

# Notification of English Language Program Exit

Dear Parent(s) or Guardian(s)

Upon enrollment, a language other than English was noted on your child's Home Language Survey. According to state and federal law, our school district is required to assess the English language proficiency of your child in listening, speaking, reading, and writing. Based on the results of the ACCESS for ELLs 2.0, a state-approved assessment for measuring English language proficiency, we are pleased to inform you that your child has demonstrated English language proficiency and is not eligible for services for English Language Learners. Below, please find results that have informed our decision, information about our language programs, and your rights as a parent.

Additional factors used to determine your child's program exit

- Teacher's recommendation

Students who exit the program are monitored for academic success for 2 years.

Throughout the school year, you will have many opportunities to learn about your child's progress in academics and learning English. I encourage you to attend parent-teacher conferences and school events to support your child's academic success.

If you have any questions about this decision, please contact Arturo Rodriguez at arturo.rodriguez@motsd.org.
