Dear Wyoming Primary Parents,

Thank you so much for joining us at our recent Curriculum Nights! We are grateful for the time you took to learn more about your child's classroom experience and connect with our teachers. Your partnership is essential to your child's success, and we deeply value the opportunity to walk alongside you in their learning journey. If questions or concerns arise, your child's teacher is the best first point of contact, as they know your child's daily experiences most closely and are eager to collaborate with you. Please know, if additional support is ever needed, our principal team is always here to listen and help.

Updates and Reminders:

Apply Now for Free and Reduced School Meals

Free and reduced meal applications are available online in the [Payschools Parent Portal](#). Additionally, paper applications are available in the school front offices. A new application is required each school year to determine eligibility for free or reduced meals; there is only a 30-day grace period from last school year's approval.

Instructional Fee Waiver: Prior to electronically signing and submitting the online application, please make sure to "check" the boxes in the disclosure section if you are also requesting an instructional fee waiver. This is an important step, as fees will not be waived without this authorization.

For families who are directly certified for free or reduced meals due to their eligibility through SNAP, TANF or Medicaid, you will receive a Direct Certification Notification from our Nutrition Services Partner, Milford Exempted Village Schools.

Please note that action is required - you must sign and return the Fee Waiver Permission on the bottom of that form - in order for instructional fees to be waived.

For questions or assistance, please contact Milford Nutrition Services at 513-576-2290 or foodservices@milfordschools.org.

Calling all Fourth Grade Parents!

Harvest Fest is right around the corner!!! We are so excited to host this year's Harvest Fest on Saturday, September 13th and we need your student's help! [If you have a fourth grader who would like to participate as a server in the Harvest Fest Meal please sign them up here.](#) Additional questions can be directed to Marta Moeller at stewartm@wyomingcityschools.org. She will be happy to help!

PickUp Patrol Early Dismissal: If your child needs to leave school early, **please email your child's teacher AND enter "Early Dismissal" in PickUp Patrol.** Since teachers do not get their daily PickUp Patrol email until after 2:30 pm this helps the teacher have your child ready to go for an early pick up. Additionally, if you have an emergency and need to change your child's dismissal plan after 2:30 pm, please contact your child's school.

Hilltop@FUMC Car Line Safety

Thank you for all you are doing to help our car rider line go smoothly! At arrival this week, the students in the FUMC main building practiced walking directly to their classrooms upon entering the gym. Students in modular classrooms have been able to be in their classrooms by 8:35 am so learning can begin on time. Here is what you can do to help ensure that we are maximizing instructional time and keeping all of our students safe:

1. Arrive on time.
2. Stay in your vehicle.
3. Maximize our space by pulling up close to the car in front of you.
4. Put cell phones away once you are in the lot.

If you unexpectedly need additional time to get your child out of the car please pull into one of the designated parking spaces near the corner of the building. Thank you for your support!
