OPEN HOUSE

ONE YEAR STRONG!

This August we celebrated our first year anniversary with an open house which included turf time, ice skating and simulator play. More than 350 people attended this free event marking a successful year of tournaments, events, practices, memberships, family programming and community involvement. The turf arena has been a great expansion of the gyms, meetings rooms and ice allowing more people to enjoy the space. This year we estimate over 50,000 visits with 30,000 visits to the new addition alone.
This created an additional economic impact of over $1,000,000 for the region in its first year.

FLAG FOOTBALL

REC Flag Football will kick off on Saturday, September 6, for children in grades 1 through 6. This program is organized in collaboration with the Varsity Football team, whose players will assist with officiating.

- On August 7, athletes were invited to a special Skills & Drills camp.
- More than 70 kids participated, practicing passing drills and executing football plays alongside the high school players.

A big thank you to Coach Mitchell for a fantastic start to the season!
