PTO AFTER SCHOOL ENRICHMENT

PTO After School Enrichment (ASE) is an extracurricular program coordinated by the GES PTO in collaboration with GES teachers, staff, and other approved instructors. The program is designed to offer our Gators additional opportunities for educational enrichment in a familiar and supportive environment.

When

Classes meet weekly, for 4 weeks, after dismissal until 4:55pm at GES. Gators will be dismissed directly from their classrooms to ASE.

Fall 2025 classes will be held on WEDNESDAYS, 9/24, 10/1, 10/8, 10/15 with an inclement weather make up date of 10/22, if needed.

Cost

Tuition for the four week course is $45.00 for the 1st child, and $20 for each additional child.*

*We do not want cost to impact access to enrichment opportunities. Need-based scholarships are available for each session so that students can participate for a reduced rate. Please complete the online registration form for more information.

An invoice will be sent to the email registered which will be payable by a debit/credit card. Payment is due upon receipt of invoice.**
**Students cannot participate in ASE until invoice is paid.

Registration

Registration is online only and opens at 6:30pm on Tuesday, September 2nd and remains open until September 10th.

Classes are filled on a first come, first served basis, as they are limited by age and number of students. Classes will be closed as they become full.
