Meet the Counselors

Mrs. Cockrell

Welcome to the 2025-2026 school year!

This year is my fifth in Bobcat Country, seventh as a Counselor, and twelfth in Education. Have a boy athlete and think my name sounds familiar? You're not going crazy, my husband is Coach Cockrell - the Boys Athletics Coordinator. We have two daughters, Carter (7) and Taiven (5). They are in 2nd grade and Kindergarten (no more daycare!) at Pebble Creek Elementary. When I'm not at school or dance practice for the girls, you can find me reading a book or doing a crossword puzzle.

Mrs. Blankenship

Hey Bobcats!

I'm absolutely thrilled to be part of the AMCMS family! Before joining this amazing team, I taught U.S. History–a subject I'm passionate about. I've had the chance to live in Mississippi, Maryland, and Texas... and let's be honest, Texas is definitely the best! My family means the world to me. I'm married to my wonderful husband, Greg, and we have an 18-year-old son, Jack, who just began his college journey–such an exciting chapter for him!

In my free time, I love spending time with friends and family, traveling, and diving into books about JFK or WWII (historical books), and reading anything by Daniel Silva.

I'm looking forward to a fantastic year together
