher or a member of the Jericho Music staff provide you with the list of required rudiments for each NYSSMA level.

4. Grades

NYSSMA grades will be posted on the DaCapo Inventory site and visible to parents approximately one week after the festival. You will receive your graded evaluation from your school music teacher approximately three days after the festival.

5. Number of NYSSMA Solos

NYSSMA Festivals provide an outstanding opportunity for students to perform at their highest level of musicianship. We believe that participating in the NYSSMA Festivals will be a positive and enriching experience for Jericho music students.

Students may prepare more than one NYSSMA Solo on different instruments.

(Example: Piano & Clarinet or Flute and Piccolo) No NYSSMA solo may be performed more than once during the festival season. Please do not ask to appear at another festival site unless there is an irreconcilable conflict. This must be approved in advance by the Curriculum Associate and by NYSSMA.
