Rank/Grade Point Average:

Class rank and grade point averages are weighted. All Advanced Placement courses will be weighted, resulting in a grading scale of 4.333. A student's rank in class is based on her/his grade point average (GPA), which is calculated from all classes taken, grades 9-12. To accurately reflect student achievement, summative assessments are the primary source in calculating a student's grades versus formative assessments. Summative assessments include test scores and quizzes, projects, research papers, essays, and performances.
